FOLLOW-UP REMARKS:*

Notice of Material Event

Rating Change

The City of Hailey is required to file a notice of occurrence of any material event, under Rule 15c2-12, with respect to its outstanding obligations with Wastewater Revenue Bonds issued through the Idaho Bond Bank Authority. This notice is being provided to meet the continuing disclosure requirements agreed to within the Loan Agreement Between Idaho Bond Bank Authority And City of Hailey, Idaho, dated December 1, 2012, relating to Idaho Bond Bank Authority Revenue Bonds Series 2012D.

On May 20, 2013, the Hailey City Council enacted Resolution 2013-41, attached, which increases Hailey's wastewater rates for the purpose of setting the bond rate to collect revenue equal to the annual bond payment, and to increase wastewater user rates for the purpose of collecting sufficient revenue to pay for a specific engineering project. The scope of the engineering project is to conduct preliminary engineering of a more efficient biosolids handling facility (sludge processing) at the wastewater treatment plan.

Dated this 14th day of June, 2013.

Becky Stokes,
Hailey City Treasurer
