Contact the appropriate District or Headquarters’ Traffic section for further assistance in determining the minimum insurance coverage required for all events.

Evidence Of Insurance.

All insurers shall have a Best’s rating of AV or better and be licensed and admitted in Idaho. Prior to use of state highways, Sponsor shall furnish the State of Idaho with a certificate of insurance executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth below. All policies required shall be written as primary policies and not as contributing or excess coverage to any coverage the State of Idaho may choose to maintain. The policies shall cover any claims that may arise out of, or result from the Sponsor’s operations under the Agreement, whether such operation be by itself or by any Subcontractor or by anyone directly or indirectly employed by any of them, or by anyone including event participants, for whose acts any of them may be liable.

• All policies, except Workers compensation, shall name the State of Idaho, Idaho Department of Transportation as additional insured.

• All policies shall contain waiver of subrogation against the State of Idaho.

• Failure of the State of Idaho to demand such certificate or other evidence of full compliance with these insurance requirements or failure of the State of Idaho to identify a deficiency from evidence that is provided shall not be construed as a waiver of Sponsor’s obligation to maintain such insurance.

• Failure to maintain the required insurance may result in termination of this contract at the State of Idaho’s option.

Independent Contractor Status

The service or services to be rendered under this contract are those of an independent contractor. (Insert Organization name; i.e. XYZ, Inc., DBA XYZ Sports) as sponsor is not an officer, employee or agent of the State as those terms are used in the Idaho Statutes 6-902, et al.

Indemnification

(Insert Organization name: i.e. XYZ, Inc., DBA XYZ Sports) shall indemnify, defend and hold harmless the State of Idaho and the Idaho Transportation Department, and its officers, employees and agents from and against any liability, claims, damages, losses, expenses or actions, including reasonable attorney’s fees, costs caused by or arising out of or relating to the activities of (insert Organization name, i.e. XYZ Sports) or its officers, employees, subcontractors, or agents under the (insert name of agreement; i.e. XYZ Classic Bike Race) Agreement, or arising from (insert name of organization; i.e. XYZ Sports), it’s officers, employees, subcontractors, or agents failure to comply with any applicable state, federal, local, law, statute, rule, regulation or act. This duty to indemnify, defend and hold harmless shall encompass any claims which include or allege negligence of (insert name of organization; i.e. XYZ Sports), its agents, officers, volunteers or employees other than claims which arise solely out of the negligence on the part of the State of Idaho, and this duty shall survive the termination or expiration of this Agreement.

Required Insurance Coverage.

(Insert organization name; i.e. XYZ Sports) shall obtain and keep in force during the term of this contract, insurance of the types and in the amounts described below.

• Commercial General and Umbrella Liability Insurance. (Insert organization name; i.e. XYZ Sports) shall maintain commercial general liability (CGL) and, if necessary, commercial umbrella insurance with a limit of not less than $1,000,000 each occurrence in the aggregate. If such CGL insurance contains a general aggregate limit, it shall apply separately to this Agreement and shall not be less than $1,000,000.

• Automobile Liability Insurance, if applicable, covering owned or non-owned vehicles. Combined single limit per occurrence shall not be less than $1,000,000.

• Workers’ Compensation. Where required by law, sponsor shall maintain all statutorily required coverage including Employer’s Liability at minimum limits of $100,000/$500,000/$100,000.

No Representation of Coverage Adequacy.

By requiring insurance herein, the State of Idaho does not represent that coverage and limits will
necessarily be adequate to protect Sponsor, and such coverage and limits shall not be deemed as a limitation on sponsor's liability under the indemnities granted to the State of Idaho in this contract.

Release the State from Liability
The Sponsor will have all participants sign a general "release from liability" form. If the Sponsor does not wish to use an individual general release form, a hold-harmless clause must be attached to this agreement.

All participants, support personnel and media personnel must conform to the rules set forth in Administrative Policy A-12-02, "Special Events on State Highways."

Exemptions -- Insurance Requirements
If the all parties to this agreement are agencies of the State of Idaho insured through the Department of Administration, Office of Insurance Management (Risk Management), the sponsoring state agency shall be exempt from the insurance and indemnity requirements of Section I. The exemption shall cease immediately in the event the sponsoring state agency ceases to be insured through the State of Idaho, Department of Administration, Office of Insurance Management.

File a Traffic Control Plan
The Sponsor must submit a traffic control plan to the Department for approval at least twenty (20) working days in advance of the event date(s). Events that delay traffic longer than 15 minutes are required to develop a detour route. The Traffic Control Plan should indicate positive traffic control at the beginning of the detour, a safe two-way traffic route designed to accommodate commercial truck traffic, and clearly defined turns in the detour. Signing, flagging, and all traffic control devices where required, shall be installed, operated and maintained in conformance with the latest edition of the Manual on Uniform Traffic Control Devices.

Traffic control devices (signs, barricades, cones, tubular markers, drums, flagger paddles, etc.) shall be the responsibility of the Sponsor. If requested by the Department, the Sponsor will meet with cities, law enforcement agencies and the Idaho Transportation Department at Hailey City Hall on February 19, 2010 (at least a week prior to the event) for a traffic control briefing.

AGENDA ITEM SUMMARY

DATE: 04/10/2010  DEPARTMENT: Minutes Recording  DEPT. HEAD SIGNATURE: MHC

SUBJECT:

Motion to approve purchase of digital recording system for council chambers with FTR for the installation, setup and training of the FTR minutes recording system.

__________________________________________________________________

AUTHORITY: □ ID Code _______  □ IAR _______  □ City Ordinance/Code _______
(IFAPPLICABLE)

__________________________________________________________________

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

We have received three bids from various companies:

- Granicas - $13,132.59 with a $700 per month support fee (Sun Valley has this system)
- IQM2 Cara H Soft - $12,180 with a $3,180 annual support fee
- FTR Minutes - $2319 one time fee – optional service plan (Ketchum uses this software)

The first two quotes are for a more robust digital recording system with video conferencing capabilities. At some point this may be what we need but for now this FTR Minutes software will enable a transition to digital recording, streamlined minutes reviewing and better customer service. If citizens request a copy of meeting recordings we copy the cassette which can take up to 30 minutes per tape. The digital recording will enable us to provide better customer service and information sharing enhancements (capability of posting recorded meetings on our website).

Staff suggests purchasing FTR software as an interim solution to change from cassette tapes to digital recording. After this migration to digital recording our future needs can be evaluated further.

Once recording is in progress, notes and time-stamps with dynamic hyperlinks can be added to the FTR Minutes document. Roll call and voting results are all easily included with shortcut keys or by using the voting and roll call dialog boxes. Once the meeting has concluded, clerks can easily convert the meeting notes into their final minutes by clicking on each time-stamp hyperlink and listening to specific sections of the recording and adding relevant information to their minutes. FTR Minutes also streamlines the approval process by enabling council members and chairpersons to use the time-stamp links to review and verify what was said during meetings. The time-stamped minutes also make it possible for the public to easily locate and listen to portions of a meeting that are relevant to them.
