## Keefer Park

### Amenities needed:

1. Picnic Tables for the pavilion
2. Benches at least 2 near the basketball court
3. Four more trashcans needed locations noted:
  - a. Basketball court
  - b. Baseball field could some. Either one for each team near the bench or one centrally located.
  - c. Pavilion
  - d. Halfway down the promenade

### Maintenance needed:

1. 2 dead spruce trees on south side need to be removed or replaced
2. Tamarack tree near pavilion is planted quite high may need some attention, extra mulch or some sort of buildup.
3. Tree wells need maintenance.
4. Area around Irrigation box behind backstop need to be improved (brought level and hole filled in a bit.
5. The dirt and grass around the baseball field fence holes could be cleaned up and made level, the 3<sup>rd</sup> base line is worse than the 1<sup>st</sup> base line.
6. In field and promenade could use a weed spray.
7. Grass throughout the park could be improved through fertilizer and seeding of thin areas.

Miscellaneous: When bleachers are set at the baseball field be sure they are located directly behind the backstop rather than along the base fences for safety reasons.
