Fire Watch in Effect for Hailey for the 4th of July

(Hailey, Idaho) The city of Hailey is on Fire Watch alert due to thunderstorms, high winds and low humidity that are being forecasted for Hailey, Idaho. The watch is in effect beginning July 4th, Friday afternoon thru the evening of July 4, 2008.

At this time, Hailey Fire Chief, Mike Chapman has informed city officials that if the conditions change to a Red Flag Warning the Annual Fire Work Display in Hailey that is currently scheduled for the evening of July 4th, 2008 will have to be delayed until the evening of July 5, 2008.

Fire Chief Chapman and Police Chief Gunter are urging the public for their cooperation in obeying the Safe and Sane Fireworks Laws that apply to the State of Idaho. Both agencies are on patrol and will be confiscating any and all illegal fireworks as well as issuing citations.
