## **Hailey Mayor Sustains Moderate Injuries in Bicycle Accident**

(Hailey, Idaho) – Hailey Mayor Fritz Haemmerle sustained injuries from a bicycle accident while on vacation in Utah this week. Mayor Haemmerle is undergoing treatment for some broken bones in a Utah regional medical center.

Under Idaho law, the city council president assumes the authority of the mayor in the absence of a mayor. Hailey City Council President Don Keirn is temporarily the acting mayor. The City of Hailey's next city council meeting is scheduled for November 13, 2017. Mayor Haemmerle is hopeful that he will be presiding over that meeting and all city matters before that time.
