SUBJECT:

Parks and Lands Board Recommendation – Hop Porter Park Improvements, paid for by the Seagraves Foundation award.

AUTHORITY: ID Code _____ IAR _____ City Ordinance/Code _____
(IF APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

Following the \$20,000 award from the Seagraves Foundation, the P&L Board has met on numerous occasions to discuss project ideas at Hop Porter Park. At this point, some estimates have been received to identify whether the proposed project list below would come close to utilizing the full \$20,000. The written estimates received are attached. Others have received verbal quotes and two items have yet to be priced.

On April 2, 2014, the Board developed a recommendation that includes the following:

1. Removing trees in the park that have been identified by the Tree Committee as very hazardous. (Approximately \$3,000)
2. Planting additional trees – approximately 10. The species of trees to be approved at the next Tree Committee Meeting. (Approximately \$6,000)
3. Purchasing volleyball nets and adding more sand. (Approximately \$800)
4. Repairing the existing rock BBQ under the pavilion. (quote needed)
5. Staining the existing pavilion. (quote needed)
6. Improving the picnic area with grills, trash cans and benches. (Approximately \$8570)

Total estimate = \$18,370 (this does not include items #4 and #5, which still need estimates) See written estimates attached.

Alpine has been asked to submit a bid for certain work, as recommended, to be done in Hop Porter Park. The proposal does not include any of the work to be done in Lot 14 (the wild area to the west of the park). The City should determine the scope of work to be done in the park. Jeff Beacham and I identified no fewer than 15 large dead trees in that area, and the City should determine whether or not the trees would be removed from the area, felled into the area, or some combination of the two.

Prices for the trees in the park:

2 Poplar trees located in SE corner of park:

- (1) Remove flagged branches (red tape) ASAP, **\$250.00** Remove entire tree within 5 years (yellow tape)
-Defects: included branch unions, decay, overextended branches
- (2) Remove entire flagged tree (red tape) ASAP **\$1300 plus \$250 for the stump.**
-Defects: included branch unions, decay, overextended branches

5 Cottonwood stems located in SW corner:

Under-plant the area near these trees ASAP to facilitate removal within 10 years.

3 Poplar trees located NE of playground structure:

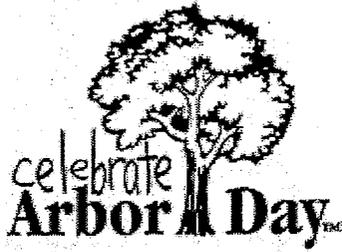

- (1) Remove entire tree within 5 years (yellow tape)
-Defects: included branch unions, decay, overextended branches
 - (2) Under-plant the area near these trees ASAP to facilitate removal within 10 years
- Deadwood and clean up these trees: \$180 each.**

3 Poplar trees located N of playground structure:

- (1) Remove 1 flagged stem (yellow tape) within 5 years that leans towards play structure
-Defects: included branch union, decay, overextended branch, high use target zone
 - (2) Under-plant the area near these trees ASAP to facilitate removal within 10 years
- Deadwood, clean up, and remove the hazard limb on these three trees: \$480.00**

2 Cottonwood trees NW corner of park by over parking area:

- (1) Remove entire flagged tree (red tape) ASAP
\$1100.00, no need to take out the stump.
-Defects: dead tree with significant decay
- (2) Remove multi-stem tree within 5 years (yellow tape)
-Defects: included branch unions, decay, overextended branches

Whereas, In 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

Whereas, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

Whereas, Arbor Day is now observed throughout the nation and the world, and

Whereas, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce life-giving oxygen, and provide habitat for wildlife, and

Whereas, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

Whereas, trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and

Whereas, trees, wherever they are planted, are a source of joy and spiritual renewal.

Now, Therefore, I, Fritz X. Haemmerle, Mayor of the City of Hailey, do hereby proclaim May 10, 2014 as

Arbor Day

In the City of Hailey, and I urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands, and

Further, I urge all citizens to plant trees to gladden the heart and promote the well-being of this and future generations.

Fair Housing Month Proclamation

April 2014

WHEREAS, April marks the anniversary of the passage of the Fair Housing Act of 1968, which sought to eliminate discrimination in housing opportunities and to affirmatively further housing choices for all Americans; and

WHEREAS, the ongoing struggle for dignity and housing opportunity for all is not the exclusive province of the Federal government; and

WHEREAS, vigorous local efforts to combat discrimination can be as effective, if not more so, than Federal efforts; and

WHEREAS, illegal barriers to equal opportunity in housing, no matter how subtle, diminish the rights of all;

NOW, THEREFORE, BE IT RESOLVED,

that in the pursuit of the shared goal and responsibility of providing equal housing opportunities for all men and women, the **City Council of Hailey, Idaho**, does hereby join in the national celebration by proclaiming,

APRIL, 2014 as FAIR HOUSING MONTH,

and encourages all agencies, institutions and individuals, public and private, in **the City of Hailey**, to abide by the letter and the spirit of the Fair Housing law.

Dated this 7th day of April, 2014 and approved by the Hailey City Council in their regularly scheduled meeting.

Fritz X. Haemmerle, Mayor
City of Hailey
