BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

I am enclosing Hailey Ordinance No. 1110 which amends the Development Impact Fee ordinance (Chapter 15.16 of the Hailey Municipal Code) for a third reading. In preparing a summary of this ordinance, I discovered two small mistakes to the ordinance which you previously approved. First, the prior ordinance did not show all of the underlined language in section 1 of the ordinance. Second, the prior ordinance mentioned “day care business” in section 1 and should have stated “child care facility.” These mistakes have been corrected in the attached draft. In light of the minor nature of the mistakes, I do not believe there is any need to reopen the public hearing. I would recommend that you proceed with the third reading.

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

Summary of ordinance revisions
1) Revises and updates the definition for Temporary Signs
2) Proposes standards for Temporary Signs that address placement, size, duration of use, and exemptions.

Working with local businesses on a solution to our temporary sign problem, Staff was able to draft the proposed in a way that meets the City's objectives while providing a business friendly approach for our local businesses. The intent of the ordinance is to minimize the potential clutter that a proliferation of temporary signs may cause and to ensure that Hailey's commercial corridor remains an inviting, aesthetically pleasing, and business friendly atmosphere for residents and visitors.

The Planning and Zoning Commission was involved in drafting this ordinance from beginning to end and a public hearing was held on October 9 before the Commission. Following the public hearing, the Commission voted unanimously to recommend this amendment to the City Council, citing compliance with the Comprehensive Plan, Sections 11.1 and 6.1.

RE: Zoning Ordinance Amendment – Section 8.2 addressing temporary signs and standards.

HEARING: October 15, 2012

Notice
- Notice for the public hearing was published in the Idaho Mountain Express on September 19 and 26, 2012 and mailed to public agencies and area media on September 20.

Proposal
- This city initiated text amendment addresses the definition of temporary signs and standards for displaying temporary signs. Specifically, the temporary sign definition was updated to define a temporary sign as, “A sign not permanently embedded in the ground or a sign not permanently affixed to a building or sign structure and which cannot be relocated without removing poles from the ground or dismantling the sign from a building or sign structure. A Temporary Sign is intended to display either commercial or noncommercial messages of a transitory or temporary nature. A Temporary Sign is not considered a Portable Sign.” Based on staff’s outreach to the public during the drafting period of this ordinance revision, the proposed new standards should be acceptable to the public. It is also anticipated that new standards will more enforceable and easier for the business community to interpret.

Procedural History
The text amendment was considered by the Planning and Zoning Commission on October 9, 2012:
- The Planning and Zoning Commission voted unanimously to recommend the amendment to the City Council, citing compliance with the Comprehensive Plan, Section 11.1 and 6.1. The Commission made changes or revisions to the proposed ordinance.

The text amendment will be considered by the City Council on October 15, 2012:
- If the City Council intends to proceed with adoption of this amendment, the following procedural schedule will be observed:
  - 1st Reading: October 15, 2012
  - 2nd Reading: October 29, 2012
  - 3rd Reading: November 5, 2012

Department Comments
The proposed ordinance revision is the result of staff work and several hours of outreach with businesses in our community that will be directly affected by this ordinance. Through working with the business owners, staff was able to draft ordinance that achieved the City’s objectives while meeting the needs of the business community.
Standards of Evaluation

Note: Staff analysis is in lighter type, *italicized words* are words or phrases added by staff for clarification purposes.

14.6 When evaluating any proposed amendment under this Article, the Commission and Council shall make findings of fact on the following criteria:

a. The proposed amendment is in accordance with the Comprehensive Plan;
The Commission should consider how the proposed amendments relates to the various goals of the Comprehensive Plan (listed below for reference).

   a. The proposed ordinance addresses the recent proliferation of temporary signs in Hailey, particularly along the Main Street corridor, in hopes of reducing sign clutter, improving aesthetics, and preventing "temporary signs" from becoming permanent through continual use.
   b. It is the opinion of staff that the overabundance and lack of enforcement on temporary signs can be detrimental to the character of the community.

2. Section 6.1 Encourage a diversity of economic development opportunities within Hailey
   a. This proposal *does not intend to limit the growth, opportunity, or profitability of any business in Hailey* and Staff has taken great care in making sure this amendment does not limit a business’s opportunity to succeed in Hailey

      h. Light Industrial – Areas containing uses important to a variety of business sectors that focus on the production of products and services that are less compatible with, and do not compete with, uses in Downtown and the Community Activity Areas.
      i. Airport Site Redevelopment – a diversity and integration of uses and community assets that complement and support Downtown and are connected within and to existing neighborhoods.
      j. Community Gateways – areas where one has a sense of arrival or sense of being within a part of town distinguished from others providing opportunities for special design considerations.
5.2 Maintain Downtown as the area containing the greatest concentration of commercial, cultural and civic activity and as the priority area for encouraging higher density commercial and mixed use (commercial and residential) development.
