**Suspect in School Threat Arrested**

On 29 April 2009 at approximately 4:00 pm the Hailey Police Department arrested a male juvenile in conjunction with the threatening note that was found at Wood River High School last week. The Hailey Police Department is confident that there is no longer a threat as it pertains to this specific note at the school, and credits this success to members of the Canyon County Sheriff's Office for their forensic and investigative support and the successful direction and implementation of the school districts safety plan.

The Hailey Police Department wishes to publicly thank members of the Blaine County Sheriff's Office, Ketchum Police Department, Blaine County School District, and especially the staff and students of Wood River High School for their can do and positive attitude during the stressful few days last week. The Hailey Police Department will continue to have a marked presence at the High School until the end of the school year.
