CONTRACT FOR SERVICES

THIS CONTRACT FOR SERVICES ("Agreement") is made this ___ day of ______, 2011, by and between the City Hailey, Idaho, a body corporate and politic and a political subdivision of the State of Idaho ("City"), and Sluder Construction, Inc. ("Contractor").

RECITALS

A. The City is authorized pursuant to Idaho law to enter into contracts for services including services for snowplowing.

B. Subject to the terms and conditions of this Agreement, the Contractor is willing to provide snowplowing services and snowplowing equipment for the City during the winter of 2011/12.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual agreements hereinafter contained and subject to the terms and conditions hereinafter stated, it is hereby understood and agreed by the parties hereto as follows:

1. TERM. This Agreement shall be effective upon execution of the Agreement and will continue in full force and effect through the 30th day of September, 2012. The term of this Agreement may be extended by the parties by agreement in writing.

2. SERVICES. Contractor agrees to employ and furnish all necessary personnel with Class A CDL to furnish, operate and maintain a D65PX low ground pressure dozer, together with necessary supplies and equipment, and such other items as are reasonably necessary to provide snow plowing services within the corporate limits of the City. The parties agree that the City shall provide all necessary fuel for the operation of the dozer for work necessary under this Agreement. The City will generally direct the Contractor to perform
snowplowing services under certain conditions and at certain times and locations, to be determined by the City in its sole discretion.

3. **CONSIDERATION.** In consideration for the services performed by the Contractor according to the terms of this Agreement, the City shall pay Contractor $94.50 per hour for each Class A CDL operator, and $94.50 per hour for the dozer. The parties understand that $94.50 per hour for the dozer includes the costs of the operator of the dozer. Contractor shall provide monthly invoices to the City for any charges incurred during a month on or before the 5th day of January, 2012, and continuing on the 5th day of every month thereafter during the period of providing snowplowing services under this Agreement. The City shall pay all invoices by the last day of the month when the invoice was received.

4. **INDEPENDENT CONTRACTOR.** The parties acknowledge and agree that the Contractor is an independent contractor of the City, and that the personnel of the Contractor performing the services under this Agreement are employees of the Contractor only, and that the Contractor is solely responsible for the payment of wages and benefits and the coverage of insurance, including worker's compensation. It is furthermore agreed that the City shall not be liable for compensation or indemnity to any of the employees of Contractor for injuries or sickness arising out of the performance of services under this Agreement, and Contractor hereby agrees to indemnify and hold harmless City from any such liability or claim.

5. **INSURANCE REQUIREMENTS.** The Contractor shall maintain in full force and effect, at its sole cost and expense, during the term of this Agreement, commercial general liability insurance for the purpose of protecting the City against liability for loss or damage, for bodily injury, property damage, personal injury, death, civil rights violations, and errors and omissions, relating to the operations of the Contractor under this Agreement. Such policy shall
provide insurance against property damage in an amount not less than $500,000.00 and bodily injury with limits of not less $500,000.00 per person and $1,000,000.00 total for each occurrence; provided, however, the minimum limits of insurance as set forth herein shall be automatically increased at any time the liability limits of the City are increased pursuant to the Idaho Tort Claims Act (Idaho Code Sections 6-901 et seq.). Such insurance shall be noncancellable except upon thirty (30) days prior written notice to the City. All of the insurance policies shall contain provisions that the insurers shall have no right of recovery or subrogation against the City, or the City’s insurer with regard to the aforementioned losses or damages. The Contractor’s certificates of insurance shall name the City and its officials, employees and agents as additional named insured and shall be endorsed to specify that such policies cover the liability assumed by the Contractor under this Agreement. The Contractor shall also secure and maintain at least the statutory amounts of worker’s compensation, disability benefits, and unemployment insurance in accordance with the laws of the State of Idaho. Such insurance shall provide at least thirty (30) days written notice to Hailey before such policy is suspended, canceled, amended or terminated. The Contractor shall provide evidence of acceptable insurance at limits listed above to City Clerk, City of Hailey, 115 Main Street So., Suite H, Hailey, Idaho 83333.

6. **INDEMNIFICATION.** The Contractor covenants and agrees to indemnify, defend and hold the City harmless from and against any and all claims, demands, causes of action, suits, losses, liabilities, damages, costs and expenses, including attorney fees, that may accrue, directly or indirectly, by reason of any act or omission on the part of the Contractor, its agents, employees, assigns or anyone subcontracting with Contractor, related to damages that arise out of the Contractor's services under this Agreement, to bodily injury, property damage, personal injury and death that arise out of the Contractor's services under this Agreement, and to
the provision of any service or duty under this Agreement. Contractor shall have the duty to
appear and defend any such demand, claim, suit or action on behalf of the City, without cost or
expense to the City.

7. TERMINATION. Any party to this Agreement may terminate its obligations
under this Agreement upon providing the other parties with thirty (30) days written notice. In
the event the Agreement is terminated for cause, the City shall pay Contractor for its services
incurred before the date of the service of the written notice of termination, and only the pro rata
amount of the minimum payment for the loaders which would be payable at the end of the month
in which the notice is delivered. In the event the Agreement is terminated without cause, the
City shall pay Contractor for its services incurred before the date of the service of the written
notice of termination, and the entire amount of the minimum payment for the loaders which
would be due under this Agreement.

8. MISCELLANEOUS PROVISIONS.

8.1 Notices. Any notice under this Agreement shall be in writing and shall be
effective when actually delivered in person or three days after being deposited in the U.S. mail,
registered or certified, postage prepaid and addressed to the party at the address stated in this
Agreement or such other address as either party may designate by written notice to the other.

8.2 Waiver. The waiver by either party of the breach of any provision of this
Agreement by the other party shall not operate or be construed as a waiver of any subsequent
breach.

8.3 Assignment. Except as otherwise provided within this Agreement, neither
party hereto may transfer or assign this Agreement without prior written consent of the other
party.
8.4 **Law Governing.** This Agreement shall be governed by and construed in accordance with the laws of the State of Idaho.

8.5 **Attorney's Fees.** In the event of any dispute with regard to the interpretation or enforcement of this Agreement, the prevailing party shall be entitled to recover his/her reasonable costs and attorneys' fees incurred therein, whether or not a lawsuit is actually filed, and on any appeals, and in any bankruptcy proceeding.

8.6 **Entire Agreement.** This Agreement contains the entire understanding between and among the parties and supersedes any prior understandings and agreements among them respecting the subject matter of this Agreement.

8.7 **Counterparts.** This Agreement may be executed in several counterparts and all so executed shall constitute one Agreement, binding on all the parties hereto even though all the parties are not signatories to the original or the same counterpart.

8.8 **Facsimile.** Facsimile transmission of any signed original document and retransmission of any signed facsimile transmission shall be same as delivery of the original.

8.9 **Remedies.** The rights and remedies provided by this Agreement are cumulative and the use of any one right or remedy by any party shall not preclude nor waive its rights to use any or all other remedies. Any rights provided to the parties under this Agreement are given in addition to any other rights the parties may have by law, statute, ordinance or otherwise.

8.10 **Severability.** Every provision of this Agreement is intended to be severable. If any term or provision hereof is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Agreement.

8.11 **Authority.** Each signatory agrees that he or she has full authority and
consent to sign this Agreement.

8.12 Amendment. This Agreement may be revised, amended, or canceled in whole or in part, only by means of a written instrument executed by both parties hereto.

8.13 Interpretation. This Agreement shall be liberally construed in accordance with the general purposes of this Agreement and interpreted and enforced under the laws of the State of Idaho. No presumption shall exist in favor of or against any party to this Agreement as the result of drafting and preparing this Agreement. The headings in this Agreement are inserted for convenience and identification only and are in no way intended to describe, interpret, define or limit the scope, extent or intent of the Agreement or any provisions of the Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Contract for Services on the day and year first above written.

SUBJECT

Canvass of November 8, 2011 General City Election

AUTHORITY: X ID Code 50-412  □ IAR _________ □ City Ordinance/Code ______

BACKGROUND:

The passage of Consolidated Election laws in Idaho in 2009 meant many changes to city run elections. One of the goals to consolidated election is to reduce the confusion of "where to go" for particular elections. As you know, counties are responsible for municipal elections beginning with this past November 8th election.

The responsibility of canvassing elections now rests with the County Commissioners. On November 15th, the Blaine County Commissioners canvassed the City of Hailey General Election. Attached are the results from the canvass. These will be entered into our Archival minutes for this meeting.

SUBJECT:

Motion to authorize Mayor to sign agreement with Idaho Radon for testing Radon levels at City Hall.

AUTHORITY: □ ID Code __________  □ IAR __________  □ City Ordinance/Code ________

(If Applicable)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

A few years ago one Charcoal canister test was done in an area of the basement. This recently came up in conversation. Mayor Davis asked that we have a Company come in and test city hall. The attached agreement was brought in when the Company performed the test. Once the test results are provided to us, we will determine whether or not a mitigation plan is needed.

Fee for the Radon inspection is $1450.00 INSPECTOR will receive payment at the time of the inspection.

THIS AGREEMENT made this 14th day of November 2011, by and between Hailey City Hall with a contact of Mary Cone

Hereinafter “INSPECTOR”) and the undersigned (hereinafter “CLIENT”), collectively referred to herein as “the parties.” The Parties Understand and Voluntarily Agree as follows:

1. Idaho Radon a company of Presidential Inspections LLC agrees to perform a radon inspection of the home/building to measure the radon level in the air by the use of a short-term grab and sniff collection device, a E-perm testing device or a longer term continuous test, the short term 2 hour test is for Diagnostic purpose only and should not be used for the purposes of mitigation, the EPA recommend a 48 hour test be completed to determine if mitigation is warranted, if the results come back 4.0 or higher during our grab and sniff sample, then we recommend running an additional 48 hour test and a fee will be charged in the amount of $100.00. Idaho Radon a company of Presidential Inspections LLC will provide you the client with a written radon inspection report identifying the results of such analysis.

DISCLOSURE: Radon is a colorless, odorless radioactive gas that may be harmful to humans. The amount of radon in the air is measured in picocuries of radon gas per liter of air, or “pCi/L.” While any radon exposure creates some risk to health, a level of 4 pCi/L or higher is generally considered dangerous by the EPA, which recommends that remedial measures be taken to reduce or eliminate radon from the home/building.

2. Unless otherwise inconsistent with this Agreement or not possible, Idaho Radon a company of Presidential Inspections LLC agrees to perform the radon inspection in accordance with current industry standards. CLIENT understands that INSPECTOR will NOT be testing for mold in conjunction with this radon inspection.

3. The radon inspection and report are performed and prepared for the use of CLIENT, who gives INSPECTOR permission to discuss observations with real estate agents, owners, repairpersons, and other interested parties. INSPECTOR accepts no responsibility for use or misinterpretation by third parties. INSPECTOR’S radon inspection of the home/building and the accompanying report are in no way intended to be a guarantee or warranty, express or implied, regarding the future use, operability, habitability or suitability of the home/building or its components. Any and all warranties, express or implied, including warranties of merchantability and fitness for a particular purpose, are expressly excluded by this Agreement to the fullest extent allowed by law.

4. INSPECTOR assumes no liability for inaccurate data furnished by the outside radon testing laboratory referred to herein. CLIENT agrees to abide by certain instructions provided by INSPECTOR for the proper testing, detection and analysis of radon gas levels in the home/building, and INSPECTOR shall not be liable for any negligence or other interference in this regard by CLIENT or his invitees during the testing period. INSPECTOR shall not be responsible for the cost of developing or implementing a radon mitigation plan, and further shall not be liable for detection of deficiencies, whether patent or latent, not otherwise part of an independent home inspection contract with INSPECTOR, merely as a result of INSPECTOR’S presence at the home/building. CLIENT acknowledges that the liability of INSPECTOR, its agents, employees, for claims or damages, costs of defense or suit, attorney’s fees and expenses and payments arising out of or related to the INSPECTOR’S negligence or breach of any obligation under this Agreement, including errors and omissions in the inspection or the report, shall be limited to liquidated
damages in an amount equal to the fee paid to the INSPECTOR, and this liability shall be exclusive. CLIENT waives any claim for consequential, exemplary, special or incidental damages or for the loss of the use of the home/building even if the CLIENT has been advised of the possibility of such damages. The parties acknowledge that the liquidated damages are not intended as a penalty but are intended (i) to reflect the fact that actual damages may be difficult and impractical to ascertain; (ii) to allocate risk among the INSPECTOR and CLIENT; and (iii) to enable the INSPECTOR to perform the inspection at the stated fee.

5. INSPECTOR does not perform engineering, architectural, plumbing, or any other job function requiring an occupational license in the jurisdiction where the radon inspection is taking place, unless the inspector holds a valid occupational license, in which case he/she may inform the CLIENT that he/she is so licensed, and is therefore qualified to go beyond this radon inspection, and for additional fee, perform additional inspections and otherwise create or implement certain radon mitigation plans or systems beyond those within the scope of the basic radon inspection. Any agreement for such additional services shall be in a separate writing or noted here:

6. In the event of a claim against INSPECTOR, CLIENT agrees to supply INSPECTOR with the following: (1) Written notification of adverse conditions within 14 days of discovery, and (2) Access to the premises. Failure to comply with the above conditions will release INSPECTOR and its agents from any and all obligations or liability of any kind.

7. The parties agree that any litigation arising out of this Agreement shall be filed only in the Court having jurisdiction in the County in which the INSPECTOR has its principal place of business. In the event that CLIENT fails to prove any adverse claims against INSPECTOR in a court of law, CLIENT agrees to pay all legal costs, expenses and fees of INSPECTOR in defending said claims.

8. If any court declares any provision of this Agreement invalid or unenforceable, the remaining provisions will remain in effect. This Agreement represents the entire agreement between the parties. All prior communications are merged into this Agreement, and there are no terms or conditions other than those set forth herein. No statement or promise of INSPECTOR or its agents shall be binding unless reduced to writing and signed by INSPECTOR. No change or modification shall be enforceable against any party unless such change or modification is in writing and signed by the parties. This Agreement shall be binding upon and enforceable by the parties and their heirs, executors, administrators, successors and assigns. CLIENT shall have no cause of action against INSPECTOR after one year from the date of the inspection.

9. Payment of the fee to INSPECTOR (less any deposit noted above) is due prior to the testing of the radon inspection. If any testing devices are damaged and or become missing this would be the sole responsibility of the client and or its agents to replace the testing devices at the replacement value. The CLIENT agrees to pay all legal and time expenses incurred in collecting due payments, including attorney’s fees, if any. If CLIENT is a corporation, LLC, or similar entity, the person signing this Agreement on behalf of such entity does personally guaranty payment of the fee by the entity. CLIENT HAS CAREFULLY READ THE FOREGOING, AGREES TO IT, AND ACKNOWLEDGES RECEIPT OF A COPY OF THIS AGREEMENT.
