**Re: Support of the Blaine County and City of Bellevue Funding Application for Broadford Road Improvements**

Dear Mr. Holmstrom,

We would like to express our support to Blaine County and the City of Bellevue for the Broadford Road Improvements.

This road is critically important to the county's transportation system as it becomes the only alternative north-south connection between the City of Hailey and Bellevue in the event of a highway 75 closure. Over the past decade we have seen Hwy 75 closed numerous times for construction, accidents, and in one case a plane crash. The quality of Broadford Road as an alternative route is a critical health and safety issue in Blaine County.

This route also provides access for many residents, school busses, emergency services and other nearby recreational areas.

The road is in need of significant improvements, including widening, smoother curve transitions, and sight conditions. Reconstruction of this road would greatly improve safety of motorists and allow for safe travel along roadway.

Sincerely,
