City of Hailey Celebrates a Accomplishments

(Hailey, Idaho)

The City of Hailey is the Valley's Best City in which to live for many reasons. Here are a few:

Hailey Ice opened the Campion Ice House and became Hailey's new place-to-be as sell-out crowds attended hockey games throughout the season.

The Hailey Wastewater Treatment Plant biosolids project reached substantial completion.

Hailey voters approved a levy for new infrastructure.

The Idaho Army National Guard leased their Armory facility to the City of Hailey for use by the Hailey Police Department.

Hailey Public Library renovated their interior, successfully implementing their Phoenix Project.

Hailey Public Works department maintained sidewalks all over downtown, improved many streets through an innovative new chip seal program, and cleaned up alleys through old Hailey.

Heagle Park received new playground equipment donated by Kiwanis Club of the Wood River Valley.

Balmoral Park received picnic tables and benches.

The Hailey Arena hosted a new Monster Truck event.

Hailey Fire Department supported other area wildland fires without (gratefully) having to fight local wildland fires of significance.

New businesses opened in town, and some existing businesses constructed significant improvements.

Churches in and adjacent to Hailey completed significant construction projects or renovations.

Tree trimming was conducted throughout old Hailey, with a portion of the work donated by Alpine Tree Service.

Friends of the Hailey Public Library hosted a garden tour through Old Hailey gardens.

Hailey Community Development Department produced an area trails map for visitors.

Hailey Arts and Historic Preservation Commission completed new pole banners at Werthheimer Park and window banners on Hailey City Hall.

Hailey Chamber of Commerce supported over a dozen major events in Hailey.
