New Business:

Old Cutters Trails

Kathy Grotto and Lily Simpson discussed the increasing popularity of the Old Cutters Trails and the impact to wildlife. Discussion was about beginning a dialogue with BLM, Idaho Fish & Game and Quigley owner for signage and trail closures. Janet suggested Terry Clark as a possible liaison for this work. Question was raised concerning the availability of funding from the Blaine County Land, Water & Wildlife Fund.

Proposed Gazebo Donation

Discussion was held regarding the proposed donation of a gazebo by Kim MacDonald and Candy McElfresh for Hop Porter Park. The donors were questioned on whether another park would be okay as board members did not feel a gazebo was appropriate in Hop Porter Park. Donors want something in Hop Porter and were willing to consider other ideas. Kathy Noble moved to table this item to the October meeting. Cheryl Kramer seconded. All were in favor.

Keefer Park Celebration

The Board was informed that September 19 would be a celebration of the improvement to the parks and to thank both city crews and park adopters.
