Hear the Beep Where You Sleep: Every Bedroom Needs a Working Smoke Alarm

(Hailey, Idaho) – Fire Prevention Week this year is October 4th through 10th, 2015. Hailey Fire Department will be busy raising awareness within the schools about ways to make homes safer from fire.

This year's slogan is memorable - Hear the beep where you sleep: every bedroom needs a working smoke alarm. Smoke alarms save lives. According to National Fire Prevention Association statistics, half of all U.S. home fire deaths occur at night between the hours of 11:00 pm and 7:00 am, when people are most likely to be sleeping. Having a working smoke alarm in the home cuts the risk of dying in a fire by at least half.
