SUBJECT:
Hailey Rodeo Park Interpretive Exhibit
Agreement Letter & Scope of Work for Conceptual Design

AUTHORITY: □ ID Code □ IAR □ City Ordinance/Code (IF APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:
At the June 27, 2011 Hailey City Council meeting, city staff, on behalf of the Hailey Historic Preservation Commission/Rodeo Park Interpretive Exhibit Team, was authorized to enter into contract discussions with The Portico Group for conceptual design of the Hailey Rodeo Park Interpretive Exhibit. Discussions with The Portico Group have occurred, and an agreement letter and scope of work are attached to provide the desired services.

The not-to-exceed design fee for the work is $28,310. The estimated expenses, which will be billed as incurred, are $3,861. Evelyn Philips, the interpretive exhibit team's local illustrator, will assist The Portico Group during the conceptual design. A separate letter of agreement will be brought forth for Evelyn after the project kick-off.

At this time, the Hailey Historic Preservation Commission/Rodeo Park Interpretive Exhibit Team requests authorization for Mayor Rick Davis to sign the letter of agreement.

Re: Conceptual Design for Hailey Rodeo Park Interpretive Exhibits – Authorization to Proceed

Dear Ms. Anderson,

This letter declares our intent to begin work on the Conceptual Design for the Hailey Rodeo Park Interpretive Exhibits, per the attached work plan. A copy of this letter, signed by a representative of the City of Hailey, will serve as Authorization to Proceed with the work described herein.

Our understanding of the project parameters is as follows:

Schedule: The Concept Design effort will be undertaken in July, August and September of 2011. Pending final execution of this document, we will confirm a meeting schedule based on the workshops and presentations outlined in the work plan.

Deliverables: At the end of the Concept Design phase, we will produce a document that will show the organization of the exhibit spaces, outline the main messages and interpretive goals of the exhibits, and provide several evocative images of the gallery. It will also be appropriate for promotion of the project, and can be used to excite donors and contributors and to increase community awareness of the project.

Project Costs: As part of the Concept Design documentation, we will provide a preliminary estimate of probable project costs, based on the types of exhibits, the number of specific exhibit items, and the requirements for protection of artifacts. We will use your target project budget as a guide during the design phase, and assist you in identifying the “soft costs” that are generally associated with this kind of work.

Design Fees: Fees are outlined in the attached work plan, which represents a Not-to-Exceed labor fee and an outline of estimated expenses. Travel expenses will be
billed as incurred, with all efforts to find the best fares and prices. Expenses and consultant fees will be "marked up" by 5% to cover the costs of passing those monies through our office as prime consultant.

Please sign and return one copy of this letter, which we will accept as notice to proceed. We are thrilled to be participating in this project, and excited to assist the City of Hailey in the development and communication of this fascinating story. Thank you again for selecting our firm; we look forward to a continued partnership.

Best Regards,
Alissa Rupp, Principal

### Notes:
1. On Site Workshops and Meetings: 8 hours plus preparation and meeting notes for PM and specific staff.
2. Workshops may occur at HRP or at Portico offices. Other informal meetings or targeted conversations may occur on site or via web conference. Any transportation expenses will be billed as incurred, but are estimated here for convenience.
3. Printing costs are based on 2 copies of Draft and Final Master Plan reports, printed on 11x17 paper, in color as required. Electronic copies (PDF) will also be provided.
4. While cost estimating was not formally requested in the RFP, we recommend engagement of an experienced third party estimator familiar with the schedule and cost of exhibits and delivery methods. Portico will recommend candidates, and contract with one of them to provide estimates of probable costs and timelines.

RECOMMENDATION FROM APPLICABLE DEPARTMENT HEAD:

Make a motion to approve the Multi-Purpose Arena Cleaning Agreement with the revision setting a maximum fee for cleaning the bleachers, and authorize the mayor to sign.

FOLLOW-UP REMARKS:
MULTI-PURPOSE ARENA CLEANING AGREEMENT

THIS MULTI-PURPOSE ARENA CLEANING AGREEMENT ("Agreement") is made and entered into effective this ___ day of July, 2011, ("Effective Date") by and between the CITY OF HAILEY, 115 South Main Street, Hailey, Idaho 83333, a municipal corporation (hereinafter referred to as "Hailey"), and ORR FLOOR CARE (hereinafter referred to as "Contractor").

RECITALS

A. Hailey requires that the multi-purpose arena at the rodeo grounds, located at 791 Main Street So., Hailey, Idaho ("Arena"), be maintained in a safe, clean and attractive manner for the citizens of the City of Hailey.

B. Contractor has the ability to perform maintenance of the Arena for Hailey as more particularly described herein.

C. Subject to the terms and conditions of this Agreement, the parties wish to enter into this Agreement to provide the maintenance and cleaning services described herein.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants, terms, and conditions set forth herein, Hailey and Contractor agree as follows:

1. Description of the Work. Following each event at the Arena and when directed by Hailey, Contractor shall perform the following work at the Arena in a workmanlike manner and to the City of Hailey’s satisfaction:
   
   a) Cleaning of the public bathrooms.

   b) Cleaning of the Concession rooms

   c) Refilling the toilet paper, paper towel, sanitary napkin and hand soap dispensers.

   d) Power washing of the bleachers, only as directed by Hailey (typically at the end of a multi-day event).

   Hailey shall provide Contractor thirty (30) days advance notice of each event at the Arena requiring services under this Agreement.

2. Term. This Agreement shall commence on the Effective Date, and end at midnight on the 30th day of September, 2011. This Contract shall be automatically renewed after the first year, for additional one (1) year terms, unless either party gives advance thirty (30) days written notice of non-renewal or termination, as set forth herein.

3. Materials. All materials, and all costs related thereto, for the above-described work shall be supplied by the Contractor, exclusively at the Contractor’s expense, with the exception of
materials needed for repair and/or replacement of fixtures of the Arena. Such repair and/or replacement shall be conducted only upon written authorization by Hailey.

4. **Consideration.** As consideration for the above described material and work to be performed herein and upon performance of the work and maintenance herein described to Hailey's satisfaction, Hailey shall pay Contractor the sum of:

   a) $240 per day to perform the services described in paragraphs 1(a) through 1(c), above.

   b) $85 per day to perform the services described in paragraphs 1(a) and 1(c), above, for only one set of men’s, women’s and family bathrooms.

   c) $35 per day to perform the service described in paragraph 1(b), above, for each concession room.

   d) $50 per hour to wash the bleachers as described in paragraph 1(d), above, for a maximum of $____ per washing of the bleachers.

Contractor shall invoice Hailey on or before the 5th of each month for services performed under this Agreement. Hailey shall pay Contractor on or before the last day of the month of the invoice.

5. **Change Orders.** There shall be no modification or amendment of this Agreement, nor any increase in the amount of consideration provided above, except by means of written change orders executed by both parties hereto.

6. **Indemnification.** The Contractor and its employees are not, under this Agreement, employees or agents of Hailey. Contractor covenants and agrees to indemnify, defend and hold Hailey harmless from and against any and all claims, causes of action, damages, costs, and expenses including attorneys fees and costs, as a result of any act or omission on the part of the Contractor or Contractor’s employees, agents, invitees, or subcontractors, including bodily injury, property damage, personal injury and death that arise out of any act or omission of the Contractor or Contractor’s employees, agents, invitees, or subcontractors under this Agreement arising during or after the term of this Agreement.

7. **Insurance.** The Contractor shall maintain in full force and effect, at its sole cost and expense, during the term of this Agreement, commercial general liability insurance for the purpose of protecting Hailey against liability for loss or damage, for bodily injury, property damage, personal injury, death, civil rights violations, and errors and omissions, relating to the operations of the Contractor under this Agreement. Such policy shall provide insurance against property damage in an amount not less than $500,000.00 and bodily injury with limits of not less $500,000.00 per person and $1,000,000.00 total for each occurrence; provided, however, the minimum limits of insurance as set forth herein shall be automatically increased at any time the liability limits of Hailey are increased pursuant to the Idaho Tort Claims Act (Idaho Code Sections 6-901 et seq.). Such insurance shall be noncancellable except upon thirty (30) days prior written notice to Hailey. All of the insurance policies shall contain provisions that the insurers shall have no right of recovery or subrogation against Hailey, or Hailey’s insurer with regard to the aforementioned losses or damages. The Contractor’s certificates of insurance shall name Hailey and its officials, employees and agents as additional named insured and shall be endorsed to specify that such policies cover
the liability assumed by Contractor under this Agreement. Contractor shall also secure and maintain at least the statutory amounts of worker’s compensation, disability benefits, and unemployment insurance in accordance with the laws of the State of Idaho. Such insurance shall provide at least thirty (30) days written notice to Hailey before such policy is suspended, canceled, amended or terminated. The Contractor shall provide evidence of acceptable insurance at limits listed above to City Clerk, City of Hailey, 115 Main Street S., Suite H, Hailey, Idaho 83333.

8.  **Independent Contractor.** The Parties do not intend to create through this Agreement any partnership, corporation, employer/employee relationship, joint venture or other business entity or relationship other than that of an independent contractor.

9.  **Notices.** Any notices permitted or required under this Agreement shall be deemed given upon the date of personal delivery or 48 hours after deposit in the United States mail, postage fully prepaid, return receipt requested, addressed to the appropriate party at:

    **HAILEY:**  
    City of Hailey  
    Public Works Manager  
    115 South Main Street  
    Hailey, Idaho 83333  

    **CONTRACTOR:**  
    Orr Floor Care  
    Attn: Jeff Orr  
    1123 Lavina Avenue  
    Twin Falls, ID 83301

or at any other address as any party may, from time to time, designate by notice given in compliance with this section.

10. **Attorney’s Fees.** In the event either party hereto is required to retain an attorney to interpret or enforce the terms and conditions of this Agreement, or to recover damages as a result of a breach of this Agreement, the prevailing party in any such dispute shall recover from the other party all attorney’s fees and costs incurred by the prevailing party, whether or not litigation is instituted or concluded, on appeal or in bankruptcy proceedings.

11. **Governing Law.** This agreement is governed by, and enforced in accordance with, the laws and decision of the State of Idaho.

12. **Entire Agreement.** This Agreement sets forth the entire understanding and agreement between the parties hereto, and no amendment or modification to this Agreement shall be made except by means of a written instrument duly executed by both parties.

13. **Non-Apperopriation.** No commitment of public funds will be made prior to the approval of this Agreement. The terms of this Agreement are contingent upon sufficient appropriations being made by the City Council for the performance of this Agreement. If sufficient appropriations are not made, this Agreement shall terminate. Termination pursuant to the terms of this Agreement shall not result in any claim for payment or damages by either Contractor or City. City's decision as to whether sufficient appropriations are available shall be accepted by Contractor and shall be final.
14. Authority. Each of the persons executing this Agreement represents that they have lawful authority and authorization to execute this Agreement, as well as any other documents required hereunder, for and on behalf of the entity executing this Agreement.

15. Assignment. Neither party hereto may transfer or assign this Agreement without prior written consent of the other party.

16. Counterparts. This Agreement may be executed in several counterparts and all so executed shall constitute one Agreement, binding on all the parties hereto even though all the parties are not signatories to the original or the same counterpart.

EXECUTED effective the day and year first above written.

FINDINGS OF FACT, CONCLUSIONS OF LAW AND DECISION

On June 27, 2011, the Hailey City Council held a public hearing to consider the application by City of Hailey, Blaine County and Blaine County School District for Final Plat approval of Wertheimer Park Subdivision. The Council, having been presented with all information and testimony in favor and in opposition to the proposal, hereby makes the following Findings of Fact, Conclusions of Law and Decision.

FINDINGS OF FACT

Notice

Notice for the public hearing on June 27, 2011 was published in the Idaho Mountain Express on June 8, 2011; the notice was mailed to property owners within 300 feet on June 8, 2011.

Application

City of Hailey, Blaine County and Blaine County School District submitted an application for final plat approval for the subdivision of three (3) lots 119,561 square feet (Blaine Manor), 231,357 square feet (Rodeo Grounds) and 618,951 square feet (Hailey Elementary). The total land area of the subdivision is 969,869 square feet, or 22.27 acres.

Upon final plat approval and recordation of the plat, the applicants have agreed to execute quit claim deeds conveying any and all interest the entities may have in the other lots. For example, Hailey will quit claim any and all interests it may have in Lot 1 to the School District and in Lot 3 to Blaine County, the School District will quit claim any and all interests it may have in Lot 2 to the City of Hailey and in Lot 3 to Blaine County and Blaine County will quit claim any and all interests it may have in Lot 1 to the School District and in Lot 2 to the City of Hailey.

Procedural History

The Planning and Zoning Commission held a public hearing and recommended approval of the preliminary plat on June 7, 2010. The City Council held a public hearing and conditionally approved the preliminary plat on July 26, 2010. The Council’s findings were signed on August 9, 2010.

The Planning and Zoning Commission held a public hearing and recommended approval of the final plat on May 16, 2011.

SECTION 2 - PERMITS.

2.9 No permit for the construction of any building shall be issued upon any land for which all improvements required for the protection of health and the provision of safety, (including but not necessarily limited to an approved potable water system, an approved wastewater system to accept sewage, and asphalt paving of the streets) have not been installed, inspected, and accepted by the City of Hailey, with the following exception: Building permits may be
issued for any building in a development for which plats have been recorded and security provided, but the streets have not yet been completed with asphalt due to winter conditions. In such instances, the street shall be constructed as an all-weather surface to City Standards to the satisfaction of the City Engineer, and shall be kept clear to the satisfaction of the Fire Chief. No Final Inspection approval or Certificate of Occupancy shall be granted until all improvements, including asphalt, have been installed, inspected and accepted.

Notice of this requirement is hereby given to the applicants, and included as a recommended condition of approval.

SECTION 3 – PROCEDURE

3.3 Final Plat Approval. The final plat, prepared by a Professional Land Surveyor, must be submitted within one (1) calendar year from the date of approval of the preliminary plat, unless otherwise allowed for within a phasing agreement or as otherwise provided herein. Plats not submitted for final approval within one (1) year or according to the phasing agreement, shall be considered expired and preliminary plat approval shall become null and void. The Council may extend the deadline for submitting the final plat upon holding a public hearing. The City Council held a public hearing and conditionally approved the preliminary plat on July 26, 2010. The Council’s findings were signed on August 9, 2010. The final plat was submitted on April 19, 2011.

3.3.2 The administrator shall review the final plat application to ensure that the application submitted is consistent with the approved preliminary plat. The conditions imposed on the preliminary plat approval must be either completed or shown on plans or the plat prior to any public notice for final plat approval.

The final plat is consistent with the preliminary plat approved by the Council. Conditions of preliminary plat approval have been met or are carried over.

Conditions of Preliminary Plat Approval

a) All applicable Fire Department and Building Department requirements shall be met.

This condition is a standard condition and will be carried over for final plat.
b) All applicable City infrastructure requirements shall be met as outlined in Section 5 of the Hailey Subdivision Ordinance. Detailed plans for all infrastructure to be installed or improved at or adjacent to the site shall be submitted for Department approval and shall meet City Standards where required.

1. Sidewalk, curb and gutter within the Maple Street right-of-way adjacent to 266.17 feet of Lot 3 or a development agreement addressing the construction of a sidewalk upon the redevelopment of Lot 3 with a plat note stating the property is subject to a development agreement; the agreement shall be approved and executed by the City and the County prior to recordation of the plat.
An agreement has been signed by both the City of Hailey and Blaine County and will be recorded with the final plat. The final plat includes a plat note stating Lot 3 is subject to this development agreement.

c) The final plat shall include the following easements:
   1. A ten foot (10') wide public access easement along the west property line of Lot 1 south of Chestnut Street to Lot 2. This easement is shown on the final plat.
   2. All utility easements titled to the benefit of the City of Hailey. All utility easements are shown to benefit the City of Hailey, except the utility easement along the northern lot line of Lot 2, which is to benefit Idaho Power.
   3. All access easements titled to the benefit of the public. The two access easements are noted as benefiting the public.
   4. A ten foot (10') wide snow storage easement is shown along the east side of Lot 1 extended along the east side of Lot 2. This easement is shown on the final plat.
   5. The full width and length of all easements. The full length and widths of all easements are shown on the final plat.
   6. Easements pertaining to Idaho Power service, if applicable. An easement along the northern lot line of Lot 2, for the benefit of Idaho Power is shown on the final plat; this easement would be more appropriate in the form of a written easement rather than being shown on the plat.

d) Issuance of permits for the construction of buildings within the proposed subdivision shall be subject to Section 2.9 of the Subdivision Ordinance.
A building permit has been issued for development on Lot 2.

e) All improvements and other requirements shall be completed and accepted, or surety provided pursuant to Sections 3.3.7 and 5.9.1 of the Subdivision Ordinance, prior to recordation of the final plat.
This condition is a standard condition and will be carried over for final plat.

f) The final plat must be submitted within one (1) calendar year from the date of approval of the preliminary plat, unless otherwise allowed for within a phasing agreement.
The Council’s findings were signed on August 9, 2010. The final plat was submitted on April 19, 2011.

g) Any subdivision inspection fees due shall be paid prior to recording the final plat.

Standards of Evaluation
For each of the following pertinent standards of the Subdivision Ordinance (shown in bold print), the Council makes the following Findings of Fact:

SECTION 4 – DEVELOPMENT STANDARDS
Development standards were reviewed in detail during the preliminary plat approval process. Please refer to the preliminary plat Findings of Fact and Decision. No changes have been made to the plat since preliminary plat approval.

SECTION 5 - IMPROVEMENTS REQUIRED.

5.1 It shall be a requirement of the Developer to construct the minimum improvements set forth herein and any required improvements for the subdivision, all to City Standards.

5.1.1 Six (6) copies of all improvement plans shall be filed with the City Engineer and made available to each department head. Upon final approval two (2) sets of revised plans shall be returned to the Developer at the pre-construction conference with the City Engineer’s written approval thereon. One set of final plans shall be on-site at all times for inspection purposes and to note all field changes upon.

5.1.2 Prior to the start of any construction, it shall be required that a pre-construction meeting be conducted with the Developer or his authorized representative/engineer, the contractor, the City Engineer and appropriate City departments. An approved set of plans shall be provided to the Developer and contractor at or shortly after this meeting.

5.1.3 The Developer shall guarantee all improvements pursuant to this Section for no less than one year from the date of final acceptance by the City, except that parks shall be guaranteed and maintained by the Developer for a period of two years.

5.2 The Developer shall construct all streets, alleys, curb and gutter, lighting, sidewalks, street trees and landscaping, and irrigation systems to meet City Standards, the requirements of this ordinance, the approval of the Council, and to the finished grades which have been officially approved by the City Engineer as shown upon approved plans and profiles. The Developer shall pave all streets and alleys with an asphalt plant-mix, and shall chip-seal streets and alleys within one year of construction.
5.2.1 Street cuts made for the installation of services under any existing improved public street shall be repaired in a manner which shall satisfy the Street Superintendent, shall have been approved by the Hailey City Engineer or his authorized representative, and shall meet City Standards. Repair may include patching, skim coats of asphalt or, if the total area of asphalt removed exceeds 25% of the street area, the complete removal and replacement of all paving adjacent to the development. Street cut repairs shall also be guaranteed for no less than one year.

5.2.2 Street name signs and traffic control signs shall be erected by the Developer in accordance with City Standards, and the street name signs and traffic control signs shall thereafter be maintained by the City. N/A

5.2.3 Street lights in the Recreational Green Belt, Limited Residential, General Residential, and Transitional zoning districts are not required improvements. Where proposed, street lighting in all zoning districts shall meet all requirements of Chapter VIIIIB of the Hailey Zoning Ordinance.

5.3 The Developer shall construct a municipal sanitary sewer connection for each and every developable lot within the development. The Developer shall provide sewer mains of adequate size and configuration in accordance with City Standards, and all federal, state, and local regulations. Such mains shall provide wastewater flow throughout the development. All sewer plans shall be submitted to the City Engineer for review and approval. At the City Engineer's discretion, plans may be required to be submitted to the Idaho Department of Environmental Quality (DEQ) for review and comments.

5.4 The developer shall construct a municipal potable water connection, water meter and water meter vault in accordance with City Standards, or other equipment as may be approved by the City Engineer, for each and every developable lot within the development. The Developer shall provide water mains and services of adequate size and configuration in accordance with City Standards, and all federal, state, and local regulations. Such water connection shall provide all necessary appurtenances for fire protection, including fire hydrants, which shall be located in accordance with the IFC and under the approval of the Hailey Fire Chief. All water plans shall be submitted to the City Engineer for review and approval. At the City Engineer's discretion, plans may be required to be submitted to the Idaho Department of Environmental Quality (DEQ) for review and comments.

5.4.1 Within the Townsite Overlay District, where water main lines within the alley are less than six (6) feet deep, the developer shall install insulating material (blue board, insulation or similar material) for each and every individual water service line and main line between and including the subject
property and the nearest public street, as recommended by the City Engineer.

5.5 The Developer shall provide drainage areas of adequate size and number to meet the approval of the Street Superintendent and the City Engineer or his authorized representative.

5.6 The Developer shall construct each and every individual service connection and all necessary trunk lines, and/or conduits for those improvements, for natural gas, electricity, telephone, and cable television to the property line before placing base gravel for the street or alley.

5.7 The Developer shall improve all parks and Green Space areas as presented to and approved by the Commission and Council. N/A

5.8 All improvements are to be installed under the specifications and inspection of the City Engineer or his authorized representative. The minimum construction requirements shall meet City Standards or the Department of Environmental Quality (DEQ) standards, whichever is the more stringent.

5.9 Installation of all infrastructure improvements must be completed by the Developer, and inspected and accepted by the City prior to signature of the plat by City representatives, or according to a phasing agreement. A post-construction conference shall be requested by the Developer and/or contractor and conducted with the developer and/or contractor, the City Engineer, and appropriate City departments to determine a punch list of items for final acceptance.

5.9.1 The Developer may, in lieu of actual construction, provide to the City security pursuant to Section 3.3.7, for all infrastructure improvements to be completed by Developer after the final plat has been signed by City representatives.

5.10 Prior to the acceptance by the City of any improvements installed by the Developer, three (3) sets of “as-built plans and specifications” certified by the Developer’s engineer shall be filed with the City Engineer.
CONCLUSIONS OF LAW

Based upon the above Findings of Fact, the Council makes the following Conclusions of Law:

1. Adequate notice, pursuant to Section 3 of the Hailey Subdivision Ordinance, was given for the public hearing; and
2. Upon compliance with the conditions noted below, the application substantially meets the standards of approval set forth in the Hailey Subdivision Ordinance.

DECISION

Based upon the above Findings of Fact and Conclusions of Law, the application for Final Plat, dated April 2011, is approved by the Hailey City Council subject to the following terms and conditions:

a) The final plat submitted for signature shall include plat notes 1 through 2 as stated on the approved final plat. Plat note number 1 should be amended to delete reference to Ordinances 273 and 462.

b) The easement along the northern lot line of lot 2, for the benefit of Idaho Power is shown on the final plat shall be granted in the form of a written easement and not shown on the plat submitted for signature.

c) All City infrastructure requirements shall be met as outlined in Section 5 of the Hailey Subdivision Ordinance. Detailed plans for all infrastructure to be installed or improved at or adjacent to the site shall be submitted for Department Head approval and shall meet City Standards where required. Infrastructure to be completed at the applicant’s sole expense include, but will not be limited to, the following requirements and improvements:

d) The development agreement addressing the construction of a sidewalk upon the redevelopment of Lot 3 approved and signed by the City and the County shall be recorded with the recordation of the plat.

e) All improvements and other requirements shall be completed and accepted, or surety provided pursuant to Sections 3.3.7 and 5.9.1 of the Subdivision Ordinance, prior to recordation of the final plat.

f) The final plat shall be recorded within one year of the date of final plat approval. The final plat submitted for signature shall conform to the requirements found in Article 50-1301 (et. seq.) of the Idaho Code (as amended) and to the requirements set forth by Blaine County for digital plat submittals. The applicant shall provide the City with a letter-size or ledger-size photocopy of the recorded plat showing the instrument number and date of recordation.
g) Any subdivision inspection fees due shall be paid prior to recording the final plat.

FINDINGS OF FACT, CONCLUSIONS OF LAW AND DECISION

On June 27, 2011, the Hailey City Council considered an application submitted by Airport LLC for an amendment to the Hailey Zoning Map. The proposed amendment would change the zoning for Friedman Park Subdivision, Block 2, Lot 11A from Light Industrial (LI) to Limited Business (LB). The subject property is located at 960 S. Main St. The Council, having been presented with all information and testimony in favor and in opposition to the proposal, hereby makes the following Findings of Fact, Conclusions of Law and Decision.

Notice

Notice for the public hearing scheduled for June 13, 2011 was published in the Idaho Mountain Express and mailed to owners within 300 feet and to public agencies and area media on May 25, 2011 and continued on the record on June 13 to June 27, 2011. Notice was posted on all external boundaries of the property on June 17, 2011.

Application

The applicant, Airport LLC, initiated action for a zone change from Light Industrial (LI) to Limited Business (LB) to allow for complimentary services to rodeo arena and ice rink located to the north of the property.

The applicant's proposal is to develop a business, geared toward tourism and the hosting of special events on the site. The applicant believes proposed business type could enhance the community activity capability and aesthetics in the area and along South Main Street.

Procedural History

The Planning and Zoning Commission held a public hearing on the proposed amendments on April 13, 2011. The Commission recommended a zoning map amendment to change the zoning of Lot 11A, Block 2, Friedman Park Subdivision (960 S. Main St) from Light Industrial (LI) to Limited Business (LB). The recommendation was made with the condition that a development agreement be executed providing residential uses on the lot be prohibited as long as an airport exists on adjacent property.

The Commission determined that the proposed amendment conforms to the Comprehensive Plan’s land use map. The Land Use Map depicts the area proposed for rezone as a “Community Activity Area”. Goal 5.1 of the Comprehensive Plan describes Community Activity Area as areas located at the north and south ends of the Main Street Corridor. High density residential is encouraged in these areas as is commercial and mixed use development, but these goals remain subordinate to the infill of Downtown. The Commission determined the rezone would further the development of the South Main Activity Area identified in the Comprehensive Plan.

The Commission determined that the proposed rezone would be compatible with the surrounding area since the area to the north of the proposed property includes: the skate park, the ice rink, the rodeo arena, a restaurant, and a gasoline service station. The Commission made this determination even though rezoning the proposed property would make the property's zoning different from that of the property used for automobile sales and various LI uses to the West and South. It was determined the rezoning would likely not impact these properties. This rezone
would also be generally consistent with the changes to the Airport Way LI area anticipated to occur in association with the redevelopment of the FMA site.

The Commission considered the number of vacant buildings currently located in the LB district, such as Sweetwater, R. Davis Business Center Subdivision, Woodside Subdivision lots, and Copper Ranch parcels, and the distance of the parcel proposed for rezone from the Central Core Overlay District boundary. Ultimately, after considering these factors, the Commission recommended the proposed property be rezoned.

**Standards of Evaluation**

Section 14.6 of the Hailey Zoning Ordinance establishes the standards for proposed zoning ordinance map amendments. For each applicable standard (in bold print), the City Council makes the following Findings of Fact:

14.6  **When evaluating any proposed amendment under this Article, the Council shall make findings of fact on the following criteria:**

   a.  **The proposed amendment is in accordance with the Comprehensive Plan;**

The Comprehensive Plan Land Use Map reflects suitable projected land uses for the City. It considers existing conditions, trends, and desirable future situations, the objective being a balanced mix of land uses for the community. The Map establishes a basis and direction for the expansion and/or location of business, residential, industrial, institutional and green space areas within and adjacent to the City. The Land Use Map depicts the area proposed for rezone as a “Community Activity Area”. Goal 5.1 of the Comprehensive Plan describes Community Activity Area as areas located at the north and south ends of the Main Street Corridor. High density residential is encouraged in these areas as is commercial and mixed use development, but these goals remain subordinate to the infill of Downtown.

b. Essential public facilities and services are available to support the full range of proposed uses without creating excessive additional requirements at public cost for the public facilities and services; Due to the location of Friedman Park Sub Bk 2 Lot 11A (situated along South Main Street and in proximity to LB areas directly across the street), public facilities and services are available and sufficient to support the full range of uses permitted by the LB district.

c. The proposed uses are compatible with the surrounding area; and
The LB newly rezoned area matches the zoning of properties to the North including: the skatepark, ice rink, rodeo arena, restaurant, and gasoline service station. Though the rezoning of Friedman Sub Bk 2 Lot 11A to LB makes the parcel's zoning different than automobile sales and various LI uses to the West and South, these properties likely will not be impacted. However, rezoning this parcel would likely not impact these properties. The land use strategy for the redevelopment of the airport site anticipates the north end of the airport site and properties along Airport Way to redevelop in a manner consistent with the Comprehensive Plan and traditional LI uses will be phased out of this area of the city. Finally, the rezone will not impact the airport runway to the East. As noted earlier, property owners within 300 feet were noticed by mail of this potential rezone and no comments were received.

d. The proposed amendment will promote the public health, safety and general welfare.
The rezone is consistent with the Comprehensive Plan's description of Community Activity Areas on the north and south ends of Main Street. The general welfare of neighboring properties will unlikely be negatively impacted, based on the nature of the uses allowed in the LB District.

Map of parcel/adjacent areas
14.6.1 When evaluating any proposed Zoning Ordinance Map Amendment to rezone property to Business (B) Zoning District, Limited Business (LB) Zoning District, or Transitional (T) Zoning District, the Council shall consider the following:

a. Vacancy rates of existing buildings and land within the existing Business (B), Limited Business (LB) or Transitional (T) Zoning Districts. A lower vacancy rate will favor a rezone, while a higher vacancy rate will not favor a rezone.

</tbody>
</table>
b. The distance of the parcel proposed for rezone from the Central Core Overlay District boundary. A shorter distance from the Central Core Overlay District boundary will favor a rezone, while a longer distance from the Central Core Overlay District boundary will not favor a rezone.

The approximate distance from the Central Core Overlay District Boundary to Friedman Park Sub Bk 2 Lot 11A is 0.42 miles.

While the development agreement for Sweetwater allows a portion of the development to be zoned Limited Business, it is limited to Lots 1 & 2 in Block 16 and Lot 1 in Block 20, Parcels “B2” and “G” of Woodside Subdivision, and Lots 1 & 2 in Block 21 of Woodside Subdivision.

At Copper Ranch, the Health Club (front addition to tennis courts) remains vacant as the project is not complete. Lots 1A and 2A in Block 61 of Woodside Subdivision (3.44 acres), located at the intersection of Winterhaven Dr. and Woodside Blvd, are also vacant. Each of these Limited Business (LB) zone areas, are however, in other parts of town from the proposed rezone lot, and are completely surrounded by residential areas and the proposed rezone lot is not. Therefore, the vacant building and lots will likely not impact the uses of the proposed rezone lot.

In considering impacts the rezone may have on surrounding properties, the Council also considered impacts the surrounding properties may have on the proposed rezoned property. The Council agreed that since Friedman Memorial Airport is adjacent property, the Friedman Memorial Airport noise impact disclosure should be included in the development agreement acting as notice to any future owners of the property.

CONCLUSIONS OF LAW

Based upon the above Findings of Fact, the Council makes the following Conclusions of Law:

1. Adequate notice, pursuant to Section 14.4.1 of the Hailey Zoning Ordinance No. 532 and Idaho Code, Section 67-6511, was provided.

2. The Zoning Map amendment is in accordance with the Hailey Comprehensive Plan, essential public facilities and services are available to support the full range of proposed uses without creating excessive additional requirements at public cost for the public facilities and services; the proposed uses are compatible with the surrounding area; and the proposed amendment will promote the public health, safety and general welfare; and the vacancy rates and distance from the Central Core Overlay were considered and the rezone was approved.
DECISION

Based upon the above Findings of Fact and Conclusions of Law, the City Council approves the zoning map amendment to change the zoning of Lot 11A, Block 2, Friedman Park Subdivision (960 S. Main St.) from Light Industrial (LI) to Limited Business (LB) rezone subject to the following terms and conditions:

1. A development agreement be executed providing residential uses on the lot be prohibited as long as an airport exists on adjacent property; and

2. The development agreement include the Friedman Memorial Airport noise and fume impact disclosure, stating: Lot 11A, Block 2, Friedman Park Subdivision (960 S. Main St) is located adjacent to the Friedman Memorial Airport in a noise impact area; that present and future noise impacts might be annoying to the buyer and might interfere with the unrestricted use and enjoyment of the property; that these noise impacts might change over time by virtue of greater numbers of aircraft, louder aircraft, seasonal variations, and time of day variations; the changes in airport, aircraft and air traffic control operating procedures or in airport layout could result in increased noise impacts and that the buyer’s own personal perceptions of the noise impact could change and that his or her sensitivity to aircraft noise could increase.
