Hailey Begins Public Process to Consider Social Hosting Ordinance

March and April City Council Hearings Scheduled

(Hailey, Idaho) – Hailey City Council reviewed an introductory draft of a Social Hosting, Runaway, and Beyond Control ordinance during its Monday, February 9, 2015 meeting.

The ordinance was discussed, with direction given to staff to refine and bring the ordinance to the Hailey City Council for public hearing on March 2, 2015.

Public hearing leads to modification, approval, or denial of an ordinance. After an ordinance is approved, it is read at three separate meetings before becoming fully adopted.
