AGENDA ITEM SUMMARY

DATE: 12/16/2013 DEPARTMENT: Admin DEPT. HEAD SIGNATURE: HD

SUBJECT:

Motion to approve Amendment to Memorandum of Agreement for CLG Grant through the State Historical Preservation Office, which increases Hailey’s grant funds from $2500 to $2800 for the historical surveys completed of the Episcopal Church Assay Office and the Community Baptist Church.

AUTHORITY: □ ID Code □ IAR □ City Ordinance/Code

(FIAPPLICABLE)

FEMA

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

State Historical Preservation Office (SHPO) has some remaining grant funds unspent by other jurisdictions. Because Hailey has completed its granted activity, SHPO has offered Hailey an additional $300 toward the church survey projects.

RECOMMENDATION FROM APPLICABLE DEPARTMENT HEAD:

Motion to approve Amendment to Memorandum of Agreement for CLG Grant through the State Historical Preservation Office, which increases Hailey’s grant funds from $2500 to $2800 for the historical surveys completed of the Episcopal Church Assay Office and the Community Baptist Church.

FOLLOW-UP REMARKS:
AMENDMENT TO MEMORANDUM OF AGREEMENT

This document is to amend the agreement between the City of Hailey and the Idaho State Historical Society dated May 8, 2013 covering the grant under the Certified Local Government Program (CLG). The Idaho State Historical Society will increase the award of the grant to from $2,500 to $2,800.

No state funds are available for this project. There is no change in the product as proposed in the FY13 grant application. This amendment is effective immediately and subject to the rules and regulations outlined in the original Agreement.

AGENDA ITEM SUMMARY

DATE: 12/16/2013       DEPARTMENT: Fire       DEPT. HEAD SIGNATURE: ____________________

SUBJECT: Fire Fighter’s Assistance Grant for new hose and related appliances

AUTHORITY: ☐ ID Code ___________  ☐ IAR ___________  ☐ City Ordinance/Code ___________
(IFAPPLICABLE)

       FEMA

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

Following hose testing, the Hailey Fire Department prepared a Firefighter Assistance Grant application for new fire hose and nozzles. The grant specifies that it will not replace equipment less than 15 years old – prior to testing today our average hose age was 19 years.

FISCAL IMPACT / PROJECT FINANCIAL ANALYSIS:

Budget Line Item #: ___________________ YTD Line Item Balance$: ___________
Estimated Hours Spent to Date: ___________________ Estimated Completion Date: ___________
Staff Contact: ___________________ Phone #: ___________
Comments: ___________________

The full grant amount requested is $98,820, and a 5% match is required. If successful, Hailey would match $4,941 and receive $93,897 for new hose and appliances. That match constitutes approximately half of Hailey Fire Department’s equipment replacement budget.

RECOMMENDATION FROM APPLICABLE DEPARTMENT HEAD:

Motion to ratify Hailey Fire Department Grant Application for FEMA Assistance to Firefighters Grant (AFG) in the amount of $98,820 for fire hose, nozzles, and related appliances, of which 5% is Hailey’s match, authorizing Hailey Fire Department’s submittal and execution of grant application and assurances

Section # 1 Project Description: In the space provided below include clear and concise details regarding your organization’s project’s description and budget. This includes providing local statistics to justify the needs of your department and a detailed plan for how your department will implement the proposed project. Further, please describe what you are requesting funding for including budget descriptions of the major budget items, i.e., personnel, equipment, contracts, etc. *3000 characters

The Halley Fire Department is a combination organization with three paid staff members and approximately 23 active paid on call members. The department consists of a paid Fire Chief, Deputy Chief and Staff Assistant.

The Halley Fire Department is requesting federal assistance for new fire hose, both attack and supply lines and new nozzles and appliances. The Halley Fire Department is responsible for multiple types of emergency response. Our firefighters are trained for and respond to EMS calls; structure, automobile and wildland fires; extrication and technical rescue; hazardous materials spills and incidents; bomb threats; aircraft crashes; water leaks; floods and avalanches, and all other community emergencies. The Department has entered into mutual and auto aid agreements with all area departments and agencies, and participates in a number of different regional response teams. Both the breadth of this mission and community expectation concerning the level of training and expertise of responders stretches department resources. The Department concentrates almost all of our current funding on training responders and providing basic response equipment for a wide variety of incident types. We are very concerned that the Department’s current complement of fire hose, all types and sizes are in need of replacement. This year’s hose testing resulted in taking almost 20% of the total department’s inventory out of service due to severe leaks, bulges and liner separations. The average age of our current fire hose inventory in 2013 is 19 years old. We had some in-service hose dating back to 1974.

The department is funded primarily through tax revenue, the present operating budget in FY14 is approximately 10% of the City of Halley General Fund Budget. The department’s $440,960 budget contains very little capital or equipment replacement funding, with 82% of the total budget earmarked for personnel services. Over the last several years the department and city have felt increasing economic pressures from several fronts, including a continuing decline in state tax revenue. This revenue source is the city’s second largest single revenue source, and has declined since 2007 over 23%. The department is faced with increased service demands with less resources. The department is looking to replace all hose, nozzles and appliances which are compatible with current NFPA standards. This will also ensure that we will have standardization among all apparatus with the same complement of nozzles, and appliances. We are also requesting equipment to test and ensure we have accurate fire flows.

Section # 2 Cost/Benefit: In the space provided below please explain, as clearly as possible, what will be the benefits your department or your community will realize if the project described is funded (i.e. anticipated savings and/or efficiencies)? Is there a high benefit for the cost incurred? Are the costs reasonable? Provide justification for the budget items relating to the cost of the requested items. *3000 characters

The cost for the new equipment is reasonable considering the longevity which we expect to achieve with the new inventory. We are in the process of developing a Fleet and Equipment Replacement Plan where future needs can be adequately budgeted for barring any unforeseen economic declines. If the grant is approved we can expect a high benefit for the cost incurred by having both dependable fire attack and supply lines. This will also enable our department to standardize our nozzle inventory where we can establish better fire flow accountability. The current budget for all capital replacement equipment for this fiscal year is $9,750. If the grant is approved, we will be in a stronger position to best utilize any remaining funds for other necessities.
* Section # 3 Statement of Effect: How would this award affect the daily operations of your department (i.e., describe how frequently the equipment will be used or what the benefits will provide the personnel in your department)? How would this award affect your department's ability to protect lives and property in your community? *3000 characters

This award would have an immediate effect on the department. First at the most basic level it would involve a significant amount of department participation. All new hose would have to be tested and placed into service (GREAT training). Second, all new nozzles will be flowed through each discharge so accurate flows can be recorded and plumbing adjustments can be made if needed. In addition to calls for service, all hose and nozzles would be used on a weekly basis during scheduled training. We will also be providing new recruit firefighter training where this new equipment will be utilized. Having a dependable water supply through new hose, nozzles and appliances from the hydrant to the fire would give our department a better ability to protect lives and property in our community.

Please describe in the box to the right your training program and your plans to bring your membership up to Firefighter II.

The Hailey Fire Department now participates in a Statewide IFSAC training program for new recruits. The program includes an IFSAC accredited FF-I course; Haz-Mat Awareness & Operations; Introduction to Extrication; NWCG FF-II; ICS100 and ICS-700a. We are in the process of sending several members through advanced Firefighter training and have just completed our annual Fire/EMS Training calendar for 2014 which entails weekly training in addition to quarterly mutual aid training with neighboring departments. We are aggressively working towards training and bringing the entire department to the FFII level of proficiency and trying to recruit new volunteers who are already certified at that level.

The City of Hailey is a remote community located in the center of Idaho. Despite its relatively small population of 8065 persons, it is the 21st largest city in the state of Idaho. It serves as the bedroom community for the resort areas of Sun Valley and Ketchum Ski Resorts. Idaho's second busiest airport is located entirely within the city limits of Hailey. Hailey is also the home to five of the counties seven public schools, and fully two thirds of the counties student population with over 2000 children.

Assurances Non-Construction Programs

Note: Certain of these assurances may not be applicable to your project or program. If you have any questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant I certify that the applicant:

1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of the project described in this application.

2. Will give the awarding agency, the Comptroller General of the United States, and if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.

3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.

5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. Section 4728-4763) relating to prescribed standards for merit systems for programs funded under one of the nineteen statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).

6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. Sections 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. Section 794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. Sections 6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Acts of 1968 (42 U.S.C. Section 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination
provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

7. Will comply, or has already complied, with the requirements of Title II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interest in real property acquired for project purposes regardless of Federal participation in purchases.

8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is $10,000 or more.

11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176 of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. Section 1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.

14. Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. 2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.

16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. Section 4801 et seq.) which prohibits the use of lead based paint in construction or rehabilitation of residence structures.

17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1986 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations and policies governing this program.

Certifications Regarding Lobbying, Debarment, Suspension and Other Responsibility Matters and Drug-Free Workplace Requirements.
Note: Fields marked with an * are required.

O.M.B Control Number 1660-0025

Applicants should refer to the regulations cited below to determine the certification to which they are required to attest. Applicants should also review the instructions for certification included in the regulations before completing this form. Signature on this form provides for compliance with certification requirements under 44 CFR Part 18, "New Restrictions on Lobbying; and 44 CFR Part 17, "Government-wide Debarment and Suspension (Non-procurement) and Government-wide Requirements for Drug-Free Workplace (Grants)." The certifications shall be treated as a material representation of fact upon which reliance will be placed when the Department of Homeland Security (DHS) determines to award the covered transaction, grant, or cooperative agreement.

1. Lobbying
A. As required by the section 1352, Title 31 of the US Code, and implemented at 44 CFR Part 18 for persons (entering) into a grant or cooperative agreement over $100,000, as defined at 44CFR Part 18, the applicant certifies that:

(a) No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the making of any Federal grant, the entering into of any cooperative agreement and extension, continuation, renewal amendment or modification of any Federal grant or cooperative agreement.

(b) If any other funds than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form LLL, "Disclosure of Lobbying Activities", in accordance with its instructions.

(c) The undersigned shall require that the language of this certification be included in the award documents for all the sub awards at all tiers (including sub grants, contracts under grants and cooperative agreements and sub contract(s)) and that all sub recipients shall certify and disclose accordingly.

2. Debarment, Suspension and Other Responsibility Matters (Direct Recipient)
A. As required by Executive Order 12549, Debarment and Suspension, and implemented at 44CFR Part 67, for prospective participants in primary covered transactions, as defined at 44 CFR Part 17, Section 17.510-A, the applicant certifies that it and its principals:

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, sentenced to a denial of Federal benefits by a State or Federal court, or voluntarily excluded from covered transactions by any Federal department or agency.

(b) Have not within a three-year period preceding this application been convicted of or had a civilian judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain or perform a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.

https://eservices.fema.gov/FemaFireGrant/firegr... 12/4/2013
(c) Are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification: and

(d) Have not within a three-year period preceding this application had one or more public transactions (Federal, State, or local) terminated for cause or default; and

B. Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

3. Drug-Free Workplace (Grantees other than individuals)

As required by the Drug-Free Workplace Act of 1988, and implemented at 44CFR Part 17, Subpart F, for grantees, as defined at 44 CFR part 17, Sections 17.615 and 17.620:

(A) The applicant certifies that it will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee’s workplace and specifying the actions that will be taken against employees for violation of such prohibition;
(b) Establishing an on-going drug free awareness program to inform employees about:

(1) The dangers of drug abuse in the workplace;
(2) The grantees policy of maintaining a drug-free workplace;
(3) Any available drug counseling, rehabilitation and employee assistance programs; and
(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant to be given a copy of the statement required by paragraph (a);
(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

(1) Abide by the terms of the statement and
(2) Notify the employee in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction.

(e) Notifying the agency, in writing within 10 calendar days after receiving notice under subparagraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to the applicable DHS awarding office, i.e. regional office or DHS office.

(f) Taking one of the following actions, against such an employee, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted:

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement or other appropriate agency.

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).
(B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

SUBJECT

Grant application submitted and awarded to the library.

AUTHORITY: □ ID Code  □ IAR □ City Ordinance/Code

BACKGROUND:

A grant application was submitted by Lyn Drewien to the Idaho Community Foundation earlier in the year. In December, the grant was awarded through the Donald W. and Gretchen K. Fraser Fund. It is to be used to purchase an all-in-one color printer with scanning, faxing, and wi-fi capability for the purpose of serving our library patrons. The Grant ID is SW-31363.

The implementation of this single piece of equipment will affect our library in a number of ways. First, our public computer users will have immediate access to high quality black and white printing, color printing, effortless scanning capability, and even faxing options. Second, this machine will immediately address the needs of a fast growing segment of our library patrons —those patrons who possess their own portable devices such as smart phones, tablets, laptops, iPhones, IPads, IPods, and other handheld electronic devices — who desire the same access to these same high quality printing, scanning and faxing services.

<td>Hailey Public Library is determined to remain a vital and integral part of its community. In our efforts to achieve our goal, the Library recognizes the importance of keeping pace with emerging technologies. Several months of data collection and patron inquiries for these services have quickly elevated this particular project to priority status. SW Region Grant Cycle

Describe the project. Include the following: Description of Project, explanation of need for the project and anticipated accomplishments of the project. (Field Maximum: 2000 characters including spaces)

Our planned project calls for the purchase of an all-in-one color laser printer with scanning, faxing, and wi-fi capability. The purchase of just this one item of equipment will allow the library to expand its existing services not only to a larger group of patrons, but will significantly increase our ability to meet the increasing requests of sophisticated technology users. This printer has multiple functions that will fully address the growing needs of public computer users, and will meet the mounting demand of our patrons who have devices such as smart phones, IPHones, IPads, iPods, MP3 players, tablets, and laptops.

Year over year, the library has experienced steady growth in computer use by our patrons. The dynamic nature of today's technology has made it challenging to anticipate patron needs in this area. Just in the past year alone, we have witnessed a tremendous increase in an unprecedented demand for high-end quality printing, scanning functions and an equally significant increase in wi-fi printing and scanning capabilities.

The increased sophistication of technology users is the primary reason for the project. The Hailey has an incredibly diverse population that utilizes the many services offered by the library. This includes small business owners, job seekers, students of ages and levels, business travelers, tourists from around the world, part-time residents, lifelong residents, and many others that, for various reasons, rely on the library to provide access to technology and equipment. This keeps our patrons in touch with their office, families, teachers, instructors, and any number of other reasons.

We expect this product implementation will lend itself to great success because it will provide equal access to all of our services by each patron. We expect to see an even greater improvement in the overall efficiency and effectiveness, and are especially grateful that we may continue these services at little or no charge to all of our patrons.

Provide information on the sustainability of the project (who is responsible for its success, plans for the future, etc.) (Field Maximum: 1000 characters including spaces)

Based upon the statistical information collected from patron inquiries and our own patron surveys, we believe this project will provide sustainable services to a larger segment of library patrons. At the same time, it will increase the quality and number of services currently available to our patrons who regularly access our public computer workstations.

While the Library Director will oversee the entire project and the IT Department is primarily responsible for its implementation, the Circulation Manager is ultimately responsible for its success and future. As a result, extensive research was conducted and brand comparisons were thoroughly analyzed to ensure that the final selection of equipment was justifiable for long-term use in light of the dynamic nature of modern technology.

If the Hailey Public Library receives the requested amount to purchase the machine, we are confident this equipment will remain viable for several years and will be sustained simply by the collection of nominal printing fees.

If we do not receive the full amount as requested, we may need to delay the implementation indefinitely or proceed in a very limited capacity. If we are able to eventually purchase a color printer, the features and options may be limited.

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

The Syringa Mountain School is in the process of purchasing property on Aspen Street in China Gardens for a K–8 charter school. This sidewalk would provide for safe access for students walking to this school. As a side benefit it would also serve students in the China Gardens subdivision who attend Hailey Elementary. This project would tie to the recently completed Safe Routes to School project on Elm Street.

Motion to adopt Resolution 2013-22, approving an Interlocal Agreement between the Cities of Ketchum and Hailey for annual tree maintenance and a survey of 500 trees in each community

AUTHORITY: □ ID Code _________  □ IAR _________  □ City Ordinance/Code _________

(IF APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

Ketchum and Hailey save costs by working together on tree management. Each year we adopt an interlocal agreement by which Hailey pays a proportional share ($1,000) of the maintenance of tree inventory software. This year we are adding an additional $4,000 in costs for surveying and cataloguing 500 trees. Our costs are reduced because Ketchum pays their proportionate share of travel and costs for the consultant.

RECITALS

WHEREAS, Ketchum performed a GIS-based Tree Inventory in 2006 and identified that the inventory and the hardware, software programs and data that accompany its functionality as important and necessary tools in the professional and efficient management of its Community Forestry Division; and,

WHEREAS, the Ketchum city arborist was asked to assist the City of Hailey on a volunteer basis to create an urban forest management program by chairing its Tree Committee; and,

WHEREAS, Ketchum and Hailey employees who are tasked with tree care benefit from the data provided by a GIS-based tree inventory to aid in strategic planning and operation assessments; and,

WHEREAS, Ketchum does benefit and Hailey will benefit from a more efficient and accurate on-going data management process measuring progress and tracking issues related to (not exhaustive) public tree care; and,

WHEREAS, Ketchum and Hailey officials can share public agency data to reduce costs and guide in the provision of services to those most in need, including community safety, public health and development services; and,

WHEREAS, Ketchum and Hailey officials, through the utilization of a GIS-based tree inventory, seek to incorporate new tools and technologies for skill development, community benefit at large, and expect to ultimately make more informed decisions using scenario models and performing needs assessments that are constructed in-house opposed to requesting external proposals and absorbing consulting fees; and,

WHEREAS, the interlocal agreement will be budgeted in the adopted Ketchum Parks & Recreation FY2013/14 budget and the Hailey Public Works FY2013/14 budget.

TERMS

NOW, THEREFORE, subject to the limitations of this agreement and in order to provide assistance between the parties in providing tree inventory and management, it is hereby agreed as follows:

1. DURATION OF AGREEMENT. This Agreement shall not be effective until it is approved by the Mayor and City Council of Hailey, and the Mayor and City Council of Ketchum. It shall continue in full force and effect without termination from October 1, 2013 until
September 30, 2014. The parties may extend the agreement with the written consent of both parties.

2. PURPOSE. The purpose of this Agreement is:
   A. to allow the City of Ketchum to contract with the City of Hailey for tree inventory and management services including staff support and software annual support fees totaling $1,000.00 payable to the City of Ketchum, and
   B. to jointly contract with Community Forestry Consultants for inventory of approximately 500 public trees within each city.

3. MANNER OF FINANCING AND BUDGET.
   The City of Hailey shall reimburse the City of Ketchum the amount identified in Section 2. A which constitutes approximately twenty hours of professional arborist services for the management and training in the use of a GIS based tree inventory in FY2014 for the amount of $675.00 and one half of the annual GIS software support and upgrade fees in the amount of $325.00, for a total payment of $1,000.00 to be paid before or on September 30, 2014.

   Each of the Cities of Hailey and Ketchum shall directly pay to Community Forestry Consultants their proportionate share of travel, costs, and inventory fee of $7.00 per tree for approximately 500 trees within each city. Payment shall be made by each city upon invoice following completion of the inventory.

4. MUTUAL HOLD HARMLESS: Each party to this Agreement agrees to indemnify and hold harmless the other from any and all liability for any injury, damage or claim suffered by any person or property caused by the party or its employee while performing under this Agreement.

5. DUTIES. The provision of these services shall be governed as set out below:

   The City of Ketchum agrees to supply The City of Hailey with professional arborist services for the management of a GIS-based tree inventory and training in its use at a not-to-exceed rate of $675.00 per year. This person will work at either the City of Ketchum or the City of Hailey to accomplish the tasks assigned them. Tasks assigned to the arborist will be limited only by their experience.

   The City of Ketchum agrees to provide training for Hailey tree committee members as part of the agreement.

6. AMENDMENT. This Agreement may be amended at any time, and from time to time, by the mutual written consent of the City of Ketchum and the City of Hailey for any of the following purposes:

   1. To add provisions to the Agreement to benefit either or both the City of Ketchum and the City of Hailey.
   2. To extend the term of the agreement.
3. To cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provisions with respect to matters or questions arising under this Agreement which are not inconsistent with the provisions of the Agreement.

7. **SEVERABILITY.** In the event any provision of this Agreement shall be declared by a court of competent jurisdiction to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not, in any way, be affected or impaired thereby.

IN WITNESS WHEREOF, each of the parties has executed this Agreement by its duly authorized officials.

DATED this ____ day of December, 2013.

PROCLAMATIONS AND PRESENTATIONS:

PP 472 20 Year Service Commendations to City Employees

5:36:16 PM Mayor Haemmerle presented a 20 year certificate to David Stellers, Assistant Police Chief. Dave Stellers said a few words.

PUBLIC HEARINGS:

HAILEY CITY COUNCIL MINUTES
December 2, 2013
5:39:10 PM Mayor Haemmerle introduced this item by giving background discussions recap. Haemmerle reads from the packet page 61, the Agenda Item Summary for this item.

5:41:46 PM Mayor Haemmerle asks council if anyone disagrees with the 3 points identified in the Agenda Item Summary page 61 of tonight's packet. Brown answered, no. Keim answered, no. Cooley, no. Burke responds to the survey which Susan McBryant sent to the Mayor and City Council. Burke explains a process of gathering Freidman Memorial Airport Authority (FMAA) members survey on the airport. Burke then explains her letter which is in tonight's packet.

5:46:59 PM Haemmerle wonders why FMAA staff did not communicate more thoroughly with all board members before having airport expansion conversations?

5:48:04 PM Brown asks why 3 board members would have individual survey responses, it should be one voice for the City of Hailey.

Haemmerle states that he would like to see FMAA staff to see sensitive issues such as expansion of the airport, be filtered to all board members timely and without surprise. Haemmerle received a call from Larry Plott in Bellevue, they support option 3 of the plan.

**PH 474 Amendment to Municipal Code Title 9 – Noise Ordinance – full reconsideration of noise ordinance adopted last summer. The amended ordinance proposes to allow amplified sound later than 10:00 p.m. only as an exception for certain Arena events**

5:52:30 PM Heather Dawson opened up this discussion and stated that the council needed to make a motion to untable this item for discussion (because in the August meeting council made a motion to table this item).

5:53:48 PM Dawson explained Ord. No. 1127 – allowing amplified sound until 11 pm, except not in parks. Dawson further explained the situation and areas where council needs to consider during their discussion tonight, including decibel levels, and noise free nights.

5:57:25 PM Mayor Haemmerle brought up a problem not addressed in our ordinance, noise created inside a building which carries far away from building.

Public comments:

5:58:21 PM Ben Schepps, Hailey Resident, brings attention to his public comments provided on this topic. Schepps reads a few excerpts from his email to Heather Dawson on December 2, 2013 at 11:14 am. Schepps is generally opposed to the frequent events with loud amplified sound.

HAILEY CITY COUNCIL MINUTES
December 2, 2013
6:00:13 PM Helen Stone, Hailey Resident, wonders why 85 decibels is the maximum level, as 90 decibels seems too high.

6:00:55 PM David Avelar, Hailey resident, is okay with events until 10 pm. 11:30 or 12 is too late for musical events, he is 2 ½ blocks away from some events. Okay with once a year events going late though.

6:02:07 PM Mike Healey, Hailey resident, comments to council. Healy recounts the adding of so many events, why does it have to be so loud?

6:03:32 PM Mike Ericksen Hailey resident, there must be a balancing of this. He would hate for this place to shut down at 9 pm. Decibel levels is always an argument. Don’t restrict ability of businesses to bring in bands which benefit the local economy.

Council discussion:

6:06:07 PM Keirn likes what we used to have – 10 – 10pm.

Council discusses “quiet days.” After some discussion, there was consensus to not limit days of the week. Then council discusses hours of limitation. Brown likes the exception language as presented in the proposed ordinance in tonight’s packet. Brown believes that we should manage expectations. Council discusses putting language in the ordinance that allows staff to make decisions on time exceptions and then allow council to revisit if process is not working.

Definition of Outdoor 6:20:54 PM Amplified sound – clarify sound emanating from the property boundaries.

6:22:20 PM Decibel level discussion. Mayor Haemmerle summarizes this discussion. We need to redefine the ordinance to account for inside music carrying too far past the property line. Brown is in favor of lowering the current level of 90 to 85 decibels.

Public Comment again:

6:29:55 PM Ben Schepps comments on council’s discussion. Schepps wants people to have a good time but he also wants to enjoy his yard, and not have to go inside due to loud music in nearby businesses.

PH 475 Public Hearing to consider adoption of 2012 Building

6:37:13 PM Building code adoption

Williamson gives an overview of this proposed ordinance. This ordinance would be effective January 1, 2014.

No public comments.

6:40:06 PM Haemmerle conducts the 1st Reading of Ordinance No. 1141, by title only.

PH 476  Public Hearing to consider adoption of 2012 Fire Codes and International Wildland-Interface Codes

6:41:59 PM Williamson gives an overview, also effective January 1, 2014. Included in this ordinance is the International Wildland-Interface Codes. Williamson gives council suggestions on how to move forward. Haemmerle asks if the Fire Chief could give council a recommendation.

6:47:09 PM Brown received an email from an individual stating that shake roofs do not burn.

6:49:22 PM bob MacLeod – supporting the ban on shake roofs, quotes the…

6:49:56 PM Tony Evans asks for clarification.

Williamson explains that a map will be adopted later further defining the area which will restrict cedar shake roofs in the entire City of Hailey.

6:55:15 PM Haemmerle conducts the 1st Reading of Ordinance No. 1142, by title only.
