All electrical use is 110.

All outlets under spruce on 3rd Ave. side of park are reserved for Stage/Sound use. With only 2 outlets used on this circuit.

All outlets on 4th Ave. side of park are available for vendors with a limit of one extension cord (110) per outlet – no "T"s or additions.

Outlets on Cedar Street, under trees, east of shed, are used for Shearers’ shearing tools and a vendor or two.

Food Vendors are required to use extension cords no longer than 50 ft. and plug directly into Electrical Panels located at corner of 3rd and Cedar or next to shed. Again, no "T"s or any setup that overtaxes circuit.

Note:
I’ve been director of this event for the past 4 years. We require notification of all electrical needs prior to the event by all involved. I double check all wiring twice during set-up to make sure folks comply. So far, it’s worked fine!

RE: Special Event Permit

Dear Mayor and Council,

I’m submitting the Special Event Permit for Hailey Arts Commission’s annual ‘A Day of Chalk’. This will be our 4th event and it is steadily, and manageably, growing each year! Created to encourage the community to express themselves artistically, with washable chalk as the medium, we’ve found this event attracts people of all ages. Mostly families, parents as well as children, participate.

Last year we invited musicians to participate. Our guidelines limit them to no more that 3 per group and no amplified sound equipment. We place them on ‘squares’ within the chalk squares and space them to about 3 per block. Every musician pays us for the ‘squares’ and puts out a tip jar. Each one from last year wants to participate again this year!

Since participants arrive at different times, draw for an hour or less, then leave, the overall attendance is dispersed throughout the 4 hours.

The Hailey Police places ‘Temporary No Parking’ signs and cones along the east side of Main St. between the intersections of Croy and Bullion and Bullion and Carbonate. This is designed for public safety, keeping vehicles out of the area so there is better visualization between the traffic and the event. We also place pole flags in buckets along the area. We would appreciate this being done again this year.

Our other public safety directive is to have all children under 10 be accompanied by a responsible adult. Also, no more than 3 children per adult. We have our Policies posted at our registration table and all folks who sign up who have small children are verbally communicated this rule.

Food: We are hoping to have local restaurants in the area offer specials. If we get people to sell cotton candy or other ‘street’ food, they would be non-profit organizations. They would also have to be compliant and self sufficient. At this time, no food is offered at the event.

I have attached a sketch of the event area, typical layout of the squares, a copy of our Policies/Rules and some photos of former years’ chalk works for you.

Since Hailey Arts Commission is part of the city, I have not attached any checks for fees. Should you need fees, or have any questions, please contact R.L. Rowsey, HAC, at 720-7909.

Please contact me for any further information regarding the event!

Sincerely,

Sheila Kelley

Bart,

Based upon the City’s concerns of having the race course on River Street, we have revised our race course. We will be starting and ending the race as in the past year’s on the street in front of Hop Porter Park. Registration will be at Albertsons as well as the awards ceremony and barbecue. I have attached our revised attachment. Please let me know if there is any other information needed and whether this will be on the next City Council Meeting agenda.

Thank you.

Bart,

I printed the page and tried to show barricade locations using a highlighter, but they don't show up too well.

1) There will be barricades at the top of Bullion, on the west side of the intersection. These barricades are staffed and only there to slow traffic. We obviously don’t stop people from traveling on Bullion.

2) There will be barricades to secure parking for Event Staff, talent, bicycles, motorcycles and ADA along the south face of the park, nearly the full length of the park boundary along Bullion.

3) There will be a few barricades on the south side of Bullion, to the west, to secure additional parking. We don’t impede residential parking there, remain in the city right-of-way and coordinate with the residents anyway.

That's pretty much it.

Pete
