SUBJECT:
New Business: Request from Professional Bull Riders Hailey Classic organizer for waiver of noise ordinance to allow concert to follow the PBR event; extension of amplified sound two hours past 10:00 p.m.

AUTHORITY: □ ID Code □ IAR □ City Ordinance/Code Hailey MC 9.04.030 (IF APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:
Hailey Municipal Code Section 9.04.030 provides that:
1. Outdoor amplified sound may be permitted with an approved Special Events permit, an approved park reservation or an approved amplified sound permit. Permitted outdoor amplified sound shall be limited to the hours between 10:00 a.m and 10:00 p.m.

The Hailey City Council approved an Arena Use Agreement on May 6, 2013, which agreement allows a bull riding event and concert on Friday, July 26, 2013. The agreement does not specify the time of the event. The organizer has booked a nationally renowned band. Over 300 tickets have been sold with an 8:00 p.m. PBR Classic start time. The bull riding event will last 1½ - 2 hours, and the concert will last 1½ - 2 hours.

FISCAL IMPACT / PROJECT FINANCIAL ANALYSIS:
The organizer expects, with the combination PBR and Concert, to approach sell out for the second annual event. Hailey would collect approximately $4000 to cover expenses, if sold out. Last year Hailey collected approximately $1500.

AGENDA ITEM SUMMARY

DATE: 06/17/2013 DEPT.: Administration DEPT. HEAD SIGNATURE: HD

SUBJECT: New Business: Request from World Music Festival organizer Danny Walton for waiver of fees for an Arena event planned for Saturday, July 20, 2013

AUTHORITY: □ ID Code □ IAR □ City Ordinance/Code (IF APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:
Hailey has not adopted an ordinance governing fees for use of the Arena. However, general policy guidelines were adopted by the council with the intention of allowing some latitude to help bring events to Hailey’s Arena. The fees, after being agreed upon, are then stipulated in an agreement between Hailey and the event producer.

To date, Hailey has waived fees for only one small local high school group, as the group performed its own cleaning and after-event maintenance of the facility. Attached are the guidelines for large and small groups.

Danny Walton has been working with city staff for months to organize a World Music Festival on July 20, 2013. He previously asked the council, through staff, for an extension of an imitated sound curfew past 10:00 p.m., and was denied. Because of the cost of bringing several bands to a full-day music festival, he is now asking for a waiver of fees. Danny plans to be present to make this request of the city council.

The list of fees include:
1. Security Deposit - $500
2. Per-Day Use (includes set up and take-down days) - $500 per day.
3. Concession Space Use - $250
4. Repair of damage and utilities/cleaning in excess of $500.
5. Security and EMS standby billables - $40/hour and $35/hour, respectively
6. Other costs excessively incurred by the City of Hailey.

FISCAL IMPACT / PROJECT FINANCIAL ANALYSIS:
The organizer expects, with the combination of PBR and Concert, to approach sell out for the second annual event. Hailey would collect approximately $4000 to cover expenses, if sold out. Last year Hailey collected approximately $1500.

Guidelines for Small Group Reservations

Memo from Tom Hellen PW Director to City Council on April 25, 2011

At the April 12, 2011 Parks & Lands Board meeting a decision was held regarding the use of the Multi-use arena by smaller groups. The following is an outline of the recommendations by the board.

Groups of less than 50:
- A reservation is required (no more than 30 days in advance) with a $25 reservation fee.
- No animals
- No additional amenities (restrooms opened for $50)
- Clean-up of trash
- A responsible party to sign the reservation form

Groups with Livestock:
- A reservation is required (no more than 30 days in advance) with a $100 reservation fee.
- Maximum of 10 animals/livestock
- No additional amenities (restrooms opened for $50)
- Clean-up of trash and manure
- A responsible party to sign the reservation form

Youth Community Events (4H, High School) over 50 attendees:
- A reservation is required (no more than 30 days in advance) with a $250 reservation fee.
- Restrooms are opened
- Clean-up of trash and manure
- Concession opened for $125
- A responsible party to sign the reservation form

The thought with the Rodeo Grounds is we need a separate ordinance to cover these policies as this is different than a grass park. It is also recommended that these smaller groups be limited to Monday – Thursday unless there is no larger event planned. This is a discussion needed from Council with regards to the 30 day advance requirement. The fee for the Youth Community Events is reducing by half the reservation fees for ticketed events. Council discussion on this is also needed.
AGENDA ITEM SUMMARY

DATE: 06/17/2013    DEPT.: Arts Commission/Administration    DEPT. HEAD SIGNATURE: HD

SUBJECT: New Business: Introduction of Bob Wiederrick's donation of portable art, and process by which City of Hailey accepts such donations.

AUTHORITY: □ ID Code □ IAR □ City Ordinance/Code Hailey MC 3.08

(IF APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

Hailey Municipal Code Section 3.08 provides that the City of Hailey may accept donations of public art, but it does not provide a process for that. The 2002 Hailey Parks and Trails Master Plan does contemplate a process through the Hailey Arts Commission (The HAC was not yet established at the time the master plan was written). The Hailey Arts Commission is interested in establishing such a process, but did not have that process fully vetted and completed when, at June's monthly commission meeting, a donation of portable public art was presented by Bob Wiederrick. The Hailey Arts Commission would permission to display the art at city hall even though the Acceptance of Art policy and process is still pending.

The process is outlined in the attached draft policy, which establishes criteria for the selection of public art. The process culminates with an agreement between the city and the artist which gives full ownership of the art to the city, thereby allowing the city to place, use, maintain, and decommission the art at will, but through which the artist retains her/his copyright. Also attached is a draft agreement, which is not ready for adoption. Both attachments need to be discussed and vetted by the Arts Commission in their July meeting, and will be brought back to the city council for approval thereafter.

The portable art donation from Wiederrick consists of a photograph taken by Chris Simms of a bicycle crafted by Bob Wiederrick, framed by Blue Heron. The photo is entitled Hailey at Night. The Hailey Arts Commission is seeking general guidance from the Hailey City Council regarding the process and the donation, and is interested in hanging the art at City Hall prior to the process being fully adopted.

FISCAL IMPACT / PROJECT FINANCIAL ANALYSIS: The metal sculptured bicycle depicted in the photograph has been offered for sale to the City on several occasions by Bob Wiederrick. At the June HAC meeting, Wiederrick noted that the new owner of Hailey Sturtevants is willing to contribute $3000 to the purchase of the sculpture if the city is willing to make Wiederrick an offer and locate the sculpture at the northwest corner of Carbonate and Main.

POLICY - PUBLIC ART & ART DONATIONS

Public art should be selected rather than accepted by our community. A public art collection should be a well-planned and coordinated selection of pieces, rather than a non-cohesive collection of gifts chosen by donors. The 2002 Hailey Parks, Lands and Trails Master Plan recommends a Public Arts Commission to implement and oversee a Hailey Public Arts Program. Review of artwork gifts should be conducted by the Hailey Arts Commission.

Many Public Art Programs include the commission, purchase and installation of artworks. Programs commission works from artists and maintain the works of art in a municipal art collection, which is displayed in city buildings and on city property. Artwork commissioned by this program may be created either as an integral part of an eligible construction project or at any other city-owned site.

Public Art Programs include:
- May be funded through a "one percent for art" program (1% of municipal public works projects' budgets are dedicated to public art)
- Permanently-Sited Major Indoor and Outdoor Artworks
- Artworks for a Portable Works Collection
- Design Team Projects
- Special Projects

The City of Hailey's formal public art collection currently consists of several items, including its inaugural Hailey Public Library Mallory Collection. The City of Hailey recognizes the value of public art, and would like to encourage more in Hailey, especially in the Central Business District and other public areas.

Gifts of public works of art are occasionally offered as donations to the City of Hailey; gifts are an important part of providing much-needed assets as well as establishing a visual artwork collection for the community. In order to ensure the quality of the public art collection, the Hailey Arts Commission has established a Gift Review Policy.

The City has limited funds to protect, maintain, preserve and conserve elements or artworks. Therefore a careful review process has been established to evaluate proposed gifts to the City. Public elements, such as fountains, public furniture, monuments or other facilities, should be part of a capital improvements plan, and noted in a "gift catalogue". In the absence of a capital improvements plan or gift catalogue, gifts can be reviewed for compatibility by the Hailey Arts Commission for the purpose of making a recommendation to the Hailey City Council regarding acceptance of the gift.

The intent of the review is to ensure that public elements and public art become an asset to public places and do not discourage or disrupt use of the surrounding public space, or threaten the health, safety or welfare of the public.

Community-Generated Projects
Artworks generated through community process may be formally accessioned into Hailey's City Art Collection. Artworks may be offered to the City Art Collection as a component of community-generated development projects. The Hailey Arts Commission may require a signed maintenance agreement or establishment of an endowment for maintenance, preservation and conservation in perpetuity. The Hailey Arts Commission strongly encourages community groups to raise funds and/or make specific plans for the maintenance of such works.

Policy -- Art Donations and Public Art
July 2013
Public Art Review Guidelines

The Hailey Arts Commission reviews each proposed gift of art on the basis of the criteria below. Community groups or individual donors proposing gifts will be provided with the gift policy in advance in order to ensure that all these criteria are addressed. The Hailey Arts Commission may require evidence that these issues have been satisfactorily resolved before making a recommendation to the Hailey City Council regarding a proposed gift.

1. Aesthetic Quality
   Is the proposed gift an artwork with strong aesthetic merit? Criteria for aesthetic quality include:
   • Relationship of artwork to other works in the City Art Collection as a whole
   • Artist's credentials, recognition and local significance

2. Site
   What type of site is proposed for the artwork? Siting criteria include:
   • Written evidence that location of artwork on the proposed site has been approved by the City department that occupies the site

3. Relationship to the Collection as a Whole
   How is the proposed gift compatible or incompatible with the City of Hailey's public art collection? Criteria for compatibility include:
   • Does the artwork contribute to the diversity and breadth of the City Art Collection?
   • Is the artist's work already adequately represented in the City Art Collection?

4. Community Process
   Artwork gifts require public involvement and review. The following requirements should have been met:
   • For community-based projects, artist selection must have been based on an open competition or a process that demonstrates substantial community involvement (e.g. review and discussion by immediately-surrounding community)
   • If the artwork gift is a result of direct selection by the donor, does it contribute to the diversity of the City's collection?

5. Technical Specifications and Feasibility
   Artworks proposed for installation on City property must be durable and meet City safety concerns. The Hailey Arts Commission may review detailed construction/fabrication drawings consisting of site plan, elevation and section view of artwork.

   The Committee may require additional support materials such as text verbally describing artwork and specifications, structural and engineering drawings, models or presentation drawings.

6. Budget and Contractual Information
   Prior to acceptance of a proposed artwork, the Hailey Arts Commission may review the adequacy of its proposed budget and funding source. Criteria include:
   • Artists fee must be equal to at least 20% for the artwork cost or must have been waived by the artist/artist's estate in writing.
   • Payment for artwork and its installation must be guaranteed by the provider through a valid, signed contract with the artist.

7. Durability and Routine Maintenance
   Proposed artwork gifts may be required to be accompanied by a maintenance plan prepared by and/or reviewed by an artwork conservator. It is expected that proposed permanently sited artwork gifts will last a minimum of 30 years. Criteria include:

Policy – Art Donations and Public Art
July 2013
• Explanation of expected life span of artwork in public non-archival exhibition settings
• Description of durability of similar artworks in the same material(s) attained
• Explanation of environmental conditions and suitability of artwork materials to the conditions of its proposed display.

8. Long Term Maintenance
The Hailey Public Works Department is responsible for overseeing the maintenance of artworks in the City Art Collection. A maintenance plan for artwork gifts should be provided as part of the donation proposal. This plan should be provided by the artist or a qualified conservator. Maintenance criteria that should be met include:
• For gifts of "portable" artworks: handling and installation requirements (e.g. instructions for personnel and equipment required for moving the work)
• Written permission from the artist/artist's estate for work by a qualified conservator. NB: Reasonable efforts will be made by the Hailey Arts Commission to contact living artist(s) in the event of need for major restoration. General maintenance work will be conducted as necessary without such formal notification.
• Written permission granted by the artist for removal of the work due to possible changes in the future use of the site

9. Vandalism and Safety
Proposed artwork gifts must consider potential vandalism and public safety issues. Proposed gifts must demonstrate consideration of the following criteria:
• Describe elements of the artwork that might be prone to vandalism and how this potential for vandalism has been addressed
• Describe how graffiti vandalism has been addressed

10. Timeline
If a proposed gift is not completed within the timeline originally established, or if significant changes (either conceptual or financial) to the proposed work occur, it may be reviewed again by the committee. The Hailey Arts Commission is authorized to request that a proposal be resubmitted for review.

Recommendations on Acceptance and Rejection of Gifts of Art
The Hailey Arts Commission makes a recommendation on a course of action regarding each proposed gift or project. Upon approval by the Commission, the recommended acceptance will be forwarded to the Hailey City Council.

De-accession Review
Gift artworks will be reviewed on a regular basis and de-accessioned if necessary, through steps in accordance with national standards for de-accessioning works of art.
