The artists question to us: what are we going to do? Are we going to have a community review process? We have in the past. Frank said community comments gives ownership.

Errin said the choices need to be uploaded on the cities on web site and notice given in Our Town and through an article in paper.

We will only submit the three finalists. We will give artists a two week window to change and do a mockup and be involved in the process. Will give the artists the steps we will be taking to so they know.

Give the public the dates in which they can make their comments. Using home page survey
Dates are December 1 thru the 15th.

January 8th meeting we will make decision on sign.

Questions on survey will be: does piece feel welcoming, does it welcome visitors and give them a desire to stop.

Ice Rink: No pending contracts for the art around the ice rink. Hailey Ice is willing to do some art which would consist of a mural on the wall of the ice rink.

We are concerned about city requirements of public art or funding set aside for public art. Does this affect this project? We don't want to hold up project because of this issue. Heather Dawson will check with the city attorney on this matter.

Public meeting on Dec 8th. Commissioners are asked to come and make comments on public art in the space.
