Hailey City General Election Results

(Hailey, Idaho) The City of Hailey's general election is held every two years for the purpose of placing city council members in office. Two city council seats are up for election every two years, and seats are held for four-year terms.

The 2017 election resulted in the re-election of Martha Burke to Hailey City Council Seat No. 1. Ms. Burke has served on the city council continuously since first being elected in 1993. There are no term limits in Hailey.

Kaz Thea was elected to Hailey City Council Seat No. 2, and will be sworn into office during the first city council meeting of 2018, which will be held on Monday, January 8, 2016.

Hailey's ballot held two citizen sponsored initiatives, both of which sought amendments to Hailey's ordinances for the purpose of reducing some of the fees paid by businesses to the City of Hailey. Voters rejected both initiatives, electing instead to leave development impact fees and business license fees fully in place.
