SUBJECT: WASTE WATER BOND REFUNDING VIA IDAHO BOND BANK

AUTHORITY: □ ID Code □ IAR □ City Ordinance/Code
(IFAPPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

The City of Waste Water bond is held by Wells Fargo Bank, and was secured on the open bond market 12 years ago with an insurance requirement rather than a bond reserve. Seattle Northwest Securities has provided an analyses of what refinancing the bond would save. The greatest savings would be through a refinance with the Idaho Bond Bank, which combines bonds from several jurisdictions to gain economy of scale in the interest rates, as jurisdictions are able to use the Idaho Bond Banks credit rating instead of their own. The Idaho Bond Bank Authority (IBBA) recently ruled that refinancing a loan will continue to be an option, provided 1) the savings to the municipality exceeds 5% and 2) the total in IBBA's portfolio does not exceed 50% (IBBA is currently approximately 7%).

Application to the Idaho Bond Bank does not guarantee that our application will be approved. The application is due August 23, 2012. The $500 application fee is non-refundable. If the application is successful, Hailey would be required to establish a bond reserve, and Hailey has sufficient fund balance to do so. The savings in interest rates over the remaining 9-year life of the bond would be approximately $300,000.

From the Idaho State Treasurer's Office: A bond bank is a state level entity which lends money to local governments within the state, with the goal of providing funds for their infrastructure needs and access to the capital markets at competitive interest rates.

Under the Idaho Bond Bank program "IBBA", a municipality obtains a loan from the Bond Bank secured by either the municipality's bond or a loan agreement with the Bond Bank. The Bond Bank pools several loans to municipalities into one bond issue. The municipalities then repay the loan, and those repayments are used to repay the revenue bonds. The Bond Bank can obtain better credit ratings, more attractive interest rates, and lower underwriting costs than municipalities could achieve individually. The Bond Bank is able to pledge certain state funds as additional security for its bonds, further reducing interest costs.

The Idaho Bond Bank Authority can open doors to municipalities that were previously barred from the capital markets due to the high costs of financing or challenging credit situations. The current underlying rating from Moody's Rating Agency is Aa1.

Bond Bank Loan Application

This application serves as a request for the Idaho Bond Bank Authority (the IBBA) to provide a loan to the applicant. This is not considered a commitment on the part of the applicant or the IBBA. Additional information may be requested before a final recommendation. The IBBA’s Board of Directors will consider loan applications for approval on a quarterly basis. Upon approval of an application, the approved loan will, depending on the timing needs of the borrower, be included in the IBBA’s next financing. The timing of IBBA issues will be determined by the number and size of approved loan requests. The IBBA expects to issue bonds to fund borrower loan requests twice a year and more often depending on program demand. Loan amount requests may include costs associated with the applicant’s legal or financial counsel obtained in the course of the financing process.

DATE: 8/15/12  DEPARTMENT: ADMINISTRATION  DEPT. HEAD SIGNATURE: HEATHER/BECKY

SUBJECT: WATER BOND REFUNDING VIA IDAHO BOND BANK

AUTHORITY: □ ID Code □ IAR □ City Ordinance/Code
(IFAPPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

The City of Water bond is held by Idaho DEQ as part of the State Revolving Loan Fund program. Most bonds are not allowed to be called or refinanced early in their life; this particular loan is only four years old. However, IDEQ does not have this restriction, so Hailey may be able to take advantage of the low bond rates currently existing. A bond reserve is already established for this loan, but a pay-down may be necessary to achieve a 5% interest savings. Hailey has sufficient fund balance to fund a bond-pay down, if necessary. Application to the Idaho Bond Bank does not guarantee that our application will be approved.

The application is due August 23, 2012. The $500 application fee is non-refundable. The savings in interest rates over the remaining life of the bond would be approximately $90,000.

Seattle Northwest Securities has provided an analyses of what refinancing the bond would save. The greatest savings would be through a refinancing with the Idaho Bond Bank, which combines bonds from several jurisdictions to gain economy of scale in the interest rates, as jurisdictions are able to use the Idaho Bond Banks credit rating instead of their own. The Idaho Bond Bank Authority (IBBA) recently ruled that refinancing a loan will continue to be an option, provided 1) the savings to the municipality exceeds 5% and 2) the total in IBBA’s portfolio does not exceed 50% (IBBA is currently approximately 7%).

From the Idaho State Treasurer’s Office: A bond bank is a state level entity which lends money to local governments within the state, with the goal of providing funds for their infrastructure needs and access to the capital markets at competitive interest rates.

Under the Idaho Bond Bank program “IBBA”, a municipality obtains a loan from the Bond Bank secured by either the municipality’s bond or a loan agreement with the Bond Bank. The Bond Bank pools several loans to municipalities into one bond issue. The municipalities then repay the loan, and those repayments are used to repay the revenue bonds. The Bond Bank can obtain better credit ratings, more attractive interest rates, and lower underwriting costs than municipalities could achieve individually. The Bond Bank is able to pledge certain state funds as additional security for its bonds, further reducing interest costs.

The Idaho Bond Bank Authority can open doors to municipalities that were previously barred from the capital markets due to the high costs of financing or challenging credit situations. The current underlying rating from Moody’s Rating Agency is Aa1.

Water Refunding Analysis  

Analysis Dated August 10, 2012

Below is the requested updated analysis for the refinancing of the City's Series 2008 DEQ Water Loan. The analysis was updated to reflect interest rates as of August 10, 2012. Under Scenario 1 the City would save approximately $88,000 on a present value (PV) basis which results in a PV% of par issued of 4.35% which is below the 5.00% minimum to be financed through the Bond Bank. To meet the 5.00% Bond Bank savings requirement the City would need to contribute approximately $330,000 of water system cash to the refinancing reflected in Scenario 2.

(1) Cash flow savings net of $330,000 cash contribution. Total future cash flow savings with contribution would be $514,794.

In summary it would take a significant cash contribution to meet the Bond Bank's 5.00% threshold. The cash contribution needed to meet the 5.00% minimum savings requirement will be impacted by the overall interest rates at the time of financing. If rates continue on their upward trend it will require additional cash to meet the minimum savings requirement and conversely if rates drop less cash would be needed. Please let us know if you would like to discuss further.

AGENDA ITEM SUMMARY

DATE: 08/20/2012 DEPARTMENT: Public Works DEPT. HEAD SIGNATURE:

SUBJECT: Ratification of Interpretive Center Change Orders

AUTHORITY: □ ID Code □ IAR □ City Ordinance/Code
(IFAPPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

Two change orders were administratively approved due to the small cost increase and schedule impacts associated with both changes. The changes are as follows: 1) $210 cost increase to reinforce the concrete with rebar surrounding the 3 tree grates that will be installed; this allows greater excavation to provide more growth area for the tree roots, 2) $850 to install a sprinkler tap that was not included in the bid, but shown on the plans as existing and 3) $400 to sand and stain wood beams and post inside the building instead of painting them white; aesthetically, leaving the natural wood stained adds quite a bit to the space and is a nice feature to highlight. Total amount is $1460.

Change orders #1 and #2 above have been included in this claim for expenses listed at the end of the Consent Agenda. Change order #3, will be included in a claim for expenses at a later date.

DECISION

Based on the Application for a Special Event Permit for the 2012 Bow Bridge 5K Fun Run, the City of Hailey, pursuant to Chapter 12.14 of the Hailey Municipal Code, approves the Application and grants the Special Event Permit, subject to the following conditions:

Standard Conditions

a. The Applicant shall comply with the terms, plans, covenants and provisions of the Application, as approved or as modified by the City of Hailey.
b. The Applicant shall comply with all applicable local, state and federal laws, regulations and ordinances before, during and after the Special Event(s).
c. The Applicant shall execute an agreement, relating to the reimbursement of expenses, indemnification and other provisions immediately upon the approval of the application for the Special Events Permit.
d. In the event the Applicant fails to comply with all the conditions set forth herein, the City may revoke the Special Events Permit, in whole or in part.

Other Conditions

DATED this 20th day of August, 2012.

CITY OF HAILEY

By: __________________________
    Fritz Haemmerle, its Mayor

ATTEST:

______________________________
    Mary Cone, City Clerk

AGREEMENT

In consideration of the granting of a special event permit by the City of Hailey ("the City") for the 2012 Bow Bridge 5K Fun Run that will occur on October 6, 2012 from 10:30 a.m. to 11:30 a.m., plus specified set up and teardown time, ("the Event"), and pursuant to Section 12.14 of the Hailey Municipal Code, the undersigned, as the applicant ("Applicant") of a Special Event Permit from the City for the Event, does hereby agree to reimburse the City for any costs incurred by the City in repairing damage or providing any services or materials resulting from the Event. The Applicant agrees that such costs may be deducted from a non-refundable security deposit or additional deposit as established by the City, and that if costs exceed any deposit made by the applicant, further reimbursement will be made to the City upon demand. The Applicant hereby agrees to indemnify, defend and hold harmless the City and its officers and employees, in
their official and individual capacities, from any and all claims, demands, obligations, liabilities, lawsuits, judgments, attorneys' fees, costs, expenses and damages of any nature caused by or arising out of, or connected with the Event. In the event either party hereto is required to retain counsel to enforce a provision of this Agreement, or to recover damages resulting from a breach hereof, the prevailing party shall be entitled to recover from the other party all reasonable attorney’s fees incurred herein or on appeal, or in bankruptcy proceedings. The Applicant agrees to comply with all the laws and ordinances of the City of Hailey, Idaho applicable to the subject matter thereof, and to conduct the Event in accordance with the terms and provisions of the application for a Special Event Permit, as approved or as modified by the City, and all conditions of the Special Event Permit. The Applicant agrees that the Special Event Permit is nontransferable and shall be conducted only for the dates and locations as approved by the City.

IN WITNESS WHEREOF, Applicant and the City have executed this Agreement on this 20th day of August, 2012.
