**WHEREAS**, on January 30, 2020, the International Health Regulations Emergency Committee of the World Health Organization declared the outbreak of COVID-19 a public health emergency of international concern; and

**WHEREAS**, the CDC reports that people are most COVID-19 contagious when they are most symptomatic (the sickest) however spread is possible before people show symptoms, or by those that are asymptomatic; and

**WHEREAS**, on March 13, 2020, Idaho Governor Brad Little signed a declaration of emergency for the State of Idaho in response to concerns that cases of COVID-19 are imminent in Idaho; and

**WHEREAS**, on and after March 13, 2020, the Idaho Governor issued a series Orders addressing public health measures to slow the spread of COVID-19 including the current **Stay Healthy Order** signed May 30, 2020, and inclusive of the Idaho Rebounds Plan; and

**WHEREAS**, the State of Idaho continues to adhere to Stage 4 of the Governor's Stay Healthy Order Guidelines, and the COVID-19 response efforts are now localized in accordance with said order; and

**WHEREAS**, on March 20, 2020 the Mayor of the city of Hailey declared a local disaster emergency, and on March 23, 2020 the Hailey City Council consented and adopted the Declaration as per the Disaster Preparedness Act (Title 46, Chapter 10 of the Idaho Code), in the city of Hailey due to the threat that COVID-19 poses to the health and welfare of the residents of Hailey; and

**WHEREAS**, on March 24, 2020, the Council for the city of Hailey adopted Ordinance 1260 establishing emergency powers that provide the authority, purpose, and intent of emergency powers to address the threat of COVID-19, which ordinance was extended as Ordinance 1266 and remains in effect; and

**WHEREAS**, as of October 8, 2020, Idaho was reporting 45,082 total cases of COVID-19, including 660 new cases confirmed on October 6, 2020 and 492 deaths to date, Statewide, and a total of 706 total cases, 6 deaths and a 7-day moving average incidence rate of 15.5 in Blaine County; and

**WHEREAS**, the emergency services and local healthcare facilities have limited capacity to handle a significant increase in COVID-19 confirmed cases in Blaine County; and

**WHEREAS**, the CDC recommends that people wear cloth face coverings in public settings, especially when other social distancing measures are difficult to maintain; and

**WHEREAS**, there is a continuing and urgent need to protect all residents, employees and visitors in the city of Hailey from the risks relating to the COVID-19 pandemic through the protection provided by wearing facial coverings; and

**WHEREAS**, the city of Hailey Mayor and City Council find it necessary to enact additional regulations to strengthen the regulations issued by the current Department of Health and Welfare Stay Healthy Order to slow the community spread and protect the health, safety, and welfare of individuals living, working and visiting the City of Hailey; and

**WHEREAS**, on September 14, 2020 the City Council, by unanimous consent, determined that future actions relating to exercise of its public health regulatory authority, and for purposes of general guidance, would be based upon the Covid-19 Blaine County Risk Level Plan for the City of Hailey, and

**WHEREAS**, this Order was considered and approved by the City Council in accordance with provisions of Emergency Ordinance 1266, and analyzed based on matrix provided by the Harvard Global Health Institute's recommendations as adopted for use by the City of Hailey; and

**WHEREAS**, Blaine County, according to the analytics provided by the adopted COVID-19 Blaine County Risk Level Plan for the City of Hailey now places the City of Hailey within the Orange-Risk Level, being also labeled as the *High Risk Level*, in that the County is reported to have 7-day moving average incidence rate 15.5 per 100,000, population; and

**WHEREAS**, the Orange/High Risk Level, addresses communities where spread has accelerated and recommends adopting some or all of the following mitigations measures:, required face coverings, limitations of indoor gatherings to a maximum of 10 people, if social distancing can be maintained, and outdoor gatherings to a maximum of 50 people, curbside service only for food establishments, closure of bars and restaurants, reduced occupancy for places of business, public buildings and places of worship, discontinuation of youth and adult sports activities where physical distancing is not possible and implementation of school strategies in response to the Idaho Back to School Framework 2020.
