Business in Progress & Reports

Continue with Discussion of “Music in the Streets” “Art Walk”

Pat would like to put in place a procedure of how we are going to contact our businesses. Also we need to discuss how we are going to collect money for “Music in the Street and the “Art Walk”. We need to advise the businesses that are going to participate that they will need to contribute for next years events. Next year “Music in the Streets” will be held once a month for four months. Months and dates will be discussed in a future meeting.

Mark asked what was the funding for next year for the Chamber of Commerce. Jim advised that the amount was 15,000 annually for events.

Pat would like to pre-register all the businesses. She would like to have all the businesses pre-pay and schedule a time for their music to play for the month of “Music in the Street.”

Pat would like to mail out a survey and get some input from the businesses and ask for comments on “Music in the Street” and the “Art Walk” and get some positive and or negative feedback on what can be improved. Or have them give some suggestion that can help improve this event.

The Arts Commission will keep this topic open for discussion.

Next meeting will be a planning meeting and set dates and procedures in place. Joe would like to schedule this meeting for October 2nd. All have agreed to meet at Zaney’s Coffee House on River St. in Hailey.
