

City Council Sets Busy Schedule

The Hailey City Council has set an aggressive meeting schedule for the months of September and October. During these meetings, the council will conduct regular business and also work on amendments to the subdivision and zoning ordinances prior to the statewide vote on Proposition 2 in November. Proposition 2 is a proposed measure that would require governments to pay for the loss of property rights when there is a change in zoning law with a negative impact on property rights. Please visit the Meetings page of the City of Hailey website for a full schedule.
