New Business: None

Old Business:

ArborFest: The spring ArborFest experienced bad weather and very few trees were passed out to the public. Linda has about 25 – 30 extra trees in pots that's she's been keeping from past Arbor Day events. It was decided to hold a fall ArborFest planting event at Balmoral Park to plant about 20 of these trees and have the Mayor read the Arbor Day proclamation. Kelly will contact some schools to see about recruiting some kids to plant the trees. Stephanie will contact the Mayor to see when a date might work and suggested the first week in October. City Council and P & Z staff will also be invited to attend. Stephanie and Katie will coordinate to bring soil amendments, shovels, stakes, tarps and something to protect the young trees from getting damaged by mowers and weed trimmers.
