Joint Fire Board Position Opportunity Hailey and Wood River Fire Board to Appoint Member-at-Large

(Hailey, Idaho) – The City of Hailey and Wood River Fire Protection District entered into a Joint Powers Agreement (JPA) two years ago. The JPA provides that a Joint Fire Board (Fire Board) make recommendations pertaining to the combined operation of the two fire departments. The Fire Board is currently seeking interested parties to fill a position on the board.

The Fire Board consists of two Wood River Fire District Commissioners, two Hailey City Council Members and a fifth member-at-large position. All appointments expire at the end of each calendar year, with appointees being eligible for reappointment following the advertisement and consideration of all interested candidates. The Fire Board meetings are held at least four times per year, but frequently are scheduled monthly.

Anyone who has resided within the City of Hailey or the Wood River Fire Protection District for at least two years may apply for the member-at-large board position. A letter of interest and resume should be directed to the either organization, on or before April 1, 2019. The appointment will be considered by the Fire Board during their first meeting in April.

Please send letter of interest and resume to City Clerk, 115 South Main Street, Suite H, Hailey ID 83333 or HFD@haileycityhall.org or blassman@wrfr.com.
