Dear Mayor Davis:

I wish to express my interest in becoming a board member for the Hailey Historic Preservation Commission.

My husband and I have chosen to live in Hailey largely in appreciation of its unique location and the history that placed it here. Some of the things that have intrigued us are hiking the many hills and mountains and discovering numerous mine shafts and remnants, taking a class by a local historian who helped us understand the beginnings of our town, admiring the local Victorian homes and downtown historic architecture, watching the sheep make their way past our home on Bullion Street, and remembering having stayed numerous times at the Hiawatha Hotel. This is a fascinating place that we get to call home and we feel very privileged to be able to live here. I would appreciate the honor of helping to maintain the historic integrity of the city of Hailey.

Thank you.

Sincerely,
