## Hailey Puts New Bicycle Safety Rules in Place

### Dismount at Crosswalks on Main Street

(Hailey, Idaho) –

A new ordinance went into effect in early April which requires bicyclists to dismount and walk their bicycles in crosswalks located on Main Street and other potentially dangerous crosswalks throughout the City of Hailey. The areas where dismount is required will be marked with a sign painted onto the sidewalk. Look for these signs and teach your children bicycle safety. Walking bikes across the roads allows motorists more time to stop and potentially avoid accidents.
