date issued 8/3/15

# Woodside Blvd. Maintenance Project August 2015

## Chip Seal planned during August 10th-14th

- *Please do not park along the roadway or in parking areas along the Blvd.*
- *Please use caution driving on the Blvd. due to loose chips.*

## Fog Seal planned during August 24th-28th

- *Expect traffic delays and re-routes.*
- *Parts of the Blvd. will be closed during the application process.*
- *Do not drive in areas closed to traffic while the fog seal is drying.*

The sidewalk will remain open, but the bike lane will be temporarily closed while crews are actively working in an area.

Use caution and follow traffic control crews' direction.

Following chip and fog sealing, road striping and other roadway marking activity work will occur. Please do not pass the paint truck during the application process.
