Dear Property Owner,

The City of Hailey and the Wood River Land Trust (WRLT) are working collaboratively to update the Hailey Greenway Master Plan to include 190-acres within Croy Creek Canyon, from Lions Park to the Mountain Humane Animal Shelter. The plan will include Lions Park, as well as other parcels owned by the City of Hailey and the WRLT. Updates proposed are: future planning for trails, educational signage, boardwalk, parking and access, and development of a Hailey Municipal Campground.

Discussions of the Hailey Municipal Campground will focus primarily on site selection and best practices. Two sites will be considered: Lions Park and 89 Croy Creek Road, a City-owned parcel where Hailey's snow storage site is located on the western portion of the 28-acre property. The workshops will include consideration of other permitted and conditional uses allowed on the properties.

Harmony Design & Engineering will facilitate stakeholder meetings, which will be conducted at the Mountain Humane Event Barn in March:

Thursday, March 4, 2021 at 5:30pm to 7:30pm: Small group stakeholder meetings (group size will be limited to 10). Three (3) time slots available.

Friday, March 5, 2021 at 1:00pm to 3:00pm: Two (2) time slots available

We invite you to provide input and feedback as we look to develop a municipally-run campground and create more meaningful conversations around amenities within the area.
