If one of the applications described in this section is made and it is apparent that a subdivision of five or more lots may be further subdivided, any approved plat or other recordable instrument describing the entire Original Parcel shall contain a note or

provision (unless the Original Parcel is subject to a recorded restriction prohibiting future subdivision), advising future owners of all or part of the Original Parcel that a subsequent application described in this section cumulatively resulting in five or more lots or Dwelling Units will subject all or part of the Original Parcel to the requirement of providing Community Housing Units or alternatives in accordance with this ordinance.
