**New Business:**

*Pickle Ball* – Judy Harrison (head of informal sports committee in Heatherlands) approached Jim Keating last fall regarding a place to meet and play pickle ball. Able to play at BCRD in winter, looking for outdoor venue for summer. Pickle ball is growing nationally, is in many Idaho cities. Court is 20'x44' (1/3 size of tennis court), ball for indoor play is slightly different than outdoor ball. Many players are retired. One Heagle Park tennis court is proposed for play of trial run, also basketball court at Keefer Park. Temporary lines will be placed at Keefer and Heagle on June 14. Pickle ball will be discussed, comments will be reviewed and input will be welcome at June 29 meeting.

**Commissioner/Staff Reports:**
