F. Pay Claims. It will pay and discharge any and all lawful claims for labor, materials, and supplies which, if unpaid, might by law become a lien or charge upon the Revenue of the System, or any part of said Revenue of the System, or any funds in the hands of the Treasurer, prior or superior to the lien of the Bond or which might impair the security of the Bond, to the end that the priority and security of the Bond shall be fully preserved and protected.

G. Encumbrances. It will not mortgage or otherwise encumber, sell, lease, or dispose of the System or any part thereof, nor enter into any lease or agreement which would impair or impede the operation of the System or any part thereof necessary to secure adequate revenues for the payment of the principal of and interest on the Bond, nor which would otherwise impair or impede the rights of the Registered Owner of the Bond with respect to such revenues of the operation of the System without provisions for the retirement of the Bond then outstanding from the proceeds thereof.

H. Insurance. It will procure and keep in force insurance upon all buildings and structures of the System and the machinery and equipment therein, which are usually insured by entities operating like property, in good and responsible insurance companies. The City further covenants and agrees:

A. In accordance with Section 149(a) of the Internal Revenue Code of 1986, as amended (the "Code"), the Bond, and any serial bonds to which it may be converted, shall be issued and remain in fully registered form in order that interest thereon be excluded from gross income of the owner or owners for federal income tax purposes. The City covenants and agrees that it will take no action to permit the Bond, or any serial bonds to which it may be converted, to be issued in or converted to bearer or coupon form.

B. None of the proceeds of the Bond will be used, directly or indirectly, (i) to make or finance loans to persons or (ii) in any trade or business carried on by any person (other than as a member of the general public). The City further covenants and agrees to take no action which would cause the Bond to become a "private activity bond," nor will it omit to take any action necessary to prevent the Bond from becoming a "private activity bond," within the meaning of Section 141 of the Code.

C. The Mayor, Clerk, and Treasurer, and other appropriate officials of the City, or any one or more of such officials, as may be appropriate, are each hereby authorized and directed to execute, on behalf of the City, such certificate or certificates as shall be necessary to establish that the Bond is not an "arbitrage bond" within the meaning of Section 148 of the Code and the Treasury Regulations promulgated thereunder, and to establish that interest on the Bond is not and will not become includable in the gross income of the Registered Owner of the Bond under the Code and applicable regulations. The City covenants and agrees that no use will be made of the proceeds of the Bond, or any funds of the City which may, pursuant to Section 148 of the Code and applicable regulations, be deemed to be proceeds of the Bond, which would cause the Bond to become an "arbitrage bond" within the meaning of Section 148 of the Code. The City further covenants to comply throughout the term of the Bond with the requirements of Section 148 of the Code and the regulations promulgated thereunder in order to prevent the Bond from becoming an "arbitrage bond."

D. The City will comply with the information reporting requirements of Section 149(e) of the Code.

E. None of the proceeds of the Bond will be used to reimburse the City for capital expenditures made prior to the date of delivery of the Bond unless the City, not later than 60

2. Reduce the aforesaid percentage of the Registered Owner required to approve any such supplemental ordinance.

It shall not be necessary for the consent of the Registered Owner under this subsection B to approve the particular form of any proposed supplemental ordinance, but it shall be sufficient if such consent shall approve the substance thereof.

C. Upon the adoption of any supplemental ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties, and obligations of the City under this Ordinance and the Registered Owner of the Bond outstanding hereunder shall thereafter be determined, exercised, and enforced thereunder, subject in all respects to such modification and amendments, and all terms and conditions of any such supplemental ordinance shall be deemed to be part of the terms and conditions of this Ordinance for any and all purposes.

D. Any bond executed and delivered after the execution of any supplemental ordinance adopted pursuant to the provisions of this Section may have a notation as to any matter provided for in such supplemental ordinance, and if such supplemental ordinance shall so provide, new bonds so modified as to conform, in the opinion of the Council, to any modification of this Ordinance contained in any such supplemental ordinance, may be prepared and delivered without cost to the Registered Owner of the Bond then outstanding, upon surrender for cancellation of the Bond.

By action or suit in equity, the Registered Owner or subsequent owners of the Bond may, in the event of a material violation of any of the foregoing covenants, cause the appointment of a receiver, which receiver may enter and take possession of the System and any Net Revenues for the payment of the Bond, prescribe fees to be derived from the System, and collect, receive, and apply all Net Revenues or other moneys pledged for the payment of the Bond in the same manner as the City might do in accordance with the obligations of the City. In addition, the Registered Owner shall have the remedies set forth in the Loan Agreement.

Section 17: ORDINANCE A CONTRACT

The provisions of this Ordinance shall constitute a contract between the City and the Registered Owner so long as the Bond hereby authorized remains unpaid.

Section 18: SEVERABILITY

If any one or more of the covenants or agreements provided in this Ordinance to be performed on the part of the City shall be declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements in this Ordinance and shall in no way affect the validity of the other provisions of this Ordinance or of the Bond.

Section 19: REPEALER

All other ordinances or parts thereof, to the extent inconsistent herewith, are hereby repealed and shall, to the extent of such inconsistency, have no further force or effect.

Section 20: AUTHORIZATION

The City has reserved the right, at its option, to prepay the principal amount outstanding, as provided in the Loan Agreement dated as of December 1, 2012, between the City and the Authority (the "Loan Agreement").

Interest on this Bond shall cease to accrue as to the amount of principal being prepaid after the date fixed for prepayment if notice has been properly given and funds equal to the amount of prepayment have been deposited at the place of payment at that time.

This Bond is issued for the purpose of paying the costs of currently refunding of the City's outstanding drinking water promissory note, pursuant to Idaho Code, Title 50, Chapter 10 and Title 57, Chapters 2, 5, and 9, and also pursuant to Ordinance No. 1113 of the City, adopted on November 19, 2012 (the "Bond Ordinance"). This Bond is a limited obligation of the City and is payable as to principal and interest solely from a special fund created by the Bond Ordinance and designated "City of Hailey Water Revenue Bond Fund" (the "Bond Fund"). For a more particular description of said Bond Fund, the revenues to be deposited therein, and the nature and extent of the security afforded thereby, reference is made to the provisions of the Bond Ordinance pursuant to which this Bond is issued, and such Bond Fund will be maintained.

This Bond is transferable by the registered owner hereof in person, or by his attorney duly authorized in writing, upon presentation and surrender of this Bond at the office of the Bond Registrar. Upon such transfer, a new Bond, of the same denomination, maturity, and interest rate, will be issued to the transferee, in exchange therefor.

Reference is hereby made to the Bond Ordinance for the covenants and declarations of the City and other terms and conditions under which this Bond has been issued. The covenants contained herein and in the Bond Ordinance may be discharged by making provision, at any time, for the payment of the principal of and interest on this Bond in the manner provided in the Bond Ordinance.

The City and the Bond Registrar may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payments of principal hereof and interest due hereon and for all other purposes, and neither the City nor the Bond Registrar shall be affected by any notice to the contrary.

IT IS HEREBY CERTIFIED AND DECLARED that all acts, conditions, and things required by the Constitution and statutes of the State of Idaho to exist, to have happened, been done, and performed precedent to and in the issuance of this Bond have happened, been done, and performed, and that the issuance of this Bond do not violate any Constitutional, statutory, or other limitation upon the amount of bonded indebtedness that the City may incur.

The Municipality also understands that said intercept procedures will provide funds to pay the Authority Bonds (not the Loan obligations).

(b) If the Municipality is unable to transfer all of its Repayment Installment to the Trustee at least 15 days before the Repayment Installment Date, the Municipality shall immediately notify the Trustee, the Authority and the State Treasurer by: (i) telephone; (ii) a writing sent by facsimile transmission; and (iii) a writing sent by first-class United States mail. If sufficient funds are not transferred to the Trustee for the Bonds of the Authority that are secured by this Loan Agreement at least ten (10) days before the scheduled debt service payment date of the Bonds, the Trustee shall transfer any available funds pledged to secure payment of the Bonds in sufficient amounts to make up any shortfall in the amount necessary to pay debt service on the Bonds on the scheduled payment date and deposit such amount in the debt service payment fund for those Bonds.

(c) If, as a result of the failure of the Municipality to make Repayment Installments in a timely manner, the Trustee shall transfer funds pursuant to paragraph (b) of this section to pay debt service on the Bonds or if there are not sufficient funds available pursuant to paragraph (b) of this section to make up for any shortfall in the amount necessary to pay debt service on the Bonds, at least ten (10) days before the scheduled debt service payment date of the Bonds, the Trustee shall notify the Authority and the State Treasurer by: (i) telephone; (ii) a writing sent by facsimile transmission; and (iii) a writing sent by first-class United States mail.

(d) To the extent provided and required by Section 67-8727, Idaho Code, as amended, and upon the notice provided in subsection (c) of this section, the State Treasurer shall (i) immediately intercept to the extent permitted by law any payments available from: (A) the receipts of any payment of property taxes; or (B) sales tax moneys that would be distributed pursuant to section 63-3638, Idaho Code; or (C) liquor tax moneys that would be distributed pursuant to Section 23-404, Idaho Code, as amended; or (D) any other source of operating moneys provided by the State to the Municipality that would otherwise be paid to the Municipality by the State.

(e) If the State has made all or part of a Repayment Installment on behalf of the Municipality from moneys representing sales tax receipts transferred from the State general fund pursuant to Section 67-8716, Idaho Code, the Municipality shall: (a) reimburse all moneys drawn by the State Treasurer on its behalf; (b) pay interest to the State on all moneys paid by the State from the date the moneys are drawn to the date they are repaid at a rate not less than the average prime rate for national money center banks plus five percent (5%); and (c) pay all penalties required by the Act.

(f) The State Treasurer shall establish the reimbursement interest rate after considering the circumstances of any prior draws by the Municipality on the State, market interest and penalty rates, and the cost of funds, if any, that were required to be borrowed by the State to make Repayment Installments.

(g) The State Treasurer may, after considering the circumstances giving rise to the failure of the Municipality to make its Repayment Installments in a timely manner, impose on the Municipality a penalty of not more than five percent (5%) of the amount paid by the State for each instance in which a payment by the State is made.

(h) (i) If the State Treasurer determines that amounts obtained under this section will not reimburse the State in full within one (1) year from the State's payment of the Municipality's scheduled Repayment Installments, the State Treasurer shall, subject to clause (ii) hereof, pursue any legal action, including mandamus, against the Municipality to compel it to take any action required by the Act, including:

(1) To the extent permitted by law provide System Net Revenues or other legally available funds to pay Repayment Installments when due; and

(2) Meet its repayment obligations to the State.

(ii) In pursuing its rights under paragraph (i) of this subsection (h), the State shall have the same substantive and procedural rights as would a holder of this Loan Agreement.

(iii) The attorney general shall assist the State Treasurer in these duties.

(iv) The Municipality shall pay the attorney's fees, expenses and costs of the State Treasurer and the State attorney general.

ARTICLE IV – SECURITY

Section 4.1 Pledge of System Net Revenues. All System Net Revenues and other legally available funds of the Municipality to be appropriated as needed to make the payments required under this Loan Agreement and the Municipal Bond, are hereby irrevocably pledged to the payment of the Repayment Installments as provided herein and the System Net Revenues and such other funds shall not be used for any other purpose while any of the Repayment Installments remain unpaid; *provided* that (i) any Parity Obligations shall be paid on parity with the Repayment Installments, (ii) out of the System Net Revenues and such other funds there may be apportioned such sums for such purposes as are expressly permitted herein. This pledge, together with the pledge created by all other Parity Debt, shall constitute a first lien on System Net Revenues and, subject to application of amounts on deposit therein as permitted herein, the Income Fund and other funds and accounts created hereunder

for the payment of the Repayment Installments and all other Parity Debt in accordance with the terms hereof and of the Trust Agreement.

Section 4.2 Allocation of System Revenues. In order to carry out and effectuate the pledge and lien contained herein, the Municipality agrees and covenants that all System Revenues shall be received by the Municipality in trust hereunder and shall be deposited when and as received in the "Water Revenue Fund", a special fund hereby designated as the "Income Fund", which fund is hereby established and which fund the Municipality agrees and covenants to maintain and to hold separate and apart from other funds so long as any Repayment Installments remain unpaid. To the extent the Municipality has an existing fund which satisfies the foregoing requirements, then such shall be deemed to be the "Income Fund" and the Municipality shall not be required to create a new fund. The Municipality may maintain separate accounts within the Income Fund. The amounts in the Income Fund shall be invested in investments permitted by State law. Moneys in the Income Fund shall be used and applied by the Municipality as provided in this Loan Agreement.

The Municipality shall, from the moneys in the Income Fund, pay all Operation and Maintenance Costs (including amounts reasonably required to be set aside in contingency reserves for Operation and Maintenance Costs, the payment of which is not then immediately required) as such Operation and Maintenance Costs become due and payable. Thereafter, all remaining moneys in the Income Fund shall be set aside by the Municipality at the following times for the transfer to the following respective special funds in the following order of priority; and all moneys in each of such funds shall be held in trust and shall be applied, used and withdrawn only for the purposes set forth in this Section.

(a) Repayment Installments. Not later than fifteen (15) days prior to each Repayment Installment Date, the Municipality shall, from the moneys in the Income Fund, transfer to the Trustee the Repayment Installment due and payable on that Repayment Installment Date. The Municipality shall also, from the moneys in the Income Fund, transfer to the applicable trustee, if any, for deposit in the respective payment fund, without preference or priority, and in the event of any insufficiency of such moneys ratably without any discrimination or preference, any other Parity Obligation Payments in accordance with the provisions of any Parity Obligation.

(b) Surplus. Moneys on deposit in the Income Fund not necessary to make any of the payments required above, may be expended by the Municipality at any time for any purpose permitted by law, including but not limited to payments with respect to Subordinate Obligations.

Section 4.3 Additional Parity Debt. The Municipality may at any time enter into any Parity Debt; *provided:*

(a) The Municipality shall be in compliance with all agreements, conditions, covenants and terms contained herein, and a Certificate of the Municipality to that effect shall have been filed with the Trustee;

(b) The Parity Debt shall have been duly authorized pursuant to all applicable laws;

(c) The most recent available audit of the Municipality shows that the System Net Revenues for the Fiscal Year immediately preceding the date of the resolution authorizing the Parity Debt shall have been sufficient to pay an amount representing 125% of Maximum Annual Debt Service;

(d) As an alternative to the audit report requirement in 4.3(c), the Municipality may utilize a report of the Consulting Engineer that shows that the System Net Revenues for the remainder of the projected life of the Parity Debt will be at least equal to 125% of the Maximum Annual Debt Service. In determining whether Parity Debt may be issued, the Consulting Engineer shall consider any probable increase (but not decrease) in Operation and Maintenance Costs, and there may be added to such System Net Revenues an allowance for net revenues from any improvements to the System to be made with the proceeds of such Parity Debt and also for net revenues from any improvements to the System which have been made from money from any source but which, during all or any part of such Fiscal Year, were not in service, all in an amount equal to 75% of the estimated additional average annual net revenues to be derived from each such improvement for the first 36 month period in which each such improvement is in operation.

Nothing contained in this Section shall limit the issuance of any additional obligations of the Municipality payable from the System Net Revenues and secured by a lien and charge on the System Net Revenues if, after the issuance and delivery of such additional obligations, none of the Repayment Installments shall be unpaid. Furthermore, nothing contained in this Section shall limit the issuance of any Parity Debt for the purpose of refunding Outstanding Parity Debt or for any Subordinate Obligations.

Section 4.4 Reserve Fund Deposit. If the Municipality fails to comply with the requirements as to System rates and charges set forth in Section 5.11 hereof or fails to maintain System Net Revenues, plus any credit from the Rate Stabilization Account in accordance with Section 4.5 and 4.6 hereof, equal to at least 150% of Annual Debt Service in any Fiscal Year and is unable to bring itself into compliance within 60 days after discovery by the Municipality of such failure, it shall immediately notify the Authority and the Trustee and shall establish from funds of the Municipality a Reserve Fund held by the Municipality funded in the amount of 2.5% of the outstanding principal balance of the Loan during the first succeeding Fiscal Year, 5.0% of the outstanding principal balance of the Loan in the second succeeding Fiscal Year, 7.5% of the outstanding principal balance of the Loan in the third succeeding Fiscal Year and 10% of the outstanding principal balance of the Loan in the fourth succeeding Fiscal Year and 10% of the outstanding principal balance of the Loan for each Fiscal Year, provided that at no time shall the amount in the Reserve Fund exceed the Reserve Requirement. The required percentage amounts shall be fully funded by the Municipality no later than the end of the applicable Fiscal Year. Such Reserve Fund shall secure only the Municipal Bond and shall be drawn upon if needed to

make the Repayment Installments hereunder. The Municipality shall notify the Trustee of any drawing on the Reserve Fund within ten (10) days of the date of such drawing. Provided further, in the event that a drawing on the said Reserve Fund in order to make the Repayment Installments by Municipality on the Loan results in a balance in such fund lower than the Reserve Requirement, the Municipality shall replenish said account to the Reserve Requirement from System Net Revenues as soon as possible but not later than one (1) year from the date of such drawing.

Section 4.5 Rate Stabilization Account. The Municipality shall establish and maintain a Rate Stabilization Account. Monies in the Rate Stabilization Account may be transferred as determined from time to time by the Municipality. The Municipality may transfer funds into the Rate Stabilization Account from the Income Fund (Water Revenue Fund) or any other legally available source. The Municipality may transfer funds into the Rate Stabilization Account or withdraw funds from the Rate Stabilization Account at any time without limitation subject to the following provisions.

(a) Money in the Rate Stabilization Account may be withdrawn at any time and used for any purpose for which System Revenues may be used. Amounts withdrawn from the Rate Stabilization Account shall increase System Revenues for the period for which they are withdrawn, and amounts deposited in the Rate Stabilization Account shall reduce System Revenues for the period for which they are deposited. Credits from the Rate Stabilization Account may be posted in accordance with governmental accounting practices and procedures. Credits to or from the Rate Stabilization Account may relate to a prior Fiscal Year consistent with governmental accounting practices and procedures provided that such credits occur within the first quarter following the prior Fiscal Year. Earnings on the Rate Stabilization Account shall be credited to the Income Fund (the Water Revenue Fund) and shall be included in the definition of System Revenues for purposes of calculating debt service coverage.

(b) Unless otherwise excluded, funds withdrawn from the Rate Stabilization Account shall be included as System Net Revenues for all rate requirement purposes under Section 5.11 hereof.

Section 4.6. Transfers from Rate Stabilization Account. The Municipality may transfer funds from the Rate Stabilization Account to satisfy the rate requirements in Section 5.11 hereof. If the Municipality transfers funds from the Rate Stabilization Account during the current Fiscal Year or within the first quarter of the following Fiscal Year and designates that such transfer shall relate to the immediately preceding Fiscal Year it covenants for the benefit of the Authority and its bondholders that going forward it will, as needed, charge rates and fees in connection with operation of the System which, when combined with other System Revenues, are adequate to generate System Net Revenues (exclusive of transfers from the Rate Stabilization Account) in the following Fiscal Year at least equal to 1.25 times the Annual Bond Debt Service due in that Fiscal Year. The Municipality will demonstrate its compliance with the provisions of this Section 4.6 by providing a report to the Authority and the Trustee, if any, at the time of delivery of the Municipality's year-end audit that the Municipality is not out of compliance with

Section 5.11. This report will demonstrate the Municipality's compliance with this covenant, or the methods by which the Municipality intends to achieve compliance with this covenant.

ARTICLE V - SPECIAL COVENANTS AND AGREEMENTS

Section 5.1 Punctual Payment. The Municipality will punctually pay all Repayment Installments in strict conformity with the terms hereof and will faithfully satisfy, observe and perform all agreements, conditions, covenants and terms hereof.

Section 5.2 Legal Existence. The Municipality will use all means legally available to maintain its existence.

Section 5.3 Against Encumbrances. The Municipality will not mortgage or otherwise encumber, pledge or place any charge upon any of the System Net Revenues except as provided herein, and will not issue any obligations secured by System Net Revenues senior to the Parity Debt; *provided*, that the Municipality may at any time issue any Subordinate Obligations.

Section 5.4 Against Sale or Other Disposition of the System. The Municipality will not sell or otherwise dispose of the System or any part thereof essential to the proper operation of the System or to the maintenance of the System Net Revenues, unless the Repayment Installments have been fully paid or provision has been made therefor in accordance with Article VIII hereof. The Municipality will not enter into any lease or agreement which impairs the operation of the System or any part thereof necessary to secure adequate System Net Revenues for the payment of the Repayment Installments, or which would otherwise impair the rights of the Owners with respect to the System Net Revenues or the operation of the System.

Section 5.5 Maintenance and Operation of System. The Municipality agrees that as long as it owns the System it will (i) maintain, or cause to be maintained, the System in as reasonably safe condition as its operations shall permit and (ii) maintain, or cause to be maintained, the System in good repair and in good operating condition, ordinary wear and tear excepted, making from time to time all necessary repairs thereto and renewals and replacements thereof.

Section 5.6 Right of Access to the System. The Municipality agrees that during the term of this Loan Agreement, the Authority, the Trustee and the duly authorized agents of either of them shall have the right at all reasonable times during normal business hours to enter upon the site of the System to examine and inspect such System; provided, however, that this right is subject to federal and State of Idaho laws and regulations applicable to such site. The rights of access hereby reserved to the Authority and the Trustee may be exercised only after such agent shall have executed release of liability (which release shall not limit any of the Municipality's obligations hereunder) and secrecy agreements if requested by the Municipality in the form then currently used by the Municipality, and if the Trustee is the signatory, as agreed to by the Trustee, and nothing contained in this Section or in any other provision of this Loan Agreement

shall be construed to entitle the Authority or the Trustee to any information or inspection involving the confidential knowledge of the Municipality.

Section 5.7 Tax Exempt Status of Bonds.

(a) It is the intention of the parties hereto that interest on the Bonds, shall be and remain excluded from gross income for federal income tax purposes. To that end, the covenants and agreements of the Authority and the Municipality in this Section and in the Tax Certificate are for the benefit of the Trustee and each and every person who at any time will be a holder of the Bonds and the Municipal Bond. Without limiting the generality of the foregoing, the Municipality and the Authority agree that there shall be paid from time to time the "Municipality's Share" of all amounts required to be rebated to the United States pursuant to the rebate requirement with respect to the Bonds (the "Rebate Requirement") under Section 148 of the Code and the Tax Certificate. The "Municipality's Share" means the amount of the Rebate Requirement relating to the Municipal Bond, determined as specified in the Tax Certificate, including (i) treating as the yield on the Municipal Bond the yield on the Bonds allocated to the Municipal Bond and (ii) treating any amounts held by the Authority and allocable to the Municipal Bond as proceeds of the Municipal Bond. This covenant shall survive payment in full or defeasance of the Bonds and the Municipal Bond. The Municipality specifically covenants to pay or cause to be paid for and on behalf of the Authority to the United States at the times and in the amounts determined under Section 7.03 of the Trust Agreement the Municipality's share of the Rebate Requirement as described in the Tax Certificate and the Trust Agreement. The Authority shall not be liable to make any such payment except from funds provided by the Municipality for such purpose.

(b) The Authority covenants and agrees that it has not taken and will not take any action which results in interest to be paid on the Bonds being included in gross income of the holders of the Bonds for federal income tax purposes, and the Municipality covenants and agrees that it has not taken or permitted to be taken and will not take or permit to be taken any action which will cause the interest on the Bonds to become includable in gross income for federal income tax purposes. The Municipality acknowledges having read Section 7.03 of the Trust Agreement and agrees to perform all duties imposed on it by such Section, by this Section and by the Tax Certificate. Insofar as Section 7.03 of the Trust Agreement and the Tax Certificate impose duties and responsibilities on the Authority or the Municipality, they are specifically incorporated herein by reference.

(c) Notwithstanding any provision of this Section 5.7 or Section 7.03 of the Trust Agreement, if the Municipality shall provide to the Authority and the Trustee an Opinion of Bond Counsel to the effect that any specified action required under this Section 5.7 and Section 7.03 of the Trust Agreement is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the Bonds or Municipal Bond, the Municipality, the Trustee and the Authority may

conclusively rely on such opinion in complying with the requirements of this Section, and the covenants set forth in this Section 5.7 shall be deemed to be modified to that extent.

(d) The Municipality agrees to comply with the Authority's Post Issuance Tax Compliance Procedures, the current form of which is attached hereto as Exhibit F.

Section 5.8 Notices to Trustee and Authority. The Municipality hereby agrees to provide the Trustee and the Authority with notice of any event of which it has knowledge which, with the passage of time or the giving of notice, would be an Event of Default, such notice to include a description of the nature of such event and what steps are being taken to remedy such Event of Default.

Section 5.9 Continuing Disclosure. The Municipality hereby covenants and agrees to comply with the continuing disclosure requirements for the Bonds as promulgated under Rule 15c2-12, as it may from time to time hereafter be amended or supplemented, including those requirements set forth below. Notwithstanding any other provision of this Agreement, failure of the Municipality to comply with the requirements of Rule 15c2-12 applicable to the Bonds, as it may from time to time hereafter be amended or supplemented, shall not be considered an Event of Default hereunder or under the Trust Agreement; however, any Bondholder or beneficial owner of any Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Municipality to comply with its obligations pursuant to this Section 5.9.

(a) **Definitions.** In addition to the definitions set forth in the Trust Agreement, which apply to any capitalized term used in this Section unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

"Annual Report" shall mean any Annual Report provided by the Municipality pursuant to, and as described in, Sections 5.9(b) and 5.9(c).

(b) Provision of Annual Reports.

(i) The Municipality shall, with the assistance of the Dissemination Agent, not later than six months after the end of the Municipality’s fiscal year (presently September 30), commencing with the report for the 2012 Fiscal Year, provide to the Repository and the Authority an Annual Report which is consistent with the requirements of Section 5.9(c) hereof. The filing shall be transmitted by the Dissemination Agent to the Repository and each Annual Report must be submitted in electronic format, accompanied by such identifying information as is prescribed by the Repository, and may include by reference other information as provided in Section 5.9(c) hereof; provided that the audited financial statements of the Municipality may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if they are not available by that date. If the Municipality’s fiscal year changes, it shall give notice of such change in the same manner as for a Listed Event under Section 5.9(d)(vii).

(ii) Not later than fifteen (15) Business Days prior to the date specified in subsection (b)(i) for providing the Annual Report to the Repository, the Municipality shall provide the Annual Report, to the Dissemination Agent, to the Trustee (if the trustee is not the Dissemination Agent) and to the Authority. If by fifteen (15) Business Days prior to the date specified in subsection (b)(i), the

Dissemination Agent has not received a copy of the Annual Report, the Dissemination Agent shall contact the Municipality to determine if the Municipality is unable to provide or cause to be provided the Annual Report to the Dissemination Agent in compliance with the first sentence of this subsection (ii). Failure to provide the Annual Report to the Dissemination Agent by said date may subject the Municipality to late fees in the amount as listed on Exhibit E and payment of any expenses of the Trustee or the Authority in enforcing this provision. If the Municipality has prior loans with the Authority, then those loans shall be subject to the same provisions.

(iii) If the Dissemination Agent is unable to verify that an Annual Report has been provided to the Repository by the date required in subsection (i) the Dissemination Agent shall send a notice to the Repository in substantially the form as Exhibit D2 attached.

(iv) The Dissemination Agent (currently the Trustee) shall:

(1) determine each year prior to the date for providing the Annual Report the name and address of the Repository; and

(2) file a report with the Municipality, the Authority and the Trustee (if the Dissemination Agent is not the Trustee) certifying that the Annual Report has been provided pursuant to this Disclosure Agreement, stating the date it was provided to the Repository.

(c) Content of Annual Reports. The Municipality's Annual Report shall contain or include by reference the following:

(i) The audited financial statements for the Municipality for the most recently ended fiscal year, currently prepared, to the extent feasible, in substantial conformance with generally accepted accounting principles applicable from time to time to governmental entities, with any permitted exception and an adopted budget for the then current fiscal year.

(ii) An Annual Report in the form attached hereto as Exhibit D1 as to outstanding debt, litigation, compliance with regulatory matters and related items.

(d) Reporting of Significant Events.

(i) Pursuant to the provisions of this Section 5, the Municipality shall give or cause to be given, notice of the occurrence of any of the following Events with respect to the Bonds in a timely manner not more than ten (10) Business Days after the event:

- (1) Principal and interest payment delinquencies.
 - (2) Unscheduled draws on debt service reserves reflecting financial difficulties;
 - (3) Unscheduled draws on credit enhancements reflecting financial difficulties;
 - (4) Substitution of credit or liquidity providers, or their failure to perform;
 - (5) Adverse tax opinions or the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds;
 - (6) Defeasances;
 - (7) Tender offers;
 - (8) Bankruptcy, insolvency, receivership or similar proceedings;
 - (9) Rating changes;
- (ii) Pursuant to the provisions of this Section 5, the Borrower shall give or cause to be given, notice of the occurrence of any of the following Events with respect to the Bonds in a timely manner not more than ten (10) Business Days after the event, if material:
- (1) Mergers, consolidations, acquisitions, the sale of all or substantially all of the assets of the obligated persons or their termination.
 - (2) Appointment of a successor or additional trustee or the change of the name of trustee;
 - (3) Non-payment related defaults;
 - (4) Modifications to the rights of the owners of the Bonds;
 - (5) Bond calls;
 - (6) Release, substitution or sale of property securing repayment of the Bonds.

(iii) The Dissemination Agent shall, within one (1) Business Day of obtaining actual knowledge of the occurrence of any of the Listed Events, contact the Disclosure Representative, inform such person of the event, and request that the Municipality promptly notify the Dissemination Agent in writing whether or not to report the event pursuant to subsection (vii). The Dissemination Agent shall have no duty or obligation to determine whether such Listed Events reflect financial difficulty or to determine the materiality of such Listed Events when informing the Disclosure Representative of such Listed Event.

(iv) Whenever the Municipality obtains knowledge of the occurrence of a Listed Event under (ii) whether because of a notice from the Dissemination Agent pursuant to subsection (iii) or otherwise, the Municipality shall as soon as possible determine if such event would be material under applicable federal securities laws.

(v) If the Municipality has determined that knowledge of the occurrence of a Listed Event under (ii) would be material under applicable federal securities laws, the Municipality shall promptly notify the Dissemination Agent in writing. Such notice shall instruct the Dissemination Agent to report the occurrence pursuant to subsection (vii).

(vi) If in response to a request under subsection (iii), the Municipality determines that the Listed Event would not be material under applicable federal securities laws, the Municipality shall so notify the Dissemination Agent in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (vii).

(vii) If the Dissemination Agent has been instructed by the Municipality to report the occurrence of a Listed Event, the Dissemination Agent shall file a notice of such occurrence with the Repository:

(e) Termination of Reporting Obligation. The Municipality's obligations under this Disclosure Agreement shall terminate upon the legal defeasance or discharge of this Loan Agreement in accordance with Section 8.1. If such termination occurs prior to the final maturity of the Municipal Bonds, the Municipality shall give notice of such termination in the same manner as for a Listed Event under Section 5.9(d)(vii).

(f) Dissemination Agent. The Municipality may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement and shall pay the fees and costs thereof, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the Municipality pursuant to this Disclosure Agreement. The initial Dissemination Agent shall be the Trustee. It is understood and agreed that any

information that the Dissemination Agent may be instructed to file with the Municipal Securities Rulemaking Board and the Repository shall be prepared and provided to it by the Municipality. The fact that the Dissemination Agent or any affiliate thereof may have any fiduciary or banking relationship with the Municipality shall not be construed to mean that the Dissemination Agent has actual knowledge of any event or condition except as may be provided by written notice from the Municipality as the Authority.

(g) Amendment; Waiver. Notwithstanding any other provision of this Section 5.9, the Municipality and the Authority (or upon assignment of this Loan Agreement by the Authority, the Trustee) may amend this Section 5.9 (and the Trustee shall agree to any amendment so reasonably requested by the Municipality, to the extent that such amendment does not adversely affect the Trustee's or the Dissemination Agent's rights, protections or duties), and any provision of this Section 5.9 may be waived, provided that the following conditions are satisfied:

(i) If the amendment or waiver relates to the provisions of Section 5.9(b)(i), Section 5.9(c), or Section 5.9(d)(i) or (ii), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(ii) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(iii) The amendment or waiver either (1) is approved by the Owners of the Bonds in the same manner as provided in the Trust Agreement for amendments to the Trust Agreement with the consent of Owners, or (2) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners and Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Section 5.9, the Municipality shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Municipality. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (1) notice of such change shall be given in the same manner as for a Listed Event under Section 5.9(d)(vi), and (2) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

(h) Additional Information. Nothing in this Section 5.9 shall be deemed to prevent the Municipality from disseminating any other information, using the means of dissemination set forth in this Section 5.9 or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Section 5.9. If the Municipality chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Section 5.9, the Municipality shall have no obligation under this Section 5.9 to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

(i) Duties, Immunities and Liabilities of Trustee and Dissemination Agent. The Dissemination Agent (if other than the Trustee or the Trustee in its capacity as Dissemination Agent) shall have only such duties as are specifically set forth in this Section 5.9, and the Municipality agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees and expenses) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the Municipality under this Section shall survive resignation or removal of the Dissemination Agent and payment of this Loan Agreement. The Dissemination Agent shall have the same rights and protections as afforded to it in its role as trustee under the Trust Agreement.

(j) Notices. Any notices or communications to or among any of the parties to this Section 5.9 may be given at their addresses as set forth in the Trust Agreement and this Loan Agreement.

(k) Beneficiaries. This Section 5.9 shall inure solely to the benefit of the Municipality, the Authority, the Trustee, the Dissemination Agent, the Participating Underwriters, Beneficial Owners and Owners from time to time of the Bonds, and shall create no rights in any other person or entity.

Section 5.10 Eminent Domain Proceeds. If all or any part of the System shall be taken by eminent domain proceedings, the Net Proceeds realized by the Municipality therefrom shall be deposited by the Municipality with the Trustee in a special fund which the Trustee shall establish as needed in trust and applied by the Municipality to the cost of acquiring and constructing additions, betterments, extensions or improvements to the System if (A) the Municipality first secures and files with the Trustee a Certificate of the Municipality showing (i) the loss in annual System Revenues, if any, suffered, or to be suffered, by the Municipality by reason of such eminent domain proceedings, (ii) a general description of the additions, betterments, extensions or improvements to the System then proposed to be acquired and constructed by the Municipality from such proceeds, and (iii) an estimate of the additional System Revenues to be derived from

such additions, betterments, extensions or improvements; and (B) the Trustee has been furnished a Certificate of the Municipality, certifying that such additional System Revenues will sufficiently offset on a timely basis the loss of System Revenues resulting from such eminent domain proceedings so that the ability of the Municipality to pay Repayment Installments when due will not be substantially impaired, and such Certificate of the Municipality shall be final and conclusive, and any balance of such Net Proceeds not required by the Municipality for such purpose shall be deposited in the Income Fund and applied as provided in Section 4.2 hereof, *provided*, that if the foregoing conditions are not met, then such Net Proceeds shall be deposited with the Trustee and applied to make Repayment Installments as they come due and Parity Obligation Payments as they shall become due; *provided further* that the foregoing procedures for the application of Net Proceeds shall be subject to any similar provisions for Parity Debt on a pro rata basis.

If such eminent domain proceedings have had no effect, or at most an immaterial effect, upon the System Revenues and the security of the Repayment Installments, and a Certificate of the Municipality to such effect has been filed with the Trustee, then the Municipality shall forthwith deposit such Net Proceeds in the Income Fund, to be applied as provided in Section 4.2 hereof.

Section 5.11 Amounts of Rates, Fees and Charges.

(a) The Municipality will, at all times while any of the Repayment Installments remain unpaid, fix, prescribe and collect rates, fees and charges and manage the operation of the System for each Fiscal Year so as to yield System Revenues at least sufficient, after making reasonable allowances for contingencies and errors in the estimates, to pay the following amounts during such Fiscal Year:

- (i) All current Operation and Maintenance Costs.
- (ii) The Repayment Installments and the payments for the other Parity Debt and the payment of the Subordinate Obligations as they become due and payable.
- (iii) All payments required for compliance with the terms hereof.
- (iv) All payments to meet any other obligations of the Municipality which are charges, liens or encumbrances upon, or payable from, the System Net Revenues.

(b) In addition to the requirements of the foregoing subsection (a) of this Section, the Municipality will, at all times while any Repayment Installments remain unpaid, to the maximum extent permitted by law, fix, prescribe and collect rates, fees and charges and manage the operation of the System for each Fiscal Year, plus any credits from the Rate Stabilization Account in accordance with Sections 4.5 and 4.6 hereof, so as to yield System Net Revenues during such Fiscal Year equal to at least 125% of the Annual Debt Service in such Fiscal Year. If the Municipality is unable to meet this requirement, it will

retain a Consulting Engineer to provide recommendations or adjustments to rates or modifications to operations to produce the necessary amount of System Net Revenues specified above in this subsection of this Loan Agreement.

(c) If Municipality shall fail to comply with Section 5.11(a) or (b) above and is unable to bring itself into compliance within sixty (60) days thereafter, it shall immediately notify the Authority and the Trustee.

The Municipality may make or permit to be made adjustments from time to time in such rates, fees and charges and may make or permit to be made such classification thereof as it deems necessary, but shall not reduce or permit to be reduced such rates, fees and charges below those then in effect unless the System Revenues from such reduced rates, fees and charges will at all times be sufficient to meet the requirements of this Section.

Section 5.12 Enforcement of and Performance Under Contracts. The Municipality shall enforce all material provisions of any contracts to which it is a party, an assignee, successor in interest to a party or third-party beneficiary, in any case where such contracts provide for material payments or services to be rendered to the System. Further, the Municipality will comply with, keep, observe and perform all material agreements, conditions, covenants and terms, express or implied, required to be performed by it, contained in all contracts affecting or involving the System, to the extent that the Municipality is a party thereto.

Section 5.13 Collection of Charges, Fees and Rates. The Municipality will have in effect at all times rules and regulations requiring each user of the System to pay the applicable charges, fees and rates and providing for the billing thereof and for a due date and a delinquency date for each bill. In each case where such bill remains unpaid in whole or in part after it becomes delinquent, the Municipality will enforce the collection procedures contained in such rules and regulations.

Section 5.14 No Free Service. The Municipality will not permit any part of the System or any facility thereof to be used or taken advantage of free of charge by any corporation, firm or person, charitable organization, or by any public agency (including the State of Idaho and any municipality, county, public agency, political subdivision, public corporation or agency or any subsidiary thereof), unless otherwise required by law or existing written agreements.

Section 5.15 Payment of Claims. The Municipality will pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the System or upon the System Net Revenues or any part thereof, or upon any funds held by the Trustee, or which might impair the security of the Repayment Installments; *provided*, that nothing herein contained shall require the Municipality to make any such payments so long as the Municipality in good faith shall contest the validity of any such claims and such nonpayment will not materially adversely affect the Municipality's ability to perform its obligations hereunder.

Section 5.16 Books of Record and Accounts; Financial Statements. The Municipality will keep proper books of record and accounts in which complete and correct entries shall be made of all transactions relating to the System and the Income Fund, and upon request will provide information concerning such books of record and accounts to the Trustee.

The Municipality will prepare annually, not later than one hundred eighty (180) days after the close of each Fiscal Year, so long as any Repayment Installments remain unpaid, an audited financial statement of the Municipality relating to the Income Fund and all other accounts or funds established pursuant hereto for the preceding Fiscal Year prepared by an Independent Certified Public Accountant, showing the balances in each such account or fund as of the beginning of such Fiscal Year and all deposits in and withdrawals from each such account or fund during such Fiscal Year and the balances in each such account or fund as of the end of such Fiscal Year, which audited financial statement shall include a statement as to the manner and extent to which the Municipality has complied with the provisions hereof. Failure to furnish said audited financial statements within said time may subject the Municipality to late charges by the Authority. The Municipality will furnish a copy of such audited financial statement to the Trustee upon request, and will furnish such reasonable number of copies thereof to investment bankers, security dealers and others interested in the Bonds.

Section 5.17 Payment of Taxes and Other Charges and Compliance With Governmental Regulations. The Municipality will pay and discharge all taxes, service charges, assessments and other governmental charges which may hereafter be lawfully imposed upon the System or any properties owned by the Municipality, or upon the System Revenues, when the same shall become due; *provided*, that nothing herein contained shall require the Municipality to make any such payments so long as the Municipality in good faith shall contest the validity of any such taxes, service charges, assessments or other governmental charges and such nonpayment will not materially adversely affect the Municipality's ability to perform its obligations hereunder.

The Municipality will duly comply with all applicable State, federal and local statutes and all valid regulations and requirements of any governmental authority relative to the operation of the System or any part thereof, but the Municipality shall not be required to comply with any regulations or requirements so long as the validity or application thereof shall be contested in good faith and such noncompliance will not materially adversely affect the Municipality's ability to perform its obligations hereunder.

Section 5.18 Maintenance of Insurance. The Municipality agrees to maintain fire and extended coverage insurance on the System in such minimum amounts as are reasonable and prevalent for similar municipalities and systems in the State of Idaho and worker's compensation coverage on all full-time employees working on, in, near or about the System in accordance with applicable State laws. The Municipality may self-insure against such risks. The Municipality shall provide evidence of such insurance to the Authority or the Trustee, respectively, upon written request of either the Authority or the Trustee.

Section 5.19 Delivery of Closing Documents. The Municipality agrees to execute and deliver on the Closing Date the certificates attached hereto as Exhibit C.

Section 5.20 Authority Fees. The Municipality is paying to the Authority an Application Fee of \$500.00 which may be credited against the Authority Fee. The Municipality shall pay to the Authority the Authority Fee at the closing of the Loan and Annual Expense Charges each year.

ARTICLE VI - EVENTS OF DEFAULT AND REMEDIES

Section 6.1 Events of Default. Any one of the following which occurs and continues shall constitute an Event of Default pursuant to this Loan Agreement:

- (a) failure by the Municipality to transmit to the Trustee any Repayment Installment by the 15th day prior to the respective Repayment Installment Date; or
- (b) failure of the Municipality to observe and perform any covenant, condition or agreement on its part required to be observed or performed by this Loan Agreement, other than making the payments referred to in (a) above, which continues for a period of sixty (60) days after written notice, which notice shall specify such failure and request that it be remedied, given to the Municipality by the Authority or the Trustee, unless the Authority and the Trustee (at the direction of the Authority) shall agree in writing to an extension of such time; provided, however, that if the failure stated in the notice cannot be corrected within such period, the Authority and the Trustee (at the direction of the Authority) will not unreasonably withhold their consent to an extension of such time if corrective action is instituted within such period and diligently pursued until the default is corrected.

The provisions of subsection (b) of this Section are subject to the limitation that the Municipality shall not be deemed in default if and so long as the Municipality is unable to carry out its agreements hereunder by reason of strikes, lockouts or other industrial disturbances; acts of public enemies; orders of any kind of the government of the United States or of the State of Idaho or any of their departments, agencies, or officials, or any civil or military authority; insurrections, riots, epidemics, landslides; lightning; earthquake; fire; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions; breakage or accident to machinery, transmission pipes or canals; partial or entire failure of utilities; or any other cause or event not reasonably within the control of the Municipality; it being agreed that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the Municipality, and the Municipality shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is, in the judgment of the Municipality, unfavorable to the Municipality. This limitation shall not apply to any default under subsection (a) of this Section.

Section 6.2 Remedies On Default. Whenever any Event of Default shall have occurred and shall continue, the following remedies may be pursued with respect to the Trustee, subject to its rights and protections under the Trust Agreement:

(a) The Trustee shall have access to and the right to inspect, examine and make copies of the books and records and any and all accounts and data of the Municipality.

(b) The Authority or the Trustee may take whatever action at law or in equity as may be necessary or desirable to collect the payments and other amounts then due and thereafter to become due or to enforce performance and observance of any obligation, agreement or covenant of the Municipality under this Loan Agreement including without limitation taking the actions under Section 3.6 hereof.

In case the Trustee or the Authority shall have proceeded to enforce its rights under this Loan Agreement and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or the Authority, then, and in every such case, the Municipality, the Trustee and the Authority shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Municipality, the Trustee and the Authority shall continue as though no such action had been taken (provided, however, that any settlement of such proceedings duly entered into by the Authority, the Trustee or the Municipality shall not be disturbed by reason of this provision).

In case the Municipality shall fail forthwith to pay amounts due by reason of this Section 6.2 upon demand of the Trustee, the Trustee shall be entitled and empowered to institute any action or proceeding at law or in equity for the collection of the sums so due and unpaid, and may prosecute any such action or proceeding to judgment or final decree, and may enforce any such judgment or final decree against the Municipality and collect in the manner provided by law the moneys adjudged or decreed to be payable.

In case proceedings shall be pending for the bankruptcy or for the reorganization of the Municipality under the federal bankruptcy laws or any other applicable law, or in case a receiver or trustee shall have been appointed for the property of the Municipality or in the case of any other similar judicial proceedings relative to the Municipality, or the creditors or property of the Municipality, then the Trustee shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount owing and unpaid pursuant to this Loan Agreement and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee allowed in such judicial proceedings relative to the Municipality, its creditors or its property, and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute such amounts as provided in the Trust Agreement after the deduction of its charges and expenses. Any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized to make such payments to the Trustee, and to pay to the Trustee any amount due it for compensation and expenses, including expenses and fees of counsel incurred by it up to the date of such distribution.

Section 6.3 Agreement to Pay Attorneys' Fees and Expenses. In the event the Municipality should default under any of the provisions of this Loan Agreement and the Authority or the Trustee should employ attorneys or incur other expenses for the collection of the payments due under this Loan Agreement or the enforcement of performance or observance of any obligation or agreement on the part of the Municipality herein contained, the Municipality agrees to pay to the Authority or the Trustee the reasonable fees and expenses of such attorneys and such other expenses so incurred by the Authority or the Trustee.

Section 6.4 No Remedy Exclusive. No remedy herein conferred upon or reserved to the Authority or the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. Such rights and remedies as are given the Authority hereunder shall also extend to the Trustee, and the Trustee and the holders of the Bonds shall be deemed third party beneficiaries of all covenants and agreements herein contained.

Section 6.5 No Additional Waiver Implied by One Waiver. In the event any agreement or covenant contained in this Loan Agreement should be breached by the Municipality and thereafter waived by the Authority or the Trustee, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 6.6 No Cross Default. The Municipality shall not be liable for the failure of any other municipality to make payments with respect to the Bonds. The occurrence of any Event of Default of any other municipality under such municipality's loan agreement shall not constitute an Event of Default of the Municipality under this Loan Agreement.

ARTICLE VII - PREPAYMENT

Section 7.1 Redemption of Bonds with Prepayment Moneys. By virtue of the assignment of certain of the rights of the Authority under this Loan Agreement to the Trustee as is provided in Section 3.4 hereof, the Municipality agrees to and shall pay directly to the Trustee any amount permitted or required to be paid by it under this Article VII. The Trustee shall use the moneys so paid to it by the Municipality to effect redemption of the Bonds as set forth in this Article on the date specified for such redemption. The principal component of the Repayment Installments to be prepaid shall correspond in amount and maturity date to the Bonds related to this Loan Agreement.

Section 7.2 Option to Prepay Installments. The Repayment Installments specified in Schedule 1 attached hereto are subject to prepayment at the option of the Municipality on the dates and in the amounts as set forth in Schedule 1 which shall be consistent with the terms for redemption of the Authority Bonds.

Section 7.3 Amount of Prepayment. In the case of a prepayment, of the entire amount due hereunder pursuant to Section 7.2 hereof, the amount to be paid shall be a sum sufficient, together with other funds and (as such sufficiency is evidenced by a verification report of an Independent Certified Public Accountant) the yield on any securities deposited with the Trustee and available for such purpose, to pay all Repayment Installments thereafter due. In any event, any prepayment of Repayment Installments shall include sufficient funds to pay all principal, accrued interest, premium, if any, and other costs related to the redemption of the Authority's Bonds to be redeemed as a result of such prepayment.

Section 7.4 Notice of Prepayment. The Municipality shall give sixty days' prior written notice to the Authority and the Trustee specifying the date upon which any prepayment pursuant to this Article VII will be made. The Authority and the Trustee, at the request of the Municipality, shall forthwith take all steps necessary under the applicable provisions of the Trust Agreement (except that the Authority shall not be required to make payment of any money required for such redemption) to effect redemption of the part of the then outstanding Bonds related to this Loan Agreement, as the case may be, on the earliest practicable date thereafter, on or after the proposed prepayment date, on which such redemption may be made under applicable provisions of the Trust Agreement.

Notwithstanding anything to the contrary in this Loan Agreement, each notice contemplated in this Section 7.4 that is given with respect to an optional prepayment pursuant to Section 7.2 hereof may state that it is subject to and conditional upon receipt by the Trustee on or prior to the proposed prepayment date of amounts sufficient to effect such prepayment and, if a notice so states, such notice shall be of no force and effect and the prepayment need not be made and the Repayment Installments will not become due and payable on the proposed prepayment date unless such amounts are so received on or prior to the proposed prepayment date.

ARTICLE VIII - DISCHARGE OF OBLIGATIONS

Section 8.1 Discharge and Defeasance of Obligations.

(a) The Repayment Installments shall be discharged to the extent the Bonds are discharged under the Trust Agreement. The principal components of the Repayment Installments to be discharged shall correspond in amount and maturity date to the Bonds related to this Loan Agreement.

(b) If the Municipality shall pay or cause to be paid or there shall otherwise be paid to the Trustee all of the Repayment Installments at the times and in the manner stipulated herein, and the Municipality shall pay in full all other amounts due hereunder, then all agreements, covenants and other obligations of the Municipality hereunder shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall execute and deliver to the Municipality all such instruments as may be necessary or desirable and prepared by or on behalf of the Municipality to evidence such discharge and satisfaction.

(c) Any Repayment Installments shall prior to the Repayment Installment Date or prepayment date thereof be deemed to have been paid within the meaning of and with the effect expressed in subsection (b) of this Section if (1) in case any of such Repayment Installments are to be prepaid, the Municipality shall have given to the Authority and Trustee in form satisfactory to it irrevocable instructions to provide notice in accordance with this Loan Agreement, (2) there shall have been deposited with the Trustee (A) money in an amount which shall be sufficient and/or (B) Government Securities, the interest on and principal of which when paid will provide money which, together with the money, if any, deposited with the Trustee at the same time, shall be sufficient, in the opinion of an Independent Certified Public Accountant, to transmit and pay when due the Repayment Installments on and prior to the Repayment Installment Dates or prepayment date thereof, as the case may be, and the prepayment premiums, if any, on such Repayment Installments, and (3) an Opinion of Counsel to the effect that such treatment will not adversely affect the tax-exempt status of interest on any Bonds hereunder, provided that this Agreement shall not be discharged and satisfied until all Repayment Installments have been paid or are deemed to have been paid as provided above.

ARTICLE IX - NON-LIABILITY OF AUTHORITY; EXPENSES; INDEMNIFICATION

Section 9.1 Non-Liability of Authority. The Authority shall not be obligated to pay the principal of, or premium, if any, or interest on the Bonds, or to discharge any other financial liability (including but not limited to financial liability under Section 5.7 hereof) in connection herewith, except from, and to the extent of, payments made by the Municipality under this Loan Agreement, or through the State intercept provided under Section 3.6 of this Loan Agreement and Section 67-8727, Idaho Code, as amended. The Municipality hereby acknowledges that the Authority's sole source of moneys to repay the Bonds will be provided by the payments made by the Municipality pursuant to this Loan Agreement (excluding payments to the Authority or the Trustee pursuant to Section 5.7 and 9.3 of this Loan Agreement) and payments from other participating Municipalities and the State intercept provided under Section 67-8727, Idaho Code, as amended.

Section 9.2 Liability of Municipality Limited to System Revenues and Other Funds. The Municipality shall not be required to advance any moneys derived from any source of income other than the System Revenues, the Income Fund and the other funds provided herein for the

payment of the Repayment Installments or for the performance of any agreements or covenants required to be performed by it contained herein. The Municipality may, however, advance moneys for any such purpose so long as such moneys are derived from a source legally available for such purpose and may be legally used by the Municipality for such purpose.

The obligation of the Municipality to make the Repayment Installments is a special obligation of the Municipality payable solely from the System Net Revenues and the other legally available funds provided for herein (except as provided in Section 3.6 or elsewhere herein), and does not constitute a debt of the Municipality or of the State of Idaho or of any political subdivision thereof in contravention of any constitutional or statutory debt limitation or restriction.

Section 9.3 Indemnification. The Municipality releases the Authority and the Trustee from, and covenants and agrees that neither the Authority nor the Trustee shall be liable for, and covenants and agrees, to the extent permitted by law, to indemnify, defend and hold harmless the Authority and the Trustee and their officers, directors, elected officials, employees and agents from and against, any and all losses, claims, damages, liabilities or expenses, of every conceivable kind, character and nature whatsoever arising out of, resulting from or in any way connected with the financing or refinancing of the Project, or the conditions, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation or construction of the Project or any part thereof.

ARTICLE X - MISCELLANEOUS

Section 10.7 Term of the Loan Agreement. This Loan Agreement shall be in full force and effect from the date hereof and shall continue in effect as long as the Municipal Bond is outstanding; provided, however, that the rights of the Trustee and the Authority under Section 9.3 hereof shall survive the termination of this Loan Agreement, the retirement of the Bonds and the removal or resignation of the Trustee. Post Issuance Tax Compliance Procedures
(attached)

Idaho Bond Bank Authority
Post-Issuance Tax Compliance Procedures
For Tax-Exempt Bonds

February 13, 2012

The purpose of these Post-Issuance Tax Compliance Procedures is to establish policies and procedures in connection with tax-exempt bonds ("Bonds") issued by the Idaho Bond Bank Authority (the "Authority") so as to ensure that the Authority complies with all applicable post-issuance requirements of federal income tax law needed to preserve the tax-exempt status of the Bonds. The Authority reserves the right to use its discretion as necessary and appropriate to make exceptions or request additional provisions as circumstances warrant. The Authority also reserves the right to change these policies and procedures from time to time.

General

Inasmuch as the Authority is a responsible conduit issuer authorizing the issuance of Bonds for eligible borrowers (each, a "Borrower"), the Authority now identifies post-issuance tax compliance procedures for all Bonds issued by the Authority for Borrowers, as well as the Authority's expectations of and requirements for all Borrowers concerning these procedures. For tax-exempt bonds issued by the Authority, each loan ("Loan") to each Borrower will be a tax-exempt obligation, as evidenced by an unqualified opinion of bond counsel to each Borrower. Ultimate responsibility for all matters relating to Authority financings and refinancings rests with the Authority Executive Director (the "Executive Director"). Ultimate responsibility for all matters relating to Loans rests with the corresponding officer at each Borrower.

Post-Issuance Compliance Requirements

External Advisors Documentation

The Executive Director and other appropriate Authority personnel and the corresponding personnel of each Borrower shall consult with bond counsel and other legal counsel and advisors, as needed, throughout the Bond issuance process to identify requirements and to establish procedures necessary or appropriate so that the Bonds will continue to qualify for the appropriate tax status. Those requirements and procedures shall be documented in Authority and Borrower resolutions, Tax Certificates and / or other documents finalized at or before issuance of the Bonds. Those requirements and procedures shall include future compliance with applicable arbitrage rebate requirements and all other applicable post-issuance requirements of federal tax law throughout (and in some cases beyond) the term of the Bonds or the Loan, as appropriate.

The Executive Director and other appropriate Authority personnel and the corresponding personnel of each Borrower also shall consult with bond counsel and other legal counsel and advisors, as needed, following issuance of the Bonds to ensure that all applicable post-issuance requirements in fact are met. This shall include, without limitation, consultation in connection with future contracts with respect to the use of Bond-financed assets and future contracts with respect to the use of output or throughput of Bond- financed assets.

Whenever necessary or appropriate, the Authority shall engage expert advisors (each a "Rebate Service Provider") to assist in the calculation of arbitrage rebate payable in respect of the investment of Bond proceeds.

Role of the Authority as Bond Issuer

Unless otherwise provided by Authority resolutions, unexpended Bond proceeds shall be held by the Authority, and the investment of Bond proceeds shall be managed by the Executive Director. The Executive Director shall maintain records regarding the investments and transactions involving Bond proceeds held by the Authority or the Trustee for the bonds. Funds transferred to the Borrower shall constitute expending Bond proceeds for the purposes of the Authority. Any investment of funds by the Borrower or Borrower's Trustee is the responsibility of the Borrower. As such, all record retention and other responsibilities associated with Borrower proceeds is the sole responsibility of the Borrower.

If an Authority resolution provides for Bond proceeds to be administered by a trustee, the trustee shall provide regular, periodic (monthly) statements regarding the investments and transactions involving Bond proceeds.

Arbitrage Rebate and Yield

The Authority will loan out all proceeds to underlying Borrowers at issue. As such, the requirement for arbitrage rebate and yield calculations will not be applicable.

The Authority will consult annually with bond counsel and tax counsel to confirm the applicability of arbitrage rebate and yield calculations. If at any time it is determined that these requirements are applicable, the Authority shall do the following:

- the Authority shall engage the services of a Rebate Service Provider, and the Authority or the Bond trustee shall deliver periodic statements concerning the investment of Bond proceeds to the Rebate Service Provider on a prompt basis;
- upon request, the Executive Director and other appropriate Authority personnel shall provide to the Rebate Service Provider additional documents and information reasonably requested by the Rebate Service Provider;

- the Executive Director and other appropriate Authority personnel shall monitor efforts of the Rebate Service Provider and assure payment of required rebate amounts, if any, no later than 60 days after each 5-year anniversary of the issue date of the Bonds, and no later than 60 days after the last Bond of each issue is redeemed; and
- during the construction period of each capital project financed in whole or in part by Bonds, the Executive Director and other appropriate Authority personnel shall monitor the investment and expenditure of Bond proceeds and shall consult with the Rebate Service Provider to determine compliance with any applicable exceptions from the arbitrage rebate requirements during each 6-month spending period up to 6 months, 18 months or 24 months, as applicable, following the issue date of the Bonds.

For working capital financings, if any, the Authority shall follow procedures set forth in the applicable Tax Certificate and/or instructions delivered at bond or note closing.

The Authority shall retain copies of all arbitrage reports and trustee statements as described below under "Record Keeping Requirements".

Use of Bond Proceeds

Except for the obligation of the Authority to maintain records regarding the Loans made for Bond proceeds, it is the Authority's policy that the Borrower shall be responsible for:

- monitoring the use of Loan proceeds and the use of Loan-financed assets (e.g., facilities, furnishings or equipment) and the use of output or throughput of Loan-financed assets throughout the term of the Loan (and in some cases beyond the term of the Loan) to ensure compliance with covenants and restrictions set forth in applicable Authority and Borrower resolutions and Tax Certificates;
- maintaining records identifying the Loan and the assets or portion of assets that are financed or refinanced with proceeds of each Loan;
- consulting with Bond Counsel and other professional expert advisers in the review of the Loan and any contracts or arrangements involving use of Loan-financed facilities to ensure compliance with all covenants and restrictions set forth in applicable Authority and Borrower resolutions and Tax Certificates;
- maintaining records regarding the Loan and for any contracts or arrangements involving the use of Loan-financed facilities as might be necessary or appropriate to document compliance with all covenants and restrictions set forth in applicable Authority and Borrower resolutions and Tax Certificates;

- meeting or conferring at least annually with personnel responsible for the Loans and Loan-financed assets to identify and discuss any existing or planned use of Loan-financed assets or output or throughput of Loan-financed assets, to ensure that the Loan and those uses are consistent with all covenants and restrictions set forth in applicable Authority and Borrower resolutions and Tax Certificates.

The Borrower, in the Tax Certificate relating to the Loan and/or other documents finalized at or before the issuance of the Bonds, shall designate an officer or employee responsible for the tasks listed above.

Investment of Bond Proceeds

Investment of bond proceeds maintained by the Authority shall remain in compliance with the arbitrage bond rules and rebate of arbitrage as supervised by the Executive Director.

- Guaranteed investment contracts ("GIC") will be purchased only using the three-bid "safe harbor" of applicable Treasury regulations, in compliance with fee limitations on GIC brokers in the regulations.
- Other investments will be purchased only in market transactions.
- Calculations of rebate liability will be performed annually by outside consultants.
- Rebate payments will be made with Form 8038-T no later than 60 days after (a) each fifth anniversary of the date of issuance and (b) the final retirement of the issue. Compliance with rebate requirements will be reported to the bond trustee and the issuer.
