Hailey Police Department Receives Grant from Idaho Community Foundation

(Hailey, Idaho) – The Hailey Police Department has received a grant of \$2,500 from the Idaho Community Foundation to install security cameras at the Hailey Skate Park. The park has been subject to vandalism, and security cameras are one method of deterrence identified by city officials. The grant comes through the *Donald W. and Gretchen K. Fraser Fund*.

The new cameras, which use state of the art technology, will be installed at the skate park next spring and will allow the city to provide a safer and cleaner skate park by catching vandals on tape. “The grant will make it possible for us to use funds to maintain the skate park rather than using the money to remove graffiti,” said Chief of Police Jeff Gunter. “The Idaho Community Foundation deserves special thanks for helping us with this effort.”

People interested in learning more about the project may call the Chief Gunter at 788-3531.
