RE: Live Drill at Woodside Elementary School

The Hailey Police Department would like the community to be aware of a FULL SCALE LIVE DRILL EXERCISE that will be taking place at the Woodside Elementary School on Monday, May 18, 2009 from 8:30 AM to 12:30 PM. This exercise will take place with participation from every emergency service department in Blaine County, and along with assistance from the Blaine County School District. There will be several emergency vehicles in the South Woodside area. The exercise's main focus will be for every emergency service department to be prepared and be able to work together if a school shooting or mass casualty takes place anywhere in the county.

The Hailey Police is asking for the community's assistance (mainly the Woodside residents) in staying away from the exercise area on the specified date and time, so that the emergency personnel can complete their exercise/drill without any interruptions.
