REQUEST FOR STATEMENT OF QUALIFICATIONS

The City of Hailey is seeking statements of Qualifications from architectural firms or individuals for assistance with the drafting of a Master Plan for the City of Hailey Rodeo Grounds property. The anticipated scope of work for this project is included.

Since May 2008, the City of Hailey has been working with the Sawtooth Rangers and Hailey Ice volunteers, as well as other interested community members, to develop a conceptual plan for the Hailey Rodeo Grounds that would allow the rodeo event to continue and construct a concrete refrigerated rink in the center of the rodeo arena. This cooperative planning effort has been coordinated by the Hailey Parks & Lands Board, a group of volunteers appointed by the Mayor and Council to advocate the recreational interests of the citizens of Hailey.

Through the information gathered and discussed in a series of public meetings, P&L Board has recommended a site layout that accomplishes the community's stated goals; however, the plan now requires a professional design. The Board has been authorized by the City Council to seek a professional that can provide this assistance.

Applicants are expected to provide the following minimum information:

1. Applicants must show substantial firm expertise in design including site design and traffic circulation. Subcontracting for expertise not available within the submitting firm will be considered and should be noted in the application.

2. Applicants must list all team members expected to participate in the project and list individual responsibilities and qualifications.

3. Applicants must provide examples of related work and references.

4. Lead architects or engineers involved with this project must be licensed in the State of Idaho.

Qualified firms or individuals must submit a full statement of qualifications to the office of the City Engineer at 115 S. Main, Hailey, Idaho 83333 no later than 5:00 p.m. on April 3, 2009 to be considered. Please contact Thomas Hellen at 208-788-9830, Ext 14 for additional information concerning this project. The Mayor and City Council will select a
short list at the Council meeting on April 13, 2009 and those firms will be asked to submit proposals for completing the project as outlined by the City of Hailey.

PRELIMINARY SCOPE OF WORK

The Master Plan for the Hailey Rodeo Grounds that incorporates the existing white board wall in a multi-use outdoor arena for the Sawtooth Rangers 4th of July Rodeo and the Hailey Ice Rink that would enable other events and uses such as concerts, farmers markets or other community events; expansion to the Hailey Skatepark; public restrooms; visitors information kiosk or center; traffic flow and parking with an improved entrance at Main Street; and, green picnic areas. The Scope of Work is expected to include the following as a minimum:

- Conceptual site plan depicting a multi-use arena and support areas, traffic lanes and parking, landscaping and snow storage areas, pedestrian walkways and plaza areas, and other elements, drawn to scale and in sufficient detail to adequately describe a Rodeo Grounds Master Plan.

- Recommendations to utilize the existing white board wall, either intact as it is now or to be incorporated into a new structure to be used as an outdoor multi-use arena.

- Conceptual elevations showing the multi-use arena.

- Recommended construction phasing plan.

COBRA ADMINISTRATIVE SERVICES AGREEMENT

(IFAPPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:
Attached is an Agreement between A.W. Rehn and Associates establishing terms and conditions for the provision of COBRA (continuation of coverage) for exiting employees. Apparently this agreement was not signed in 2007 when we began working with Moloney+O'Neill for our Group Health coverage. This is a housekeeping issue; we have been using A.W. Rehn for COBRA administration since April 1, 2007 without charge. Rehn invoices Moloney+O'Neill and sends copies of notices to us for our files.

RE: Delta Dental Renewal

The price for dental coverage has changed with our renewal. We have opted to renew Delta Dental for a 21 month period. At the end of this time, our dental, health and vision insurances will be on a calendar cycle, rather than mid-year.

The rates have increased roughly 15% with this renewal, but are locked in until 12/31/2010. There are few dental options available in our area but we can research further during 2010 to see if Blue Cross of Idaho has a viable option or if others have become available.

Draft 12-30-03
2009 Arbor Day Grant Program
"PLANTING IDAHO"

The Idaho Nursery and Landscape Association (INLA), in cooperation with the Idaho Department of Lands (IDL), Avista, Rocky Mountain Power, and Idaho Power, is pleased to announce a program intended to help cities celebrate Arbor Day, plant appropriate trees for energy conservation and foster a stronger relationship between Idaho communities and the Green and Utility Industries. This year, 40 Arbor Day grants in the amount of $300 will be awarded for “Planting Idaho”. Funding for this program is provided by the generous contributions of these Idaho utilities that have a large interest in healthy urban forests and having the right tree planted in the right place.

All Idaho communities are eligible to participate in the “Planting Idaho” program. Grant funds can be used for purchasing trees and shrubs and/or related planting and care materials for your community’s Arbor Day celebration. A lottery style drawing will be used to determine who receives each of the 40 available grants. Applications must be received by INLA no later than March 20th, 2009 to be considered. A list of INLA members will be provided to the grantees so they may purchase quality plant material and receive reliable advice on selection, planting and care; thus ensuring a significant positive impact on Idaho’s environment.

This is a reimbursement grant. Therefore, grantee communities must submit copies of paid invoices for plant materials, with check numbers, in the amount of at least $300 to receive full payment of the grant. Additionally, a match of 25% ($75) in cash or in-kind donation is required by the grantee.

Idaho joins most other states in celebrating Arbor Day on Friday, April 24, 2009. However, trees and planting conditions don’t honor calendars – your community may choose to celebrate Arbor Day on a different date.

Motion to authorize the Hailey Public Library to continue to implement collections through a private company (Unique Management Services) and all that collections entail.

AUTHORITY: □ ID Code  □ IAR ________  □ City Ordinance/Code ______

BACKGROUND:

The Library Board made and approved a motion at the regular September 2008 board meeting to implement a collections service. A significant amount of revenue has been lost due to unrecovered materials and overdue fines. In the past, the Hailey Public Library has used internal resources in attempts to recover materials and money. The Hailey Public Library issues three separate notices over 120 days. If the materials are not collected or the account has an outstanding balance of $25.00 or more, the account is turned over to the collection agency. The process is handled between the Library’s Horizon database and the collection agency. Every patron that is turned over to collections is charged a $10.00 debt collections fee of which $8.05 is paid to UMS. The $1.05 difference is collected to offset Library personnel time.

RE: FY07 Certified Local Government grant documents

Enclosed find two copies of the Memorandum of Agreement and Assurances for the FY09 Certified Local Government grant to your community. Please have the appropriate government official sign the documents and return them to me. I will have our State Historic Preservation Officer (SHPO) sign and return a fully executed copy to you. For those communities where a government staff member does not administer the grant, please ensure a copy is given to the city or county clerk for their files.

At this time, Congress has funded this program through a Continuing Resolutions allowing for partial grant awards. Without question, each CLG will receive $1,850. Although there is no guarantee for additional funding this fiscal year, we do anticipate continued support and expect to be able to pass through the amount of money identified on the attached chart. If you have any further questions about staging this grant, please contact me.

Please mark your calendar to ensure a Mid-Project report is submitted on April 15 and the final product and billing will be submitted NO LATER THAN AUGUST 31, 2009. If you are working on a publication or any other public presentation, remember to acknowledge federal funding.

We look forward to working with each of you again. Do not hesitate to contact our office if you feel we can be of assistance in any way. Our grant manual is on-line at the Idaho State Historical Society web site http://www.idahohistory.net/clgranthandbook.pdf for further guidance.

THIS AGREEMENT between the Idaho State Historic Preservation Office, Idaho State Historical Society, by and through the State Historic Preservation Officer, and the City of Hailey hereinafter called the grantee, relates to a survey and planning project to be undertaken by the grantee, assisted with a matching grant-in-aid to support the National Register of Historic Places program in Idaho. The program was established by the National Historic Preservation Act of 1966, as amended, and is administered by the National Park Service, U.S. Department of the Interior.

The State Historical Society and the grantee agree as follows:

1. Application (Project Description and Budget)

The grantee shall carry out project work in accordance with the project "Budget," which is attached and hereby incorporated into and made part of this Memorandum of Agreement as Attachment B. Both parties agree that all funds used by the Idaho State Historical Society for this project shall be federal funds from the Historic Preservation Fund. No state funds are available to satisfy the terms of this agreement. Any major alteration, increases, or decreases in the Project Description or any changes in the Budget must be submitted in writing for review and approval to the State Historic Preservation Office at least 30 days in advance of the proposed effective date and in accordance with the requirements detailed in the project manual which is attached and hereby incorporated into and made part of this Memorandum of Agreement. The State Historic Preservation Office will respond in writing within 15 days.

   Final products will be reviewed and evaluated in accordance with the Secretary of the Interior’s Standards for Archaeology and Historic Preservation and the approved "Application." Products that do not meet these standards will be rejected and obligation for products established in the "Work Program" will be considered unfulfilled.

   Billing is due to State Historic Preservation Office no later than August 31, 2009.

2. Period of Performance

   All work carried out as part of this grant-assisted project shall be conducted between October 1, 2008, and the project completion date of August 31, 2009, but not until the grantee has received a signed Memorandum of Agreement. Any changes in the period of performance for this project must be approved in writing by the State Historic Preservation Office at least 30 days prior to the project completion date.

   A draft of any publication prepared as part of this project shall be submitted at least 30 days before the project completion date for review and approval by the State Historic Preservation Office. All publications and public information materials including audio visual and workshop materials, when applicable, must contain acknowledgment of National Park Service support and the nondiscrimination statement as identified in NPS-49 and the "CLG Grants Handbook".

3. Compensation

   Compensation to the grantee shall be on a matching basis as outlined in the "Budget", subject to receipt of funds from the National Park Service and to successful completion of all project work activities. The State Historic Preservation Office agrees to pay the grantee up to $4,000 federal funds when received by the Society according to the Certified Local Government allocation system.
as outlined in the Certified Local Government Program. The grantee agrees to contribute donated services for a minimum total of $4,000 or 50% of eligible costs, whichever is less.

Payment will be made on the following schedule: The grantee may bill the State Historic Preservation Office after the completion and acceptance by the Society of each completed activity and federal and non-federal share supporting fiscal documentation. The Idaho State Historical Society will reimburse the federal share to the grantee upon the receipt of three copies of the reimbursement request if all completion materials and auditable records are approved. All reimbursements will be made for cash expenditures only. Reimbursement will be made when Historic Preservation Funds become available to the Idaho State Historical Society.

Final billing must also include a comparison of completed activities and budget to those in the approved application.

The grantee agrees to maintain all financial and administrative documents and records pertaining to the full life-cycle of the grant for a period of not less than three years after completion of the project.

4. **Allowable Costs**

Allowable costs are those costs that are documented to the satisfaction of the State Historic Preservation Office, that conform to the approved budget, and that are determined by the Historic Preservation Office to:

a. meet federal requirements for the program;

b. be necessary and reasonable for the completion of project work;

c. have been incurred for project work during the period of the grant; and

d. meet the obligations outlined in the "Application".

If the application is for acquisition or development of a National Register listed property:

5. **Procurement of Personnel and Services**

The grantee agrees to comply with Office of Management and Budget Circular A-102 when soliciting supplies, equipment and other services. At a minimum all procurement transactions, regardless of whether by sealed bids or by negotiation, and without regard to dollar value, shall be consistent with OMB Circular A-102. Procurement procedures shall not restrict or eliminate competition. Written selection procedures shall provide, at a minimum, the following procedural requirements:

a. Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product, or service to be procured, and when necessary shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a "brand name or equal" description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated.

b. Clearly set forth all requirements which offerors must fulfill and all other factors to be used in evaluating bids or proposals, such as a deadline for completion of project work.

c. Contract awards shall be made only to responsible contractors that possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

d. Contract awards shall not normally be made to a contractor or professional who has developed or has drafted bid specifications, requirements, a statement of work, an invitation for bids, and/or a request for proposals for a particular procurement. Only after formal advertising has not resulted in any acceptable bids may the grantee or subgrantee negotiate with any available contractor, including the contractor who produced the bid requirements.

Procurement shall be made by one of the following methods: (1) small purchase procedures; (2) competitive sealed bids (formal advertising); (3) competitive negotiation; (4) noncompetitive negotiation.

Evidence of competitive negotiation for professional services and/or formal advertising must be forwarded to the Historic Preservation Office to evidence compliance with federal procurement requirements prior to disbursement of funds.

6. **Project Supervision**

The grantee agrees to ensure that work performed by any project participant conforms to the Application and project schedule and is executed to the professional and scholarly standards required by the Historic Preservation Office.

7. **Interim Reports and Requests for Reimbursement**

The grantee will be required to submit interim fiscal and programmatic reports in compliance with
those dates set forth in the Application. Fiscal and programmatic reports are also required on September 10, if the grant crosses the federal fiscal year. Reimbursement requests can be made for federal funds at the completion of the project. Fifteen days after the completion of the project, 100% of the federal grant award must be requested. The grantee shall contact the Historic Preservation Office immediately in writing if any situation should arise that will affect the timely or successful completion of this project.

The grantee shall indemnify, defend and save harmless the State of Idaho, and the Department, its officers, agents and employees from and against all liability, claims, damages, losses, expenses, actions and suits whatsoever, including injury or death of others or any employee of the contractor or subcontractor caused by or arising out of performance, act or omission of any term of this contract.

THIS AGREEMENT may be terminated short of conclusion upon 15 days written notice from either the State Historic Preservation Office or the grantee. Should this agreement be terminated by the State Historic Preservation Officer, except for reasons of non-compliance by the grantee, the Historic Preservation Office will reimburse the grantee for up to 100% of the eligible costs incurred up to the termination date. Should this agreement be terminated by the grantee, the State Historic Preservation Office, at the discretion of the State Historic Preservation Officer, may reimburse the grantee for up to 100% of the eligible costs incurred to the termination date or may require the grantee to return any or all federal funds transferred to the grantee by the terminating date, depending upon the circumstances of the termination.
