April 24, 2009

City of Hailey
115 S Main St
Hailey, ID 83333
(208) 788-3686

To Whom It May Concern:

I have been asked to tell you of my qualifications to back up my recommendations for the removal of two trees for the City of Hailey.

I have a four year degree in Forestry. This includes education in the health and care of trees, soil conditions, management, and conditions for removal. A large focus of my education was based on Urban Forestry and Management which is the management, care and removal of trees in urban conditions. I grew up in Oregon and worked in the forestry and logging industry from the beginning of my working life. I have been involved in these industries since 1995. Since completing college, I have made the focus of my business the trimming and care of trees that can be left standing, and the safe removal of hazardous trees.

I would like to thank you for the opportunity to bid on this job, and I hope that the information I have provided on my qualifications assists you in your decision.

Sincerely,

A handwritten signature in cursive script that reads "Kurt Lansing".
