Rentals By Owner In Hailey Subject to Local Option Tax

(Hailey, Idaho) Hailey is the home of many room rental or vacant home rentals on a short-term basis, through companies such as AirBnB or Vacation Rental By Owner. Under Hailey's Local Option Tax law, any rental under 30 days in length must collect and pay Local Option Tax. The tax is 4% of gross, and should be collected by the owner and submitted to the City of Hailey on a monthly or quarterly basis.

The City Clerk's office issues tax permits to short-term rental businesses. If you don't have your permit yet, please call Mary Cone, 788-4221 x 11.
