

FREE WATER-WISE LANDSCAPE SERIES

Trout Friendly Water-Saving Tips, Tools & Designs for your Landscape

Thursday, May 18: SAVE WATER AND ATTRACT POLLINATORS TO YOUR LANDSCAPE with Kelley Weston

Kelley (Native Landscapes) will share design ideas for converting turf or creating a new garden into a palette of seasonal color for sunny and shady locations with water saving flowers and shrubs. Turf removal and drip irrigation covered too.

Time: 5:30-7:00 p.m.

Hailey City Library – Light refreshments

Workshops qualify
for Water Smarty
Rebate Program
