AGENDA ITEM SUMMARY

DATE: 10/11/2010 DEPARTMENT: Legislative DEPT. HEAD SIGNATURE: HD

SUBJECT:

Consideration of Agreement with Blaine County for Consolidated Emergency Communications Services (Dispatch Agreement) for fiscal year 2010/2011

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

A year ago Hailey entered into an agreement to pay for dispatch services on a quarterly basis. This year's proposed agreement is similar, except that the quarterly payment will be made in the first month of each quarter. Last year, due to cash flow constraints, we had structured the agreement such that no payments were made at all until well into the second quarter. Those cash flow constraints have not been identified this year.

The distribution formula, attached as Exhibit A of the agreement, is the same formula as was previously used. The data, however, has been updated, so the number of units reflect current information in the county's GIS data, rather than 2-year old data. Hailey's payment is modified by the data very slightly, from $143,249 to $143,688.

RECOMMENDATION FROM APPLICABLE DEPARTMENT HEAD:

Discuss agreement, move to approve, deny, or amend.

AMENDED DEVELOPMENT AGREEMENT

This Amended Development Agreement (the “Agreement”) is entered into by and between the City of Hailey (“City”) and FaPo Holdings Idaho LLC, an Idaho limited liability company (“Owner”).

RECITALS

A. Owner is the owner of record of that certain real estate more particularly described as Lots 13 through 20, inclusive, Block 20, and Lots 4 through 10, inclusive, Block 20, Original Hailey Townsite, as shown on the official Plat of the City of Hailey on file in the office of the Blaine County Recorder (the “Property”). Owner has applied to City to develop the Property by constructing improvements thereon in the form of a three-story mixed use building, including retail, commercial, and residential uses, to be known as the Village at Hailey Center (“Phase I”).

B. The City’s Planning & Zoning Commission and City Council have held public hearings and taken other action with respect to the development of the Property as required by law prior to the adoption and execution of this Agreement.

C. The City and Owner have previously entered into a Development Agreement on July 23, 2007. Among other things, the Development Agreement approved of an Area Development Plan which contemplated underground parking for three (3) buildings to be constructed. The Development Agreement also provided that if parking on Lots 14, 15 and 16 was to remain beyond two (2) years additional landscaping was to be provided and the Area Development Plan was to be amended.

D. Following the execution of the Development Agreement, the Owner has acquired additional adjacent lots, Lots 9 and 10, Block 20. In addition, the Owner now wishes to maintain a building on the parking lot contemplated in the Development Agreement. The Owner now wishes to relocate some of the parking required for Phase I and the remainder of the uses on the Property as depicted on attached Exhibit “A.”

E. With the execution of this Amended Development Agreement, the applicable covenants of the Development Agreement are incorporated into this Agreement. It is the intent and desire of the parties hereto that development of the Property proceed as provided herein, subject to the terms and conditions of this Agreement.

AGREEMENT

NOW THEREFORE, in consideration of the above recitals which are incorporated herein, and the mutual covenants and agreements herein contained and other good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

FAPO Development Agreement - 1 of 7

1. **Development.** The Property shall be developed as required and approved by the Hailey Planning and Zoning Commission under the City's Comprehensive Plan, Subdivision Ordinance and Zoning Ordinance in effect at the time of any application.

2. **Conditions.** Owner and City are mutually bound by, and shall comply with all of the conditions contained in the final decision and findings of fact of the City and this Agreement.

3. **Area Development Plan.** As set forth in its *Findings of Fact, Conclusions of Law and Decision* dated Sept. 21, 2009 ("Findings") and incorporated by reference herein, the Hailey Planning and Zoning Commission has evaluated and reviewed the criteria in Section 6A.8 (Area Development Plan) of the Hailey Zoning Ordinance, and as set forth in its *Findings*, found that the basic site criteria enumerated in Section 6A.8 are satisfied. Contingent upon suitable market, financial, and development considerations and the potential addition to or sale of contiguous parcels, the Owner envisions the potential development of up to and including three (3) more buildings, for a total of four buildings: two fronting River Street and two fronting Main Street with a central landscaped plaza/pedestrian area extending from Main Street to River Street between the four proposed buildings (the "Area Development Plan"). See "Exhibit B." On-site parking requirements for all existing buildings located on the Property are described in *Exhibit "A.""). Subject to the foregoing, the Area Development Plan shall bind the Owner and Owner's successors and assigns.

4. **Sidewalks.** The Property owner(s), unit owners, and/or the Owners' Association shall maintain the sidewalks and landscaping within the adjacent public right-of-way in a safe and attractive manner, and shall be responsible for the timely snow removal from the sidewalks within the adjacent right-of-way.

In addition, the curb-cut area into the parking area from River Street shall be paved. On or before the expiration of the five (5) year period, the Owner shall appear before the Hailey Planning and Zoning Commission with a plan for additional development of the site and adjacent areas, or additional landscaping or other screening of the parking lot from River Street and/or other areas on the site, and plans for paving the approved on-site parking on the Property shown on Exhibit "A" to City standards.

6. **Remedies.** In the event either party, including heirs, successors and assigns of Owner's interest in the Party, or subsequent owners of the Property, fail to faithfully comply with all of the terms and conditions included in this Agreement in connection with the Property, this Agreement may be enforced in any court of competent jurisdiction by either City or Owner, or by any successor or successors in title or interest or by the assigns of the parties hereto. 8. **Force Majeure.** In the event the performance of any covenant to be performed hereunder by either Owner or City is delayed for causes which are beyond the reasonable control of the party responsible for such performance, which shall include, without limitation, acts of civil disobedience, strikes, war or similar causes, the time for such performance shall be extended by the amount of time of such delay.

9. **Miscellaneous.**

(a) **Waiver.** A waiver by either party of any one or more of the covenants or conditions hereof shall apply solely to the breach and breaches waived and shall not bar any other rights or remedies of City or Owner as applied to any subsequent breach of any such or other covenants and conditions.

FAPO Development Agreement - 7 of 7
FINDINGS OF FACT, CONCLUSIONS OF LAW AND DECISION

On September 21, 2009 the Hailey Planning and Zoning Commission considered a recommendation by the Administrator to approve a request submitted by FAPO Holdings Idaho, LLC for a Design Review Modification, changing the previously approved parking plan for the Village at Hailey Center, located on Lots 13-16, Block 20, Hailey Townsite (314 River St. So.) within the Business (B) and Townsite Overlay (TO) districts. This modification also amends the applicant’s Development Agreement with the City. Modifications to Design Review approval determined by the Administrator not to be minor may be placed on the consent agenda for approval or denial by the Commission based on the Administrator’s recommendations. The Administrator recommends approval of the modification. The Commission, having been presented with all information regarding the proposal, hereby makes the following Findings of Fact, Conclusions of Law and Decision.

FINDINGS OF FACT

Standards of Evaluation
Articles IV and VIA of the Hailey Zoning Ordinance establish the criteria for applications for Zoning and Design Review. For each applicable standard (in bold print), the Commission makes the following Findings of Fact:

6A.3.g. the Administrator has the authority to approve minor modifications to projects that have received design review approval by the Commission prior to, and for the duration of a valid Building Permit. The Administrator shall make the determination as to what constitutes minor modifications and may include, but are not limited to changes to approved colors and/or siding materials, changes to site plans that do not increase building footprints or significantly change driveway or road alignment, changes to landscape plans that do not decrease the amount of landscaping, changes to dumpster enclosures, changes to exterior lighting fixtures and location, or changes to windows that do not significantly affect project design, appearance or function. All approved modifications must be documented in a memo to the project file and on the approved set of plans on file with the city.

For modifications to design review approval that are determined by the Administrator not to be minor, the Administrator has the authority to recommend approval or denial of such modifications, subject to final decision by the Commission on its consent agenda. Such recommendation for approval or denial shall be drafted in the form of Findings of Fact and Conclusions of Law.

The proposed modification consists of reconfiguring the on-site parking spaces. This modification was determined by the Administrator not to be minor. Notice is not required for modifications to design review however, notice was given to property owners within 300 feet of the subject property.

The original parking configuration, approved April 16, 2007, anticipated the existing Forest Service building would be removed from Townsite Lot 14. A gravel parking lot was planned to be located on Townsite Lots 14, 15 and 16. The applicant has since rented the building located on Lot 14 to a new business; this precipitated the need to amend the previously approved parking plan.

The amended parking plan includes locating the 46 on-site parking required for the newly constructed building (located on Lots 17 – 20) on portions of Lots 9 and 10. This is acceptable given the applicant owns Lots 4 – 10 located east of the alley within Block 20 and Lots 13 – 20 located west of the alley and an area development plan for the entirety of property owned within Block 20 is included as part of the
City's development agreement with the applicant. The amended parking plan provides a total of 49 spaces. The amended parking plan results in an amended area development plan which results in an amended development agreement. The amended development agreement includes an explanation of how the on-site parking requirements for all of the seven (7) buildings located on the applicant's property within Block 20 are met.

6A.8 Area Development Plan. When the owner of Contiguous Parcels is required to obtain Design Review approval for any portion of the Contiguous Parcels, an Area Development Plan shall be submitted and approved. The Commission shall evaluate the following basic site criteria and make appropriate findings of fact:

a. Streets, whether public or private, provide an interconnected system and shall be adequate to accommodate anticipated vehicular and pedestrian traffic.

b. Non-vehicular circulation routes provide safe pedestrian and bicycle ways and provide an interconnected system to streets, parks and green space, public lands, or other destinations.

c. Water main lines and sewer main lines are designed in the most effective layout feasible.

d. Electrical utilities, including power, telephone, cable, and gas are designed in the most effective layout feasible.

e. Park land is most appropriately located on the Contiguous Parcels.

f. Grading and drainage are appropriate to the Contiguous Parcels.

g. Development avoids easements and hazardous or sensitive natural resource areas.

Upon any approval of the Design Review application, the Owner shall be required as a condition of approval to record the Area Development Plan or a development agreement depicting and detailing the approved Area Development Plan with a statement that the Area Development Plan shall bind the Owner and Owner's successors.

The change to the on-site parking configuration does not effect the basic site criteria considered in an Area Development Plan. However, the change to the on-site parking configuration shall be included as an amendment to the recorded Development Agreement for the Village at Hailey Town Center project.
CONCLUSIONS OF LAW AND DECISION

Based upon the above Findings of Fact, the Commission makes the following Conclusions of Law and Decision:

1. The proposed modifications are consistent with the Findings of Fact, Conclusions of Law and Decision adopted by the Commission for the aforementioned project on the 20th day of October, 2008.

2. The modification is approved subject to the following conditions:
   a. A forty-ninth space shall be provided on Lot 13 parallel to the alley.
   b. No portion of the required dimensions of an on-site parking space shall extend into the alley or street right-of-way.
   c. Signage identifying parking on Lots 9 and 10 as parking for the new building on Lots 17-20.
   d. An amendment to the Development Agreement to amend the Area Development Plan to include the changes to the on-site parking configuration is approved by the City Council.

3. Approval of the Design Review modification does not in any way waive any Design Review requirements approved by the Commission. All Design Review elements must be installed, or security provided, prior to issuance of a Certificate of Occupancy.

DEVELOPMENT AGREEMENT

This Development Agreement (the “Agreement”) is entered into 8th
November 2007 by and between the City of Hailey (“City”) and FaPo Holdings
Idaho LLC, an Idaho limited liability company (“Owner”).

RECITALS

Owner is the owner of record of that certain real estate more particularly
described as Lots 13-20, and Lots 4-8, inclusive, Block 20, City of Hailey, Blaine
County, State of Idaho (the “Property”). Owner has applied to City to initially develop
the Property by constructing improvements thereon in the form of a three-story mixed use
building on Lots 17-20, Block 20, including retail, commercial, and residential uses and a
parking area on Lots 14-16, Block 20, to be known as the Village at Hailey Center
(“Phase 1”).

Upon development of future phases of the Property, the Owner intends to replace
the parking area with underground parking, under certain of the remaining three buildings
as depicted on the Area Development Plan, attached hereto as Exhibit “A.”

The City has evaluated and reviewed the criteria under Section 6A.8 (Area
Development Plan) of the Hailey Zoning Ordinance, and found the criteria in Section
6A.8 are satisfied.

The City’s Planning & Zoning Commission and City Council have held public
hearings and taken other action with respect to the development of the Property as
required by law prior to the adoption and execution of this Agreement.

It is the intent and desire of the parties hereto that development of the Property
proceed as provided herein, subject to the terms and conditions of this Agreement.

AGREEMENT

NOW THEREFORE, in consideration of the above recitals which are
incorporated herein, and the mutual covenants and agreements herein contained and other
good and valuable consideration, the sufficiency of which is hereby acknowledged, the
parties hereto agree as follows:

1. Development. The Property shall be developed as required and approved by
the Hailey Planning and Zoning Commission under the City’s Comprehensive Plan and
Zoning Ordinance in effect at the time of the filing of the application. In addition, if the
Project is converted to condominiums, the Project shall be subject to any applicable
provisions of the Hailey Subdivision Ordinance (including Section 4.10, Parks, and
Section 4.11, Community Housing).
2. **Conditions.** Owner and City are mutually bound by, and shall comply with all of the conditions contained in the final decision and findings of fact of the City and this Agreement.

3. **Area Development Plan.** Contingent upon suitable market, financial, and development considerations and the potential addition to or sale of contiguous parcels, the Owner envisions the potential development of up to and including a total of four buildings: two fronting River Street and two fronting Main Street with a central landscaped plaza/pedestrian area extending from Main Street to River Street between the four proposed buildings as depicted on the "Area Development Plan," attached hereto as Exhibit "A." Subject to the foregoing the Area Development Plan shall bind the Owner and Owner's Successors.

4. **Sidewalks.** The Property owner(s), unit owners, and/or the Owners' Association shall be responsible for the maintenance of the sidewalks and landscaping within the adjacent public right-of-ways, and shall be responsible for the snow removal from the sidewalks within the adjacent right-of-ways.

5. **Surface Parking Lot.** The parking area on Lots 14-16 may be comprised of a gravel (or similar) surface for a period not to exceed two years from the date of issuance of the Certificate of Occupancy for the Phase 1 building. However, the approach area shall be paved from River Street to the first parking stall. On or before the expiration of the two-year period, the Owner shall submit a landscaping plan before the Hailey Planning & Zoning Commission with a plan for additional landscaping or other screening of the parking lot from River Street and/or other areas on the site, and plans for paving the parking lot to City standards. If the parking area on Lots 14-16 remains after two (2) years from the issuance of a certificate of occupancy for the Phase 1 building, this Development Agreement shall be amended before any future phased development is permitted on the Property to determine whether there will be compliance with Section 6A.8 of the Hailey Zoning Ordinance, as amended.

6. **Remedies.** In the event either party, including heirs, successors and assigns of Owner's interest in the Party, or subsequent owners of the Property, fail to faithfully comply with all of the terms and conditions included in this Agreement in connection with the Property, this Agreement may be enforced in any court of competent jurisdiction by either City or Owner, or by any successor or successors in title or interest or by the assigns of the parties hereto. Enforcement may be sought by an appropriate action at law or in equity to secure the performance of the covenants, agreements, conditions and obligation contained herein, and may include an action for specific performance, breach of contract, reformation and/or rescission.

7. **Right to Cure.** In the event of a material breach of this Agreement, the parties agree that City and Owner, shall have thirty (30) days after delivery of notice of said breach to correct the same prior to the non-breaching party seeking any remedy provided for herein; provided, however, that in the case of any such default which cannot with diligence be cured within such thirty (30) day period, if the defaulting party shall commence to cure the same within such thirty (30) day period and thereafter shall
prosecute the curing of same with diligence and continuity, then the time within which such failure may be cured shall be extended for such period as may be necessary to complete the curing of the same with diligence and continuity.

8. **Force Majeure.** In the event the performance of any covenant to be performed hereunder by either Owner or City is delayed for causes which are beyond the reasonable control of the party responsible for such performance, which shall include, without limitation, acts of civil disobedience, strikes, war or similar causes, the time for such performance shall be extended by the amount of time of such delay.

9. **Miscellaneous.**

(a) **Waiver.** A waiver by either party of any one or more of the covenants or conditions hereof shall apply solely to the breach and breaches waived and shall not bar any other rights or remedies of City or Owner as applied to any subsequent breach of any such or other covenants and conditions.

(b) **Notices.** Any and all notices, demands requests, and other communications required to be given hereunder by either of the parties hereto shall be in writing and be deemed properly served or delivered, if delivered by hand to the party to whose attention it is directed, or when sent, two (2) days after deposit in the U.S. mail, postage prepaid, or upon the sending of a facsimile, followed by a copy sent by U.S. mail as provided herein, addressed as follows:

(k) Relationship of Parties. It is understood that the contractual relationship between the City and Owner is such that neither party is the agent, partner, or joint venturer of the other party.

(l) No Waiver. In the event that the City or Owner, or its successors and assigns, do not strictly comply with any of the obligations and duties set forth herein, thereby causing a default under this Agreement, any forbearance of any kind that may be granted or allowed by Owner, the City, or their successors and assigns, to the other party under this Agreement shall not in any manner be deemed or construed as waiving or surrendering any of the conditions or covenants of this Agreement with regard to any subsequent default or breach.
