Dear Hailey Business Owner,

Included here are two important pieces of Information. The [Rebound.idaho.gov](https://rebound.idaho.gov) link describes Idaho's plan to reopen the economy and all businesses in rolling phases that can be implemented in two-week increments provided we continue to be successful in containing and tracking the virus, with limited new hospitalizations. We encourage you to understand the document and create your business plan based on its guidance.

Thanks for your continued hard work in maintaining physical distancing and sanitation practices. Governor Little believes your continued good work could lead to all businesses being opened in Idaho by the end of June. All of this is explained in [Rebound.idaho.gov](https://rebound.idaho.gov).

In respectful distance,

Martha Burke,
Mayor, City of Hailey
