**CITY OF HAILEY**

**May 8, 2009**

**FOR IMMEDIATE RELEASE**

The date and venue for the meeting dedicated to public comment on any topic related to the Quigley Annexation application has been set for May 19, 2009. This meeting will be held at 5:30 pm in the Wood River Middle School multi-purpose room.

The Hailey Mayor felt it was important to hold the meeting in a space that would accommodate more people than the meeting room at City Hall.

The Hailey City Council will be focused on the Quigley Annexation application through an intense series of meetings beginning May 12, 2009. Discussion will unfold as the city council hears consultant Rich Caplan's presentation of his fiscal impact study on May 12, and further details of the proposed water system, wastewater system, and development restrictions above the pond and/or Hangman's Gulch during that meeting. All Tuesday and Thursday evenings through the weeks remaining in May have been reserved by the city council for Quigley discussions and deliberations. All meetings will begin at 5:30 p.m., and all will be held at Hailey City Hall except:
