Motion to declare surplus equipment – library shelving and authorize the removal and disposal of old library shelving and a study carrel to make space available for new shelving.

AUTHORITY: ☐ ID Code  ☐ IAR ___________  ☐ City Ordinance/Code ______

BACKGROUND:
The current shelving was donated by another library when the current library space was acquired. With the help of a grant and supplemented funds from the Friends of the Hailey Public Library, more shelving will be installed. At this point, shelving is more of a priority than a private study carrel. The carrel will be removed to make way for more needed shelving.

An attempt will be made to recycle the shelving at the Building and Material Thrift Store. Otherwise the shelving will be taken to the dump.
