Re: RED Day at Hailey's Hop Porter Park

Dear Ladies and Gentlemen:

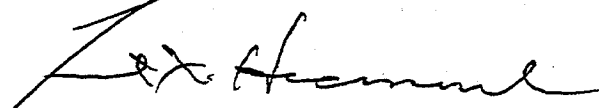

On behalf of the City of Hailey, thank you for your generous donation of hard labor and good cheer last Thursday in Hailey's Hop Porter Park. The City appreciates your company's effort. Every year at this time, we find our crews are stretched thin with spring preparatory work, and your donation of approximately 20 company members for a full day of work both this spring and last makes an invaluable difference. We estimate that between the two years, the value to Hailey taxpayers is roughly \$4,000. The City particularly appreciates your gift of labor to our City since Keller Williams does not have an Office in Hailey. We definitely look forward to your future presence in our town.

We admire the impetus to "Renew, Energize and Donate," the hallmarks of RED Day. We appreciate the vision of the Keller Williams Board Vice-Chairman who founded the event through which a half million hours of service have been given to communities nationwide. We appreciate the focus of the local Keller Williams brokers and employees who have chosen to enact that vision in the City of Hailey.

Organizations such as yours, with your effort to "give where you live" focus on community quality of life in our valley in ways that enhance the effort of city government. It is through partnerships that we truly are able to accomplish great work. The commitment of individuals serving your organization is to be commended; their vision and quality of production showed delightfully in the RED Day. We hoped you all enjoyed our beautiful Hop Porter Park as much as the community will enjoy the fruit of your labor in the upcoming months.

You are a great group.

Sincerely,

Fritz X. Haemmerle  
Mayor, City of Hailey

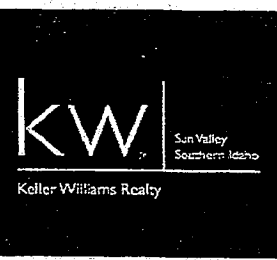

Hi Kelly,

May 14, 2014.

Thank you for your time, and information shared about these terrific pavers at Top Porter Park, when my office came down last week for Red Day.

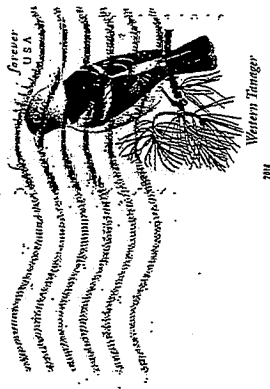

I have told clients about them, and we are grateful to have learned about a great solution - It was so much fun, albeit exhausting! to spend that day buffing a beautiful park. All the best,  
Rae DeVito.

**Subject:** Pediatric Equipment Grant

Robbin,

I wanted to let you know the results of the EMS for Children Pediatric Equipment Grant. Hailey-Fire Department is being awarded two BLS Jump Kits and two traction devices. I will be working with the Field Coordinators to see if any of them will be in your area soon and if they would be willing to deliver for me. If not, I will ship the equipment to your agency at the shipping address we have on file. If you have any questions, please let me know. Thanks!

~Erin
