AGENDA ITEM SUMMARY

DATE: 10/01/2012 DEPARTMENT: Clerk's Office DEPT. HEAD SIGNATURE: MHC

SUBJECT:

Maintenance agreement (Resolution 2012-76) with Avaya, Inc. to cover any hardware failures with the current city hall phone system.

AUTHORITY: □ ID Code □ IAR □ City Ordinance/Code (IF APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

On Aug. 30\textsuperscript{th} you approved a contract with SPS services, which is a 3\textsuperscript{rd} party consultant for Avaya. The agreement was not the actual Avaya contract as indicated in the Agenda Item Summary – but at the time I thought it was.

Good news, we have done an inventory of our Avaya Partner phone system hardware and phones since the 8/30/12 meeting. Instead of an increase, we will see a significant decrease as a result of the recent inventory. From $1,455.12/year to $868.92.

The actual AVAYA contract is attached to this Agenda Item Summary for your review/approval.

RECOMMENDATION FROM APPLICABLE DEPARTMENT HEAD:

Motion to authorize mayor to sign 1 year agreement with Avaya (Resolution 2012-), Inc. to cover our city hall phone hardware in case of equipment failure.

FOLLOW-UP REMARKS:

The undersigned Customer agrees that these General Conditions of Maintenance and Managed Services (the "Agreement") will govern the purchase of certain Services (defined below) by Customer from Avaya Inc. ("Avaya").

1. ORDER, PROVISION AND SCOPE OF SERVICES
1.1 Order and Provision of Services. In return for the payment of the fees specified in the order, Avaya will provide the Maintenance/Managed Services options for Supported Products or Supported Systems at Supported Sites, as described further in this Agreement and the SAS or Service Description ("Services"). In the event of a conflict between the SAS/Service Description and this Agreement, the terms of this Agreement will control. The "Service Agreement Supplement" ("SAS") or the "Service Description" is the Avaya Service Agreement Supplement or Service Description then current as of the date of Avaya's acceptance of an order for Services and available to Customer upon request. As used in this Agreement, "SAS" or "Service Description" may refer, as applicable, to either the Service Agreement Supplement or Service Description or, where the parties have executed a statement of work describing specific Services to be provided by Avaya, to the statement of work. "Supported Products" are: (i) hardware or software products identified in the order, and (ii) Added Products (described in Section 1.7). Supported Products may include non-Avaya products to the extent they are specified in the order. "Supported Systems" are a group of products or networks specified in the order. "Supported Sites" are locations specified in the order. Orders are subject to acceptance by Avaya. Avaya may accept an order by beginning to perform the Services. Terms and conditions contained in Customer purchase orders or other Customer documents will have no effect.

1.2 Monitoring. Avaya may electronically monitor Supported Products and Supported Systems for the following purposes: (i) remote diagnostics and corrective actions; (ii) to determine system configuration and applicable charges; (iii) to verify compliance with applicable software license terms and restrictions; (iv) when providing managed Services, to assess Customer needs for additional products or Services; (v) as otherwise provided in the SAS.

1.3 Error Correction. Some Services options may include correction of Errors. An "Error" means a failure of a Supported Product to conform in all material respects to the manufacturer's specifications that were applicable when the Supported Product was purchased or licensed.

1.4 Help Line Support. Where the selected Services option includes help line support, Avaya will provide it in accordance with the coverage option (service hours, target response intervals, etc.) that Customer has selected.

1.5 End of Support. Periodically, Avaya or a third party manufacturer may declare "end of life," "end of service," "end of support," "manufacture discontinue" or similar designation ("End of Support") for certain Supported Products. Customer may access Avaya's support website (www.support.avaya.com) for End of Support notifications and register an e-mail address to receive e-mail notifications of the same, when published by Avaya. For Products subject to End of Support, Avaya will provide support in the applicable SAS or Service Description, except for the End of Support exceptions listed therein ("Extended Support"). If the SAS or Service Description does not include Extended Support Information, Avaya will make available the description of Extended Support (if available) for the Products concerned at the same time as its End of Support notification. For Products not subject to Extended Support, if Services are discontinued for a Supported Product, the Supported Product will be removed from the order and rates will be adjusted accordingly.

1.6 Replacement Hardware. Replacement hardware provided as part of Services may be new, factory reconditioned, refurbished, re-manufactured or functionally equivalent. It will be furnished only on an exchange basis. Returned hardware that has been replaced by Avaya, will become Avaya's property. Title to Avaya-installed replacement hardware provided as part of Services will pass to Customer when installed. Title to all other hardware provided as part of Services will pass to Customer when it arrives at the Supported Site.

1.7 Added Products. If Customer acquires additional products of the same type and manufacturer(s) as the existing Supported Products and locates them with existing Supported Products at a Supported Site, they will be considered "Added Products", and will be added to the order automatically for the remainder of the term. Added Products purchased from a party other than the manufacturer or an authorized reseller are subject to certification by Avaya at Avaya's then current rates. If Added Products fail certification, Avaya may choose not to add them to the Supported Products.

1.8 General Limitations. Unless the SAS provides otherwise, Avaya will provide software Services only for the unaltered current release of the software and the prior release. The following items are included in the Services only if the SAS specifically includes them: (i) support of user-defined applications; (ii) support of Supported
Products that have been modified by a party other than Avaya (except for installation of standard, self-installed updates provided by the manufacturer); (iii) making corrections to user-defined reports; (iv) data recovery services; (v) services associated with relocation of Supported Products; (vi) correction of Errors arising from causes external to the Supported Products (such as power failures or surges); and (vii) Services for Supported Products that have been mishandled, used in breach of their license restrictions, improperly installed or configured, or that have had their serial numbers altered, defaced or deleted.

2. INVOICING AND PAYMENT.

2.1 Invoicing. Avaya will invoice Customer for Services in advance unless another payment option is specified in the order or as otherwise specified in the SAS or Service Description.

2.2 Payment. Payment of undisputed invoices is due within thirty (30) days from the date of Avaya's invoice. Customer will pay all bank charges, taxes, duties, levies and other costs and commissions associated with nonstandard methods of invoicing and payment. Overdue payments will be subject to a late payment charge of the lesser of 1.5% per month or the maximum rate allowed by applicable law. Unless Customer provides Avaya with a tax exemption certificate, Customer is solely responsible for paying all required taxes, (including, but not limited to, property, sales, use or excise taxes with respect to the provision of Avaya Equipment) except for any income tax assessed upon Avaya.

3. CUSTOMER RESPONSIBILITIES.

3.1 General. Customer will cooperate with Avaya as reasonably necessary for Avaya's performance of its obligations, such as: (i) providing Avaya with full, free and safe access to its facilities; (ii) providing telephone numbers, network addresses and passwords necessary for remote access; and (iii) providing interface information for Supported Products and necessary third party consents and licenses to access them. All items will be provided by Customer at Customer's expense. If Avaya provides an update or other new release of the software as part of the Services, Customer will implement it promptly. Customer will reasonably use, safeguard and return to Avaya any items that Avaya loans to Customer ("Avaya Tools") for the purpose of providing Services under this Agreement, such as, but not limited to, the Secure Intelligent Gateway. Avaya Tools shall not be considered Products.

3.2 Provision of Supported Products and Systems. Except for Avaya hosted facilities identified in the SAS or Service Description, Customer will provide all Supported Products, Supported Systems and Supported Sites. Customer continuously represents and warrants that: (i) Customer is either the owner of, or is authorized to access and use, each of them; and (ii) Avaya, its suppliers, and subcontractors are authorized to do the same to the extent necessary to provide the Services in a timely manner.

3.3 Moves of Supported Products. Customer will notify Avaya in advance before moving Supported Products. Avaya may charge additional amounts to recover additional costs in providing the Services as a result of moved Supported Products.

3.4 Vendor Management. Where Avaya is to instruct or request products or services on Customer's behalf from third party vendors under Customer's supply contracts with the third party vendors ("Vendor Management"), Customer will provide Avaya upon request a letter of agency or similar document, in form reasonably satisfactory to Avaya, permitting Avaya to perform the Vendor Management. Where the third party vendor's consent is required for Avaya to be able to perform Vendor Management in a timely manner, Customer will obtain the written consent of the vendor and provide Avaya a copy of it upon request.

3.5 Third Party Hosting. In the event one or more network address(es) to be monitored by Avaya are associated with systems owned, managed, and/or hosted by a third party service provider ("Host"), Customer will: (i) notify Avaya of the Host prior to commencement of the Services; (ii) obtain the Host's advance written consent for Avaya to perform the Services on the Host's computer systems and provide Avaya with a copy of the consent upon request; and (iii) facilitate necessary communications between Avaya and the Host in connection with the Services.

3.6 Access to Personal Data. From time to time, Customer may require Avaya to access a Supported Product or Supported System containing employee, customer or other individual's personal data (collectively, "Personal Data"). Where Customer instructs Avaya to access any Personal Data, or to provide Customer or a third party identified by Customer with access, Customer will (i) notify all relevant employees and other individuals of the fact that Avaya will have access to such personal data in accordance with Customer's instructions and (ii) indemnify Avaya and its officers, directors, employees, subcontractors and affiliates against, and hold each of them harmless from, any and all liabilities, costs, damages, judgments and expenses (including reasonable attorney's fees and costs) arising out of Avaya accessing or providing access in accordance with Customer's instructions.

4. SOFTWARE LICENSE. Where Services include provision of patches, updates or feature upgrades for Supported Products ("New Software"), they will be provided subject to the license grant and restrictions contained in the original agreement under which Customer licensed the original software from Avaya. Where there is no existing license from Avaya, New Software will be provided subject to the manufacturer's then current license terms and restrictions for the New Software. New Software may include components provided by third party suppliers that are subject to their own end user license agreements. Customer may install and use these
components in accordance with the terms and conditions of the "shrinkwrap" or "clickwrap" end user license agreement accompanying them.

5. CONFIDENTIAL INFORMATION. "Confidential Information" means either party's business and/or technical information, pricing, discounts and any other information or data, regardless of whether in tangible or other form if marked or otherwise expressly identified in writing as confidential. Information communicated verbally will qualify as Confidential Information if designated as confidential or proprietary at the time of disclosure and summarized in writing within 30 days after disclosure. Confidential Information excludes information that: (i) is publicly available other than by an act or omission of the receiving party; (ii) subsequent to its disclosure was lawfully received from a third party having the right to disseminate the information without restriction on its dissemination and disclosure; (iii) was known by the receiving party prior to its receipt and was not received from a third party in breach of that third party's confidentiality obligations; (iv) was independently developed by the receiving party without use of the disclosing party's Confidential Information; or (v) is required to be disclosed by court order or other lawful government action, but only to the extent so ordered, provided the receiving party provides prompt written notification to the disclosing party of the pending disclosure so the disclosing party may attempt to obtain a protective order. In the event of a potential disclosure in the case of subsection (v) above, the receiving party will provide reasonable assistance to the disclosing party should the disclosing party attempt to obtain a protective order. Each party will protect the secrecy of all Confidential Information received from the other party with the same degree of care as it uses to protect its own Confidential Information, but in no event with less than a reasonable degree of care. Neither party will use or disclose the other party's Confidential Information except as permitted in this Section or for the purpose of performing obligations under this Agreement. The confidentiality obligations of each party will survive expiration or termination of the Agreement. Upon termination of the Agreement, each party will cease all use of the other party's Confidential Information and will promptly return, or at the other party's request destroy, all Confidential Information, including copies, in tangible form in that party's possession or under its control, including Confidential Information stored on any medium. Upon request, a party will certify in writing its compliance with this Section.

6. WARRANTIES. Avaya warrants to Customer that Services will be carried out in a professional and workmanlike manner by qualified personnel. If the Services have not been so performed and Avaya receives Customer's detailed request to cure a non-conformance within 30 days of its occurrence, Avaya will re-perform those Services. This remedy will be Customer's sole and exclusive remedy and will be in lieu of any other rights or remedies Customer may have against Avaya with respect to the non-conformance of Services.

EXCEPT AS REFERENCED AND LIMITED IN THIS SECTION, NEITHER AVAYA NOR ITS LICENSORS OR SUPPLIERS MAKES ANY OTHER EXPRESS OR IMPLIED REPRESENTATIONS OR WARRANTIES WITH RESPECT TO THE SERVICES. IN PARTICULAR, THERE IS NO WARRANTY THAT ALL SECURITY THREATS AND VULNERABILITIES IN A SUPPORTED PRODUCT, SUPPORTED SYSTEM OR NETWORK WILL BE DETECTED OR THAT SERVICES WILL RENDER THEM SAFE FROM SECURITY BREACHES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, AVAYA DISCLAIMS ALL IMPLIED OR STATUTORY WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

7. LIMITATION OF LIABILITY. IN NO EVENT WILL EITHER PARTY OR ITS RESPECTIVE LICENSORS OR SUPPLIERS HAVE ANY LIABILITY FOR ANY INCIDENTAL, SPECIAL, STATUTORY, INDIRECT OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR REVENUE, LOSS OR CORRUPTION OF DATA, TOLL FRAUD, COST OF COVER, OR SUBSTITUTE GOODS OR PERFORMANCE. THE LIABILITY OF EITHER PARTY FOR ANY CLAIM ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT WILL NOT EXCEED AN AMOUNT EQUAL TO THE AGGREGATE TOTAL AMOUNT OF ALL FEES PAID OR PAYABLE UNDER THIS AGREEMENT IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE OF THE EVENT GIVING RISE TO THE CLAIM. THE LIMITATIONS OF LIABILITY IN THIS SECTION WILL APPLY TO ANY DAMAGES, HOWEVER CAUSED, AND ON ANY THEORY OF LIABILITY, WHETHER FOR BREACH OF CONTRACT, TORT (INCLUDING, BUT NOT LIMITED TO, NEGLIGENCE), OR OTHERWISE, AND REGARDLESS OF WHETHER THE LIMITED REMEDIES AVAILABLE TO THE PARTIES FAIL OF THEIR ESSENTIAL PURPOSE. HOWEVER, THEY WILL NOT APPLY IN CASES OF WILFUL MISCONDUCT, PERSONAL INJURY OR BREACHES OF AVAYA'S LICENSE RESTRICTIONS. THE LIMITATIONS OF LIABILITY IN THIS SECTION ALSO WILL APPLY TO ANY LIABILITY OF DIRECTORS, OFFICERS, EMPLOYEES, AGENTS AND SUPPLIERS.

8. GOVERNING LAW AND DISPUTE RESOLUTION. This Agreement and any disputes arising out of or relating to it ("Disputes") will be governed by New York State laws applicable to contracts entered into and performed in New York, excluding conflict of law principles and the United Nations Convention on Contracts for the International Sale of Goods. Except as provided below, all Disputes will be finally resolved by binding arbitration before one arbitrator, selected pursuant to the Commercial Rules of the American Arbitration Association ("AAA"). The arbitrator will have the authority to determine issues of arbitrability and to consider and
rule on dispositive motions. The arbitrator will have authority only to award compensatory damages within the scope of the limitations of Section 8 and will not award punitive or exemplary damages. The arbitrator will not have the authority to limit, expand or otherwise modify the terms of the Agreement. The parties, their representatives, other participants and the arbitrator will hold the existence, content and result of arbitration in confidence. Nothing in this Section will be construed to preclude either party from seeking provisional remedies, including but not limited to temporary restraining orders and preliminary injunctions from any court of competent jurisdiction in order to protect its rights pending arbitration. Actions on Disputes between the parties must be brought in accordance with this Section within two years after the cause of action arises.

9. TERM AND TERMINATION.

9.1 Term. This Agreement will be effective from the date Avaya accepts the order unless terminated earlier in accordance with this Section. Unless a different term is defined in the order or mandated in the applicable SAS or Service Description, Avaya will provide Services for an initial term of one year. Services will be renewed automatically for successive one year terms (unless a longer period is mandated by the applicable SAS or Service Description) applying the then most similar current generally available support plan offering and then current rates, unless either party gives the other written notice of its intent not to renew at least 30 days prior to the expiration of the applicable initial or renewal term. Unless otherwise specified in the SAS or Service Description, Customer may terminate Services in whole or in part upon 30 days written notice subject to the cancellation fees equal to Maintenance Services fees for 12 months or the remaining term, whichever is less. Either party may terminate this Agreement by written notice to the other party effective immediately upon receipt if the other party fails to cure any material breach of this Agreement within a thirty (30) day period after having received a written notice from the non-breaching party detailing the breach and requesting the breach be cured.

9.2 Termination Notice. Customer’s written notice of cancellation or intent not to renew must be sent by: (i) letter via certified mail to the following address: Avaya Inc., Customer Care Center, 14400 Hertz Quail Spring Pkwy, Oklahoma City, OK 73134 Attn: Maintenance Termination; (ii) email to mycontract@avaya.com; or (iii) fax to 800-441-6371. In case of an Avaya Affiliate the notice of cancellation must be sent to the e-mail or address stated on the relevant order.

10. MISCELLANEOUS. Avaya may assign this Agreement or any associated order to any of its affiliated entities or to any entity to which Avaya may sell, transfer, convey, assign or lease all or substantially all of the assets used in connection with its performance under this Agreement. Avaya may subcontract any or all of its obligations, but will retain responsibility for them. Neither party will be liable for any delay or failure in performance to the extent the delay or failure is caused by events beyond the party’s reasonable control, including without limitation, fire, flood, act of God, explosion, war or the engagement of hostilities, strike, embargo, labor dispute, government requirement, civil disturbances, civil or military authority, and inability to secure materials or transportation facilities. The failure of either party to assert any of its rights under this Agreement is not a waiver by that party of its right later to enforce this Agreement in accordance with its terms. This Agreement constitutes the entire understanding of the parties with respect to its subject matter and will supersede all previous and contemporaneous communications, representations or understandings, either oral or written, between them relating to that subject matter. It will not be contradicted or supplemented by any prior course of dealing between the parties. All notices under this Agreement and any modifications or amendments to this Agreement must be in writing which in no event shall include any form of electronic communication (such as e-mail).

Motion to approve public comment from the City of Hailey to Idaho Housing and Finance Association on the Low Income Housing Tax Credit Program Qualified Plan for 2013

AUTHORITY:  □ ID Code  □ IAR  □ City Ordinance/Code (IFAPPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:
Correspondence from Michelle Griffith of ARCH

Attached please find the notice of public hearing regarding proposed changes to the QAP which governs the allocation of Low Income Housing Tax Credits for affordable rental housing. This funding was used for both Northwood Place and River Street. Had the proposed changes been in place at the time of these applications, neither project would have been funded. Funding for Evergreen in Ketchum will not be possible under these proposed changes. Section 4.2 of the proposed changes limits the per unit amount of credit and section 10 reduces the impact of non-federal contributions such as the land donated by both Cities for the projects I mentioned.

I plan to attend the hearing and speak against the changes. I am writing to ask that both Ketchum and Hailey also comment, in written form, against the proposed changes. I would be happy to draft letters if you wish. The proposed changes can be found at www.lihta.org grant programs, multifamily housing, LIHTC, 2013 Draft.

        Multifamily Finance Department

SUBJECT:    Public Hearing – Proposed changes to the 2012 Low-Income Housing Tax Credit Allocation Plan for the Year 2013

Notice is hereby given that Idaho Housing and Finance Association ("IHFA") will hold a public hearing at its office October 24, 2012, beginning at 9:30 a.m., as required by the amended Internal Revenue Code of 1986. The above referenced office is located at 565 W. Myrtle Street, Boise, Idaho.

The public hearing is being conducted to receive feedback regarding proposed changes to the 2012 Low-Income Housing Tax Credit Program Qualified Allocation Plan ("the Plan") for the year 2013. If approved these changes to the Plan will be effective January 1, 2013, and will govern the next application round which will close February 15, 2013. Low-Income Housing Tax Credits are available to owners of qualified rental projects who are willing to designate at least 20% of the project's units for low-income use. Credit is allocated on a competitive basis in accordance with the state's approved Qualified Allocation Plan.

Interested persons may, prior to the time of the hearing, address comments in writing to the Multifamily Finance Department, Idaho Housing and Finance Association, P.O. Box 7899, Boise, Idaho 83707-1899. Persons desiring to speak at the hearing may do so in person or by telephone. If participating by telephone, please notify IHFA in writing at least 48 hours prior to the hearing. Contact IHFA at the above address, or by fax or email, to the attention of Diana Baker, Tax Credit Program Assistant, Multifamily Finance Department, and provide your phone number so you may be called at the time of the said hearing.

Questions concerning the hearing and related matters, or requests for copies of the Plan, may be directed to Diana Baker, Tax Credit Program Assistant, Multifamily Finance Department, at the above address, or by telephone at (208) 331-4769. Individuals with hearing impairments may call (800) 545-1833, Ext. 400. You may also contact IHFA by fax at (208) 424-7094, or by email at dianab@ihfa.org. A draft of the 2013 Plan is available on the Internet at www.idahohousing.com under Multifamily Housing/Low Income Housing Tax Credits.
Thank you for the opportunity to comment on the proposed changes to the Low Income Housing Tax Credit Program Qualified Action Plan for 2013. The recently completed River Street Apartments in Hailey were financed in large part by the LIHTC program. It is my understanding that the apartments are already fully leased and there is a waiting list. Many of the residents of River Street were long term Hailey residents who, upon retirement, found they could no longer afford the area. River Street allowed them to return to Hailey where they are able to enjoy the company of their children and grand children.

Recognizing that home prices in Blaine County are extremely high, the City of Hailey has worked to support affordable housing. The land for River Street is leased at $1$ a year in order to make the project financially feasible. The value of the benevolent lease is $840,000. Additionally, impact and permit fees were due upon completion of construction rather than when the permits were issued. The project also received private financial support of $12,000. The proposed changes in section 10.0 would diminish the value of these contributions.

In spite of these contributions to the project, it would not have been awarded credits at all had the proposed changes in section 4.2 which limits the per unit costs to $17,500 been in place. Seniors living on limited income would be forced out of the area. This seems to be in direct conflict with Fair Housing regulations which require affordable housing to be distributed throughout the State.

I urge you to continue to encourage local support with a more aggressive pointing structure in section 10.0 and to eliminate the per unit limits outlined in section 4.2.

Sincerely,

Fritz X. Haemmerle, Mayor, City of Hailey

Floodplain Outreach

City of Hailey outreach includes an area on the City Website dedicated to floodplain management. The city sends a publication each month to all properties that receive a utility bill (3200 properties). A short piece regarding the upcoming flood season and information on obtaining flood insurance is in the newsletter every February. A letter to all utility bill recipients is included with the utility bills once per year in October or November following September’s Emergency Preparedness Month activities. This letter goes to all properties that are served with sewer or water services which is well over 90% of the properties in the city limits. A quad fold pamphlet is sent out in late February to the targeted audience of all 413 properties located in the SFHA. Informational seminars are performed on an as needed basis to disseminate information regarding new developments in the floodplain. The last such seminar was in March of 2011.

Mayor's Message

Hailey 2012 Survey Results

A professional survey was conducted in January, 2012 to seek the opinion of residents, businesses, employees and employers about city services and proposed projects. The purpose of the survey is to assist Hailey officials to better understand the attitudes and opinions about existing and potential city amenities and areas of service.

The survey results can guide the Mayor and City Council and staff in prioritizing capital improvements and delivery of city services. Certain projects entail safety related improvements that will factor into the city’s priorities and may not be reflected in the citizen’s opinions. City staff is even now working with the survey results in preparing department priorities for the city’s annual goal setting workshop to be held in March.

The survey was tabulated by the professional firm Richard Caplan & Associates, who concluded that “Hailey residents and business persons continue to be satisfied with city government services and support a majority of the 29 capital improvement priorities the city has listed for the future.” The survey results are compared to the results of a similar 2009 survey, and show a slight increase in support for the capital improvement priorities, from an average score of 2.94 to 3.11 satisfaction level. A higher degree of satisfaction in services was shown as well, as the 29 services that were rated increased from a 3.56 to a 3.66 satisfaction level.

You will find the entire survey under “Announcements” on our homepage – www.haileycityhall.org. A quick summary here lists the top ten projects important to you:
1) rebates for water conservation;
2) reduction of pesticide and chemical use;
3) installation of holiday lighting in the downtown;
4) improved access to trails;
5) more walking or biking paths;
6) renewable power development;
7) increased energy efficiency of city fleet and buildings;
8) access to local ski facilities;
9) E Myrtle Street improvements from Main to the bike path;
10) more paths and trails for recreation.

The survey results show that you are highly satisfied with the location, service, and comfort of the library. You would like improvement in:
1) condition of alleys;
2) condition of sidewalks;
3) trash, water and sewer rates;
4) pedestrian safety;
5) snow plowing; and
6) city website.

A total of 242 completed surveys, compared to 456 in 2009, were received and tabulated. We thank you for your responses, which provides statistically valid results within a seven percent margin of error.

Friends of the Hailey Public Library Seek Volunteers

The Friends of the Hailey Public Library is a long-standing non-profit organization whose volunteer members raise money and advocate literary awareness on behalf of the Hailey Public Library. Known primarily for their famous Hailey Garden Tour, which showcases gardens within different Hailey neighborhoods every year, the Friends of the Hailey Public Library is one of the town’s cornerstones of identity and pride.

This important group needs new members. Membership has dwindled within the non-profit organization sufficiently to put the 25-year old Hailey Garden Tour at risk. We urge any citizens who are interested in carrying on this legacy to commit some volunteer hours on a short term, seasonal, or long-term basis. Please call Friends Vice President Geegee Lowe at 720-7395 or the Hailey Public Library at 788-2036 for information about how you can bring new creativity and vibrancy to this important organization.

Some of the past successes of the Friends of the Hailey Public Library include:

- Raising awareness and support for the acquisition of the Fox/Brown building as the permanent home of the Hailey Public Library and City Hall. Purchased in 1993 with a successful G/O bond, the building cost an outrageously low $40 per square foot in the cornerstone downtown location, which price was offered by the philanthropic generosity of Janet Brown.

- Conducting the annual Friends of the Hailey Public Library Book and Bake Sale in October of each year, which raises money each year in a venue priceless for its treasures with a blend of books, magazines, and sweets in a festive fall atmosphere

- In addition to these annual events, the Friends of the Hailey Public Library have contributed a list of items from 1994-2010. In 2011, they provided the new computers patrons now enjoy.

Why Should I Get Flood Insurance?

- If you do not have flood insurance, do not wait for the next flood to apply. There is a 30-day application waiting period before the National Flood Insurance Program (NFIP) coverage takes effect, however it is common to have delays of up to 60 days if any part of the application is incomplete. Contact your insurance agent for more information on rates and coverage.
- Homeowner’s insurance policies do not cover damage from floods. However, because the City of Hailey participates in the National Flood Insurance Program (NFIP), you can purchase a separate flood insurance policy. This insurance is backed by the Federal Government and is available to everyone, even for properties that have been previously flooded.
- Some people have purchased flood insurance because the lender requires it as part of their mortgage or home improvement loan. Usually, these policies just cover the building’s structure and not the contents. During a flood, there is usually more damage to the furniture and contents than there is to the structure. Therefore, if you are covered, check out the amount and make sure you have contents coverage.
- Even people who are not located in the “official” flood plain may be susceptible to flooding and may purchase flood insurance.

Community Policing

Hailey Police Continue Dog Control Measures for Dogs-At-Large

The Hailey Police Department continues its effort to reduce dogs-at-large within our community. Please let us know if we’ve made a difference.
Dog-owners, take a quick look at your pets’ records to make sure licenses and vaccinations are up to date. Community health risks increase with unvaccinated dogs.

Fire Department

2011 Hailey Firefighter of the Year Earns 20-Year Service Award

Scott Miley joined the Hailey Fire Department as a volunteer firefighter in January 1992. He continues after 20 year to be one of the department’s most valuable members. In December he was awarded the 2011 Hailey Fire Department Firefighter of the Year. The award is given to that firefighter who demonstrates exemplary enthusiasm and dedication toward emergency services in Hailey. Miley has responded to house fires, wild fires, rescue and recovery operations, and all other types of emergencies. He is one of five members of the Hailey Fire Department who now has contributed over 20 years of service to the community.

Miley’s family has a long history within the Wood River Valley since the mid-1970’s. A 1983 graduate of Wood River High School, Miley is deeply vested in our community, owning his own business and raising two daughters here with his wife Jane Rosen.

The Hailey Volunteer Fire Department consists of men and women who are not full time employees, but who have the dedication necessary to train for and respond to all manner of emergencies twenty-four hours a day, 365 days a week. The department currently has 22 volunteers. In the recently tabulated 2012 Hailey Community Survey, the Hailey Fire Department if you are interested in volunteering, please contact the Department at 788-3147.

Spring Flood Awareness

Every spring the potential for flooding is a concern. The City of Hailey has an Emergency Preparedness Team ready to meet this challenge, alongside our citizens. We are watching the river level and snowmelt rates to determine when action may be necessary.

In the City of Hailey our focus is on the Della View subdivision along the river. Our experience from 2006, when snowpack was 150% of normal and we experienced record flooding, has been put to good use. We learned how changes in the river and the developed areas in west Hailey have changed the flood patterns that used to impact China Gardens, but now create more intense flooding in the areas downstream. As of March 18, 2009 the snowpack is at 83% of normal.

If the river level rises to a point of extreme concern the City of Hailey will issue immediate press releases and post information on the homepage of our website: www.haileycityhall.org.
