SUBJECT:
Motion to authorize Mayor to sign letter supporting ARCH Community Housing Trust’s application for grant funding from IHFA under the re-allocation funding from NSP

AUTHORITY: ☐ ID Code _________ ☐ IAR _________ ☐ City Ordinance/Code _________
(IF APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:
There have been three Neighborhood Stabilization Programs (NSP) approved by the Obama administration and administered in Idaho by Idaho Housing Finance Association (IHFA). Blaine County has been unable to qualify for any of these funds because the geographic area used to determine need is a Census Tract which in our small community includes the wealthiest and the most modest neighborhoods. The foreclosure rate within the Census Tract is the determining factor for funding.

ARCH has persuaded IHFA to consider an application for funding just for the Woodside neighborhood. We selected Woodside because the foreclosure rate would support NSP funding. Additionally, we have suggested that the Woodside Blvd. upgrade will add value to the NSP funding to the neighborhood. The funding will enable ARCH to purchase, renovate and resell or rent foreclosed homes in Woodside. The program allows home buyers to assume up to 20% of the purchase price as a zero interest deferred second loan. We plan to apply for funding for 5 homes to start. The BCHA has written a letter in support of this application and the Sun Valley Board of Realtors will also write a letter. ARCH has asked the City of Hailey to add a letter of support.

Subject: NSP funding for Hailey’s Woodside Neighborhood

Dear Ms Wallace:

I am writing to you today on behalf of The City Of Hailey in support of the ARCH Community Housing Trust application for funding under the re-allocation funding from NSP. The City is in full support of this application.

The rate of foreclosures in the Woodside Subdivision has had a devastating negative effect on the neighborhood. As a City, we are working to revitalize Woodside and are the recipients of a Department of Transportation grant to improve the neighborhood's main artery Woodside Boulevard. We believe the DOT grant will dovetail with NSP funding to amplify the impact of both programs.

I urge you to support the ARCH application to the full extent of the request.

Sincerely,

Rick Davis
