## Jimmy's Garden Opening Dedication

### Community Events Make a Grand Splash

(Hailey, Idaho) – What's different about Jimmy's Garden this year? The citizens of Hailey now own it! In past years the property was leased, but thanks to a grant from the Janice Seagraves Foundation, the City of Hailey purchased the property last December for \$200,000 before it was sold to a private party.

A celebration and grand opening of Jimmy's Garden was held on Saturday, June 2, 2018. The Mayor of Hailey dedicated Jimmy's Garden to the public, thanking the Seagraves Foundation for saving the park for public use last fall when it was put up for sale. The Seagraves Foundation contributed \$175,000 toward the City's \$200,000 purchase of the park. The fountains were turned on, bands played, choruses sung, and a plaque was mounted in the park commemorating the Seagraves Foundation gift.
