### Vehicle Vandalisms

**The Hailey Police have continued to receive reports and find windows on several vehicles that have been broken out, most-likely with a projectile from a BB/pellet type gun. Reports on this type of vandalism has occurred from the late night hours of Tuesday, March 11, 2014 through the early morning hours of Monday, March 17, 2014. 31 total reports have been filed up to this point (30 by HPD and 1 by BCSO), with the locations of vandalism ranging throughout the city from the South Woodside Subdivision to north of the Mother Lode Subdivision and as far west as River Street. HPD has found that only one window on a vehicle is being shot/broken out and the majority of the time the vehicle is parked in the city right-of-way. For the time being HPD recommends parking your vehicle(s) in your driveway or as close to your home/property as possible. HPD is continuing to investigate this rash of vandalisms and will continue to saturate our city's subdivisions with extra patrol during the nighttime hours, and we request the community's assistance in apprehending the vandal(s) by calling in any suspicious activity, dogs barking, or any other unusual activity in your respective neighborhood during the nighttime hours by calling 208-788-3531 as soon as possible.**
