

## ANNUAL REPORT

Fire Department  
2013

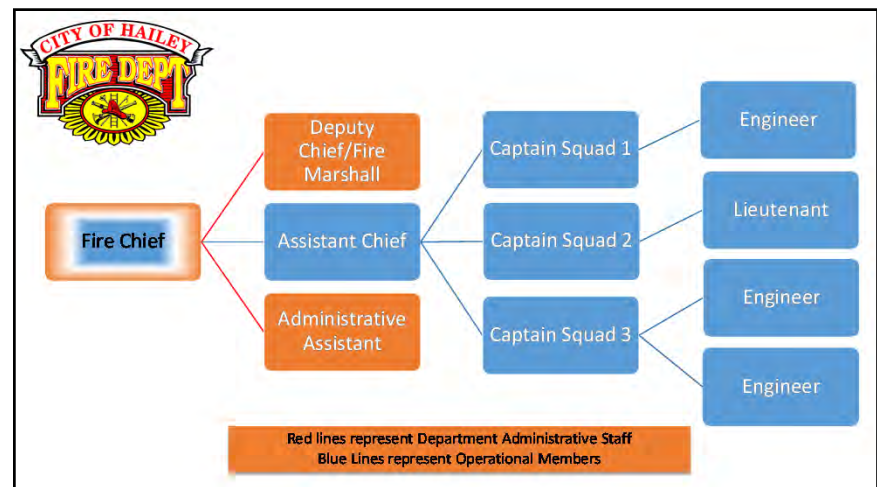

### Mission & Vision Statements

- The **mission** of this Department is to protect lives and property through rescue of trapped or injured persons, effective and efficient firefighting, and hazard mitigation; provide Emergency Medical Services; and to conduct appropriate fire prevention and education programs for its citizens.
- It is the **vision** of The Hailey Fire Department to provide unfaltering service to the citizens of this community. We will rise at any hour to help our neighbor. Let no barrier stop us from answering a cry for help. Let every member find, within themselves, the fortitude to excel at their craft to aid their brothers and sisters. Uncompromised, unwavering service with compassion. This organization shall bond together to reach this common purpose. This is our task.

**This is our goal.**
