

Sustainable Building and Planning Advisory Committee

February 18, 2009 – Meeting Summary

The following items were discussed at the meeting:

- Reviewed and edited survey questions
- Reviewed Jay's Committee Statement

The following items were assigned at the meeting:

- Maribel – put survey together based on last meeting discussion and email for Committee review.
- Contact the group next to your name and ask if they would be interested in a presentation, get info. on their meeting dates. Or ask if one of the following dates would work: March 18th, April 1st, or April 15th. These are our scheduled Committee meeting dates that the Committee decided to use for presentation times.
 - Troy –NAHB
 - Maribel – contact Sonora Institute, Co-sponsored workshop
 - Jolyon- Energy Star and Idaho Power presentation (need dates established so we can invite those that we give presentation to – work with Maribel on scheduling if it is going to be at the City).
 - Craig – Sawtooth Board of Realtors, Sustain Blaine
- Craig – work with Maribel to finalize surveys, including online survey development
- All members - review ROI and financial data from slides Jolyon sends for review via email.
